

Crystals Smother Vics 10-1 To Win Semi-Final Round By 22-7 Score

Dr. Vince Grant's Summerside Crystals moved into the final round of the Island Intermediate A Hockey League in no uncertain terms at the Forum last night when they smothered the Charlottetown Victorias under a 10-1 score and take the home and home, total goal, semi-final series by the lopsided count of 22-7.

Led by the sharpshooting of Benny Grady who notched up four goals and two assists for six scoring points, the Crystals outscored their rivals 1-0 in the opening session, 4-1 in the second and slammed home five more in the third period without a reply from the Vics to take an easy victory and were never in trouble at any point of the game from the second period on.

The Crystals will meet the winners of the Abbie-Saints series which will be decided at the Forum tonight, the latter leading by a two-goal margin going into tonight's game.

Other goalgetters for Summerside were Layton Schurman with two goals and two assists, Stan Gallant, one goal and three assists, while Syl Bernard, Emmett Trainor and Gordon Kelly garnered one each, and all picked up assists as well. Earl Gray also came up with four assists. Ted Flanagan chalked up the Vics lone tally on an assist from Ted Bradley.

Although the game was cleanly played all through the first period with no penalties handed out, it roughened up considerably in the second and third with six being handed out, five going to Vics players and one to Crystals. All were for minor infractions, except a misconduct to "Plum" MacDonald of Vics, who after being waved off for boarding in the second period, body checked referee Clarence Steele to the ice and was awarded an additional 10 minute misconduct.

The Vics played close hockey against the visitors in the opening frame, and for the first five minutes kept the Crystals bottled up behind their own blueline, and although they banged rubber at goalie Sprague from all angles, they failed to get one past him. But the Crystals got into the play from the five mark on, and forcing the play, came up with the first and only goal of the frame at 5:40. It was a see-saw battle for the rest of the period. The play wasn't very fast, but both teams had scoring chances, although neither could capitalize on them with both goalies Ward and Sprague right on the job.

The last two periods were a different story, however, when Crystals, making good most of their scoring chances, and Vics muffing their, the Western boys took charge

of the play to bang home four goals to one in the sandwich session, and rounded it off in the final frame in handy fashion, potting five without a reply to take a most decided victory by a 10-1 tally.

The following are the lineups and summary: —

**Final Game
At Murray Harbor
Scheduled Tonight**

The final game in the home and home, total goal series, between Murray Harbor Bruins and East Royalty Royals, will get underway at the Murray Harbor rink tonight for the right to advance into the final playoffs against Borden Nationals for the Island Intermediate "B" hockey championship.

The Bruins hold a seven-goal edge going into tonight's encounter as the result of their 8-1 victory over the Royals in the series opener here at the Forum on Tuesday night.

The Royals will leave for Murray Harbor at 8:30 this evening from the local bus terminal where two special buses will be used to transport the team and local hockey fans who wish to make the trip.

Saints And Abbies Play Deciding Game Tonight

One of the keenest hockey matches in the current hockey season is expected to take place at the Forum tonight at eight o'clock when Saint Dunstan's University and Charlottetown Abbies clash in the final game of their home and home, total goal series, for the right to advance into Island Intermediate A hockey finals.

Taking the series opener by a 5-3 margin in a closely contested encounter on Monday night, the Saints hold a two-goal lead over Abbies going into tonight's battle, and the Kane-coached pucksters will have to come up with everything they have in the way of scoring power to turn back the Saints and stay in the title race.

Suffering only two losses in ten starts, the Abbies topped out the regular schedule by two points over Saints and Victorias who tied for second, and in both meetings with Saints during the schedule, managed to hold the winning edge, until they met in semi-final play on Monday night when the University boys turned the tables for a two goal advantage.

So taking these facts into consideration, anything can happen tonight, and more than likely will, and the least that can be expected is a rip-roaring contest that will be packed full of action all the way.

**Borden Sisters
Defeat Amherst**

Borden Abegweit Sisters defeated the Amherst Sisters 5-2 in Borden Rink last night for their first win in three games with the Nova Scotia team.

Leading the way for the Borden girls was Doris Noonan who sank a pair. Leah Jay, Marion Noonan and Marguerite Westhaver each scored one for the home town club. Both Amherst goals were scored by Barbara Gould. The game was handled by Wendall Oatway and Richard Goudall.

