OC Manse Is Opened, Dedicated At O'Leary

O'LEARY—In a very pleasing and impressive ceremony yesterday afternoon the new United Church manse at O'Leary was dedicated and officially opened. The service of dedication was held in the Christian education centre with Rev. W.A. MacQuarrie, DD, chairman of the Prince Edward Island presbytery, presiding.

The introductory part of the worship was led by Rev. David Hamilton, minister of O'Leary parsonal charge, and the scripture lessons were read by Rev. B.M. Cameron, minister at Beedee and chairman of the Prince County Ministerial Association.

The keys were passed by Architect, Keith Pickard to Randall Boies, chairman of the labor committee, who passed them to Errol Stetson, chairman of the board of trustees. Mr. Stetson presented them to Dr. MacQuarrie who led the congregation in an act of dedication.

A solo, "Bless This House," was rendered by Miss Norma Adams.

Mr. Hamilton welcomed all present and paid tribute to the many people of the charge whose work and sacrifice have made the new manse possible. He also expressed appreciation to the architect, Mr. Pickard; the foreman, Byron MacPhee; the plumber, Lorne Laxton; the electrician, Leigh MacWilliams; the plasterer, Mr. Fluens; the painter, Mr. Burgess; and Harold Jolley for his assistance.

Atlantic Wholesalers Ltd. Places Large Paper Order

R.A. Milton, vice-president of merchandising of Atlantic Wholesalers, Limited has announced that his company had placed an order with Westminster Paper Company for the largest quantity of household paper products ever ordered at one time in the Maritimes.

"The quantity of paper is huge, more than 7,000 cases which represents more than 15 million sheets," Mr. Milton said. "The real difference lies in the fact that the growth of the three groups which we service, Save, Easy, Red and White, and a Lucky Dollar Stores, has made it possible to order in real volume and enable us to bring Maritime shoppers the opportunity to buy with the greatest possible savings."

This week more than 15 carloads of Scott paper products will be on sale in Red and White, Save, Easy and Lucky Dollar Stores in Nova Scotia, New Brunswick and Prince Edward Island. This, the largest single purchase of household paper products in the Maritimes comprises more than 30,000 packages and over 17,750 miles of paper, enough to reach over three-quarters around the earth. Total value of the sale will exceed \$125,000.
