AUGER-McMAHON
The Church of the Most Holy Redeemer, Charlottetown, was the scene of a pretty wedding on Tuesday Feb. 26th, 1952, at ten A.M., when Mary Irene, daughter of Mr. and Mrs. Louis McMahon and Edward Anthony, son of Mr. and Mrs. Victor E. Auger, were united in the holy bonds of matrimony by Very Rev. A. MacLellan, C.S.R.

The bride, given in marriage by her father, was attired in a Ballerena length dress of white satin with matching head dress, and carried a nosegay of white roses centred with pink carnations. The bride was attended by her sister, Nadine, who wore a ballerena dress of lavender satin with matching headband, and carried a nosegay of yellow roses.

Mr. Robert Brackett of Halifax, N.S., was groomsmen. The ushers were Mr. Vernon Naugier, Bridgeport, N.S., and Mr. Walter Duffy, Charlottetown.

The bride's mother wore a dress of navy blue crepe trimmed with white lace, navy and white accessories and a corsage of white roses.

During the celebration of the Nuptial Mass, Miss Louisa Rossiter sang appropriate hymns. Mr. Alex MacLean was organist.

A reception was held at "The Charlottetown" and the toast to the bride was proposed by Mr. J. H. Moore to which the groom responded. Complimentary remarks were made by Messrs. Patrick J. Ready, Elmer Johnston and Desmond Paquette.

For travelling, the bride wore a langleine garbadeine suit, corn colored straw hat with brown velvet trim, brown accessories, and a corsage of white roses.

FORESTRY COURSE
To Open Monday
A forestry course considered of special value to all owners of woodlots in Prince Edward Island will open as scheduled on Monday, March 3, and continue to March 15. During the course there will be special emphasis placed on enabling owners to identify the various types of trees on their lots and thus aiding in increasing the revenues which may be derived. It is expected that with the snow plows presently working on all roads they will be opened in time to permit rural residents to reach the city without difficulty. The course will be conducted by forestry officials of the Department of Industry and Natural Resources and will be held in the Vocational School.