N. S. Curlers Capture Junior Championship

Winning all but one of their eight matches in a two-day series, rinks from Halifax and Bridgewater last night won the Maritime Junior Curling Championship for Nova Scotia and the Atlantic Wholesaleers Trophy.

The Nova Scotians swept through their first four games Tuesday without a loss and yesterday afternoon wrapped-up the series by winning both games from New Brunswick rinks. Island hopes of challenging the Biuenese lead were temporarily raised by victories over Campbellton and Bathurst in a morning round.

The one win over the Nova Scotia rinks was scored by the Clifford MacDonald rink of Charlottetown in an evening match and provided an anti-climax to the competition. The Island rink matched the Leaman rink from Bridgewater end for end and stone for stone in one of the most keenly contested matches of the series.

Going into the final end the MacDonald foursome led 9-8. The Bridgewater rink staged a rally and were lying five when MacDonald came up with his final rock. He had only one chance. Wick in off one of his opponents stones to centre and lay shot behind two rocks. He did just that in a perfectly executed play. The Bridgewater skip had little or no chance in dislodging the shot. His last rock was short and on the guards.

In a ceremony following the play, Mr. Gordon Avard, local manager of the Atlantic Wholesaleers (East-

ern) Ltd., presented the trophy to the winning rinks and silver trays to the individual members. He congratulated them on their achievement and the calibre of play exhibited throughout the bonspiel. Yesterday's results follow:

Mercurys In Final Round For World Hockey Title

Minor League Games At Souris

At Souris rink last evening, the Souris boys took two out of three games from Charlottetown teams in Minor Hockey League playoff competition.

In the opening game, a combined Paperweight-Pee Wee Souris squad defeated the West Kent School Paperweights 6-1 in an exhibition tussle. The Souris boys presented a snappy aggregation, and unfortunately their ages wouldn't permit them to compete in the Paperweight division. In this bracket the W. K. S. boys will meet Kensington in a home and home series for the Island Paperweight title, the dates to be announced shortly.

The second game of the evening saw a smooth-working Souris Pee Wee team defeat the Pee Wee Abbies by a 2-0 count. Souris will now meet Montague Pee Wee representatives at Montague Saturday night in a sudden death game for the right to meet Kensington for the Island Pee Wee hockey crown.

In the final game of the night's hockey program, the fast-skating rugged Abbie Bantam team scored an 8-3 victory over a plucky Souris Bantam entry. Abbies will now meet Summerside Bantams in a home and home series for the Island Bantam championship.

At the conclusion of last night's program, Brigadier W. W. Reid, Director of Physical Fitness, presented the Souris High School girls skaters with the aggregate score trophy they won in the recent inter-provincial ice meet at Charlottetown.

SAVED BY RED SNOWSUIT
NOBEL, Ont., March 15 — (CP) — Linda Ann Curtis as she sat in her playpen and watched them pass her home. She decided yesterday to have a closer look. She sat in the middle of the tracks. Beavers Still In Battle For Big Four Ch'ship

SAINT JOHN, N. B., March 15 — (CP) — Saint John's battling Beavers, still rebounding from what had appeared likely elimination, crushed Halifax St. Mary's 6-1 in a torrid game tonight and squared the Maritime Senior Hockey League finals at 3-2.

The seventh and deciding game will be played Friday night at Halifax, with the winner to oppose Sydney Millionaires for the Maritime crown.

In forcing the series to the limit, Beavers outplayed and outshot the Saints, whose lone tally came from a screened shot by Frank Grabowski in the second period.

Saint John had the only goal of the first session, shot three in the second and a brace in the third. Tense feeling led to a match misconduct for Halifax centre Tommy Brennan late in the middle frame. The incident started when Brennan aimed abusive language at referee Maurice Walsh after Vic Jackson apparently tripped a Halifax player and escaped official notice. Walsh laid a 10-minute misconduct on Brennan, who then grabbed the official and seized him around the neck. The Saints' George McGregor intervened, and Walsh immediately made it a match misconduct against Brennan.

Dick Wray, who had seemed comparatively listless in recent games, came alive tonight and fired a brace. High-powered Buck Whitlock, Mike Demchuk, Jim MacDonald and Art Legere shot the others.

Seven penalties, five in the last period, were imposed during the fast, rough contest and more could have been called.

First Period
1—Saint John, Demchuk
(Nicolle, Whitlock) 10:19
Penalties—None.
Second Period
