One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

"ARROWHEAD" AT THE CAPITOL THEATRE, SUMMERSIDE

—The strong brave men of the Western plain who worked for the Army as Indian scouts provide the subject matter of Nat Holt's brand new Paramount picture "Arrowhead," now at the Capitol Theatre, Summerside. Filmed in color by Technicolor and starring Charlton Heston with Jack Palanca and Katy Jurado, "Arrowhead" traces the turbulent adventures of a laconic scout with a bitter hatred for the Apaches. Heston is this hardened scout, attached to the U.S. Cavalry, who bears a long standing grudge against the Indians by whom he was raised as a captive after the murder of his parents.

Against his advice, the Army tries to make peace with the marauding Apaches only to be caught in a series of ambushes organized by Toriano, as played by Jack Palanca, a chieftain's son who has an equally fanatic hatred for the white men. Heston and Toriano had grown up together and their intense and violent feud was of long standing.

The story, as written for the screen by Charles Marquis Warren who also directed, follows the Army's ill-starred efforts to effect the peaceful capitulation of the Indians.

How to stop worrying
It can make you seriously ill, sap your energy, even shorten your life—yet worry may be a sign of potential strength. A. J. Cronin in *May Reader's Digest*.

Read how men like Churchill, Tolstoy, Lawrence of Arabia conquered anxiety; why worry is a form of atheism that Jesus warned of—and how He pointed the way to true peace of mind.

Don't miss this famous doctor-writer's prescription for avoiding worry, *Private Enemy*, Number One to millions of people.
