Teachers Convention At Montague Gets Underway

The teachers of Southern Kings and Southern Queens opened their annual convention at Montague yesterday with an attendance of 111, which is a record for this centre. The president, Mrs. Marion Johnston, opened the meeting. The secretary, Miss Claire Delorey, read the minutes of the last convention.

In her report the president dealt with the activities of the local during the past year. She congratulated Hon. Keir Clark on his re-appointment as Minister of Education, and commended him for his excellent accomplishments in his department. She also congratulated the people of Montague for their excellent effort towards improvement in school facilities.

Miss Woolner, who attended a seminar, conducted by the Canadian Teachers Federation, gave an account of the studies carried on. The subject of discussion dealt with improvement in qualifications of Canadian teachers. She passed on many useful ideas to the teachers of this convention.

Mr. Louis Herring, supervisor for the district, dealt with routine matters concerning teachers. He addressed the convention on the subject of education. He called attention to the fact that fundamental are being taught in most schools better than ever before. He stressed the value of self-discipline and responsibility in the character of pupils.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both - Relieves Pain - Shrinks Hemorrhoids Toronto, Ont. (Special) - For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved - without resort to surgery. In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations. Pain was relieved promptly. And while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all - this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make quite astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years standing. All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) - the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded. *Trade Mark Reg.
