Weekly Meeting Reports Progress

Good progress was reported in plans for the Salvation Army Capital Fund Appeal at the weekly committee meeting held Thursday afternoon at the Citadel. Brig. A.W. Rogers, chairman, presided.

on the ice and snatched out towards the little girl who was fully clothed in winter garb, making it a rescue more difficult.

After getting the child safely to shore he had her taken to hospital. Although Mr. McGuirk received a sincere letter of thanks from the little girl's parents, when the child was admitted, felt Mr. McGuirk was deserving of more credit.

She reported the incident to the Royal Canadian Humane Society, which after investigating the case for close to a year, decided that Mr. McGuirk deserved a medal for his brave deed.

It has been about 25 years since Mr. McGuirk left P.E.I. and went to Quebec. Before leaving he had worked on his father's farm. He is now employed with the Northern Electric Company.

DeBios, opens its campaign on April 18. The general canvass will be held during the month of May. The objective is \$35,000. City chairman is W.R. Jenkins.

A canvass of the residential area of the city will take the form of a blitz. This will be held on May 3. The suburbs of Parkdale and Sherwood will cooperate with the campaign being directed by the Lions Club of Parkdale and the Women's Institute of Parkdale.

READY BY FALL The foundation work on the new citadel and welfare centre to be constructed at the corner of Prince and Fitzroy Streets is well underway and the headquarters is expected to be opened in the fall.

It recalls that way back in October, 1890, The Patriot recorded the laying of the cornerstone for "the new Barracks and officers quarters combined" on the Great George Street site. Salvation Army Major Jacobs was in charge, and the stone was laid by Ex-Governor Laird.

In the nearly 70 years which have passed since that day the Army has come to mean a great deal in the life of this city and

its people. Thousands have known its work and appreciated the help so freely given.

WAR SERVICE This is particularly true of former service men who came to know and love the Army and its "Ladies" in all parts of the world. Veterans of the First World War were loud in their praise of the service rendered to troops on the muddy battlefields of Europe; and millions more came to know and understand the tremendous work of the Army in the holocaust which was the Second World War.

But it is in peacetime the Salvation Army has come to mean so much to the people of this province. When fires broke out on bitterly cold days the Army was there with coffee to warm the dispirited firefighters, and to offer shelter and clothing to homeless and disheartened victims. And just so has the Army helped many disheartened victims of a losing way of life and in so doing has brought new hope to countless people.

of this province, contrary to the Motor Vehicle Transport Act, in Prince County Court before Magistrate W. Chester S. MacDonald, Thursday.

This is a federal offence and it is believed that an attorney for the crown is named by Ottawa for such an offence. The cases were adjourned until April 21.

The offences occurred between Feb. 17th and March 8th of this year. J. Melville Campbell, acted for the firm.

Donald Edward Gavin of Tignish entered a plea of guilty to a charge of impaired driving and was fined \$75 and costs.

A charge of impaired driving against Rena Sturdy, Cape Traverse, represented by J. Melville Campbell, was dismissed by Magistrate MacDonald.
