ST. PAUL'S CHURCH YOUNG PEOPLE'S SOCIETY.—The first social of the season was held in St. Paul's schoolroom last evening by members of the above society, when a very enjoyable time was spent by the large gathering present. The Rev. Mr. Hamlyn announced that on Tuesday, Dec. 13th, a Penny Reading would be held by the same society. A cordial vote of thanks was tendered Worth's Band for their kindness in furnishing music during the evening.

OF INTEREST TO BICYCLISTS.—In May, 1890, C. A. Walker, of Toronto, was in Winnipeg on a business trip. While riding his wheel through the streets of the city he accidentally came in contact with a pedestrian, who, it was claimed by several spectators, made no effort to move out of the way, but rather planted himself directly in the path of the machine. The pedestrian was knocked over, and received injuries from which he was confined to his house for several days. He brought an action for \$1,600 damages against Walker, and the case has been dragging on for the last two and a half years. On Thursday last Mr. Walker received a telegram from Winnipeg to the effect that decision had been given in his favor with costs.

AN ELOPEMENT.—A young and fine looking couple—John White and Miss Cecelia Henneberry—arrived on the steamer Miranda from St. John's early yesterday morning. The couple made known the fact that they had eloped from St. John's, and wanted a marriage license at once. This they secured and drove to St. Mary's, where the knot was tied by the Rev. Gerald Murphy. The couple then drove to the Miranda and sailed at 10.30 o'clock for New York. The young man said the girl's parents were opposed to the match, she being rather too young. The groom was assistant manager in a large St. John's business house.—Hx. Herald.

CONCERT IN LITTLE YORK.—Make no engagement for Tuesday evening, Dec. 20th, or you miss the concert of the year, to be held at Little York Hall. The best musical talent of the city will take part. Don't forget the date, the 20th December.

INJURED.—Captain Burke, of Georgetown, while engaged in getting off the wrecked schooner near Annandale, had his arm severely injured. At first it was thought his arm was broken, but we are glad to hear since that such is not the case.

LADIES appreciate Anti-Dandruff from the fact that it not only thoroughly removes dandruff with three applications, but stops falling of the hair, restores fading hair to its original color, and makes it soft and pliable without leaving any indication of a dressing being used. Clear as crystal, clean to use, it is a valuable toilet preparation.

STAY AT HOME.—All who go to the United States in search of employment do not find it. We know, as a fact, of young men who left the island four or five weeks ago who have not succeeded in earning one dollar since leaving in the land of the free. Some are anxious to return home, but have not the means to pay their way back. It would have been much better if many of them had stayed at home.

NO ONE ever smoked "Myrtle Navy" tobacco for a fortnight and then took to any brand in preference to it. It bears its own testimony of its qualities, and it is this testimony which is always convincing. The smoker who uses it is never annoyed by getting it sometimes of good quality and sometimes of bad. The arrangements of the manufacturers for keeping its quality equal are very elaborate and complete, and are the results of many years of experience and close observation.

NEW MILL.—Messrs. Alexander Dixon & Sons' Head of Rollo Bay, have just completed their new saw mill. It is built upon the site, but is nearly twice the size of the one they lost by the fire last summer. The dam has been recently raised high enough to admit of the machinery being run by water power alone. Steam power has therefore been dispensed with and their engine sold to Mr. Frank Dixon, of St. Peter's Bay. The new mill was built under the superintendence of Mr. Andrew Leslie, of Souris West. We wish the enterprising owner the success which his industry and perseverance deserves.

AN ISLANDER KILLED.—Many will be sorry to learn of the death of Albert Howlett, formerly of Annandale, Lot 56, which sad event took place at Boston on the 21st inst. Deceased was the son of Mr. George Howlett, merchant, Annandale, and with his young wife, a daughter of Mr. James Taylor, had resided in the United States only a little over a year. He was a carpenter by trade, and met his death by accidentally falling from a building on which he was at work, only living six hours after the fall. THE EXAMINER tenders sympathies to his bereaved parents and other near relatives in their sudden and unexpected affliction.

METHODIST COUNCIL.—The Eastern Methodist Council will meet at Lower Montague on Thursday, Dec. 1, at 9.30 a. m. A Sunday School Convention will be held on the same day, the sessions of which will convene in the Methodist Church at 10.30 a. m. and at 2.30 p. m. Papers will be given by the Rev. R. O. Opie on "The History of the Sunday School," the Rev. W. H. Spargo on "Experience, Thought and Action," the Rev. John Goldsmith on "Methods of Teaching," and Mrs. W. E. Lard on the "Catechism." Other papers and addresses are expected. A public meeting will be held at 7.30, in the interests of the Education Society of the Methodist Church and will be addressed by the Revs. W. H. Spargo and J. B. Gough.

The change in the Department of Railways, indicated by our Ottawa despatches, will be generally pleasing and acceptable to the people of this Province, and, indeed, of all the Maritime Provinces. With headquarters at Moncton, the Government railway system will be under much better control than it is at present. Of Mr. Pottinger it may be said that he thoroughly understands the situation, and may do much to improve it.
