Don't You Agree that 60 SOURCES OF INCOME are BETTER THAN 1 or 5 or 10?

As the flow of a river is more constant when fed by many sources, so is an investment programme based on broad diversification usually more constant in income and growth. Mutual Funds provide this broad "60 or more great" through investment in the common shares of 60 or more different corporations. You can start your Mutual Fund programme with as little as \$100.00. Mutual Funds will - in addition to giving you an interest in 60 or more companies - pay you regular dividends... and permit you to share in Canada's industrial growth. Learn why more than a million ordinary men and women now own over three billion dollars of Mutual Fund shares.
