Appoint Fund Representatives For Provinces

MONTREAL (CP) — K. M. Sedgewick, general manager of the Royal Bank of Canada and national chairman of the Spring-Bill Disaster Relief Fund, Wednesday announced the names of those who have consented to serve as provincial representatives for the fund.

In the Maritimes, Roland D. Hurst, of Simpson-Hurst, Limited, Halifax, will represent Nova Scotia, and N. A. Hester, president and general manager of Enamel and Heating Products Limited, Sackville, will represent New Brunswick.

The Quebec representative is Claude S. Richardson of the law firm of Common, Howard, Cate, Ogilvy, Bishop, Cope, Porteous and Hansard, Montreal; and the representative in Ontario is J. S. D. Topy, of the law firm of Topy, Arnold, Wardlaw, Whittaker and Topy, Toronto.

CONTRACT BRIDGE

Your right hand opponent deals and bids. One Heart, both sides vulnerable. What would you now bid with each of the following four hands?

1. ♠Q88 ♥8 ♣AKJ965 ♦A7
2. ♠J63 ♥QJ94 ♦A7852 ♣A
3. ♠AK753 ♥K53 ♦AJ ♣AJ
4. ♠Q83 ♥J5 ♦KQ6 ♣AQ42

1. Double. The informative double is primarily a strength-showing bid. It is true that in most hands where the informative double is used the doubler wants his partner to choose a trump suit because he does not have a good suit of his own, but the fact that the doubler has a self-sufficient suit does not mean he cannot double. A simple overall in a suit does not show as much strength as an informative double.

To merely overall with two diamonds may result in failing to reach a good game contract in spades. An overall implies that other suits are not payable. Partner may have five spades to the K-J, which is about all that is needed for a spade game, and not be able to show them if the diamond overall is chosen.

2. Pass. It is dangerous to risk a two diamond overall with such a bad suit. Overalls should be based on the probable number of taking tricks, and not just point count. If a two diamond overall were doubled it is likely a severe

Red Cross Was Early In Action When Disaster Struck

SPRINGHILL, N. S. (CP)—The local Red Cross swung into action here Thursday, half an hour after No. 2 colliery was wrecked by a shattering quake, without their disaster relief director.

Director Edwin McKinnon was one of the 93 miners trapped in the rubble-choked tunnels of the mine.

Since disaster first struck the Red Cross has been on the scene with more than 100 volunteers Monday, food went out regularly to 24 men digging graves for victims.

Thousands of dressings were brought in for use by the rescue teams. They are worn in the elbows and heads of the miners who crawl gopher-like on their bellies through coal and debris.

The Red Cross kitchen has expert direction. Felix F. Cadieux, head chef at the Nova Scotia hotel in Halifax, put his prepared silver-plated specials for the grimy miners.

Canada's Fish Catch Declines

OTTAWA (CP)—Canada's catch of sea fish and shellfish in September and the first nine months of 1958 declined sharply in volume from the corresponding periods last year.

However, the landed value of the catch in the two periods soared as a result of higher prices in the salmon fishery in British Columbia.

The September catch declined to 176,431,000 pounds from 206,306,000 a year ago and dropped in the nine months to 1,346,270,000 pounds from 1,682,081,000.

The landed value of September's catch rose to \$14,891,000 from \$8,500,000 a year ago. In the nine months the value increased to \$84,750,000 from \$71,098,000.

On the Atlantic coast September landings declined to 125,511,000 pounds from 152,866,000 and the value to \$4,898,000 from \$5,009,000. In the nine months landings eased to 1,026,853,000 pounds from 1,159,332,000 and the value dropped to \$42,133,000 from \$43,145,000.

The declines were due mainly to reduced activity in the ground-fish industry.

Last Briton Leaves Jordan

AMMAN, Jordan (AP) — The last British soldier in Jordan pulled out of the tiny desert kingdom Wednesday.

As Brig. Tom Pearson, commander of the 3,000 paratroops flown to Jordan last July, stepped into an RAF transport plane, he said:

"The British forces have served the purpose for which they were brought to Jordan."
