Mrs. Brown's Case.

TORONTO, Jan. 25.—A most interesting case has come to light here, being that of Mrs. Brown, of Agnes St., who for years has suffered from Bright's Disease, the last two of which she spent in bed. Her feet were swollen so she could not walk, and being affected with paralysis she was taken to the Toronto General Hospital, where, after undergoing a lengthened treatment which did her no good, and receiving nothing in the way of consolation save a certificate that she was incurable and a permit admitting her to the Home for Incurables. Even then she did not give up hope and tried Homeopathic treatment, but with little results as the other. There seemed nothing left but to go to that retreat where only those who are beyond all human aid are admitted, and there wait for death to relieve her of her sufferings. She heard of that wonderful cure of Sam Murray, of Gravenhurst, by Dodd's Kidney Pills, and she decided to try them. The first week she noticed very little change, but before she had finished the second box her back began to feel easier, the swelling to leave her feet, and by the third week she could walk, something she had been unable to do for two years before. Now, after taking Dodd's Kidney Pills for two months she is so completely cured that she is about to take up school teaching again, a calling she pursued before losing her health.
"Here's a pretty mess," shouted the stage manager as he rushed into the presence of the man who was directing the tour of a society actress.
"Wha's up?"
"Why, the star has eloped with the policeman we hired to stand in the wings and watch her diamonds."

If Afflicted, Try It. It Will Cure You.

Malcolm McLean, of Kensington, P. E. I., writes the following:

For five years I suffered from severe Chronic Bronchitis, for which the doctors and numerous patent remedies failed to give relief. My physician at length advised a change of climate as my only hope. Hawker's Balsam of Tolu and Wild Cherry was recommended to me, and I was happy to say that I was entirely cured before I had used two large bottles. I consider it to be truly a most wonderful and cheerfully recommended remedy to all so afflicted.

GEO. H. MCKEE, M.D.

Five Years a sufferer. Cured of Dyspepsia and the after-effects of Diphtheria.

Groder's Botanic Dyspepsia Syrup.

For the last three years I have been confined to my bed more than half my time. I would have terrible distress in my stomach, severe headache, and be dizzy at times that everything around me would grow dark; many a time I have said: "I wish I were dead." I tried all kinds of Dyspepsia Cures without any relief whatever, and my physician said I was incurable. I thought there was no help for me. One day my brother had an errand at the drug store of A. Chapman Smith & Co., St. John, and they showed him to take a bottle of Groder's Botanic Dyspepsia Syrup, to try, on trial. When he came home with the bottle, he said: "I feel better than I have for years." I bought a bottle and took it. I had no faith in this because I have tried so many remedies without receiving any benefit. BUT I did try it, and thanks be to Groder's Dyspepsia Syrup, and its maker, I am cured. I can truthfully say I am cured. I have no distress at my stomach, no headache, no dizzy spells, and the world looks bright to me again. I can now eat any kind of food, whereas two months ago I could eat nothing but bread and milk, and in small quantities. My sleep is sound and perfect. I can cheerfully recommend Groder's Botanic Dyspepsia Syrup to any who are suffering from stomach trouble, in any form, and will cheerfully answer all inquiries in regard to my case. I am, Very respectfully, GEO. H. MCKEE, 117 St. John Street, St. John, N. B. I hereby certify that I gave said bottle of Groder's Syrup to the brother of Geo. H. McKee, and that I believe the above statement to be true. Signed, E. H. W. NICKERHAM, A. C. Groder Dyspepsia Cure Co., Limited, ST. JOHN, N. B.

The Telephone Company

—OF— P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:— 1st. Speak with the mouth about four inches from the transmitter. 2nd. Speak in a moderate tone of voice, not too loud, and distinctly. 3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter. If you speak too loudly, but it is not a pleasant mode of conversation, it is entirely unnecessary, and is a needless waste of wind and lungs, besides being very annoying, to all within range of your voice.

ROB ANGLUS, Manager.
