Owen Sound, Feb. 22 (Special).—The people of this town are talking again of another cure credited to Dodd's Kidney Pills. This is the case of Mr. W. Cruse, caretaker of town buildings, who, when seen, had this to say of the matter:—

"For over two years I have been an intense sufferer from kidney disease with occasional acute attacks of inflammation of the bladder.

"Was under doctors' treatment and have been compelled to resort to instrumental relief many times.

"I have taken eighteen boxes of Dodd's Kidney Pills, and am satisfied with results being perfectly relieved of all suffering."

British makers of iron and steel producers are alarmed by the invasion of their home markets by American manufacturers. It is stated that tin plate bars have been exported to the Welsh tin plate mills for several months and that some of the tinned plates imported recently were made out of American steel. Bessemer steel billets have been exported and one Pittsburg firm is reported to have been recently shipping on an order for 20,000 tons of billets, which have been landed on the west coast of England at a price twelve shillings below the local price. Other forms of iron and steel exported extensively are hardware, mechanics' tools and various forms of machinery.

Baby Eczema and Scald Head.

Infants and young children are peculiarly subject to this terrible disorder, and if not promptly arrested it will eventually become chronic. Dr. Chase made a special study of Eczema and disease of the skin, and we can confidently recommend Dr. Chase's Ointment to cure all forms of Eczema. The first application soothes the irritation and puts the little sufferer to rest.

Dr. Chase's KIDNEY-LIVER PILLS

Millions die annually through lack of care for the kidneys—the first sign of kidney trouble noticeable is a single pain in the back which gradually develops into that dreaded malady Bright's disease—one of the most alarming symptoms is highly colored urine giving bricklike deposits—do not delay when the slightest symptom has appeared—Kidney troubles are easily prevented in their earlier stages—if neglected they may become obstinate, chronic and perhaps fatal—medical science has proved that all kidney diseases arise from an excess of uric acid or kidney acid poison in the blood—One of Dr. Chase's kidney-liver pills if taken weekly will neutralize this acid and prevent any tendency to Bright's disease or Diabetes.

Have you any of these symptoms? Back Ache, Dull Heavy Pain in the Bladder or Base of the Abdomen, Pains in the Back and Sides, Unusual desire to urinate, Scalding urine with passage obstructed, Red or White deposits, Tired Feelings, Weakness, Dropsical Swellings, these are sure signs of kidney troubles.

YOUNG MEN

With backache, weak back, deposits in the urine and other symptoms of kidney decay should not postpone using Dr. Chase's Kidney-Liver Pills.

OLD MEN

Troubled with stricture, impediments obstructions, stoppage of the water, or a frequent desire to urinate at night will find Dr. Chase's Kidney-Liver Pills a great reliever.

TESTIMONIAL

J. F. Browning, Carpenter and Joiner, of Kingston, Ont., writes the following testimonial:

Gentlemen,—I was troubled with my kidneys for ten years and was compelled to arise four and five times a night to urinate. The pain in my back was terrible. I have used enough plasters and pills to stock a drug store, and obtained no relief. The doctors pronounced my case hopeless and advised me to go to Toronto Hospital, and I had made up my mind to go when I read your advertisement in The Toronto Evening News calling your pill the great K. and L. Pill, which I took the meaning to be the KNIGHTS OF LABOR PILL, and being myself a member of that order I had confidence in the name, and I pronounce them the Workingman's Friend, for since taking them regular for three months, I can say I am entirely cured, and had I taken them years ago, would have saved hundreds of dollars in doctors' bills

Very truly yours,
J. F. BROWNING, Kingston, Ont.

LEGISLATURE IN A STATE OF RIOT.

Word comes from Topeka, Kan., that there was almost a riot in the house of representatives on Wednesday morning and a repetition of the legislative war of 1893 is threatened. The republicans and populists clashed and the house became a mob. The sergeant-at-arms was unable to quell the disturbance. Trueblood (populist) moved to refer the calendar to the revision committee to have certain bills advanced. The republicans objected and claimed it took a two-thirds vote to change the rule. The populists were short of the two-thirds. The speaker pro tem, Wellip, who was in the chair, held a majority was sufficient. The republicans demanded a roll call on motion, but Wellip refused to recognize them. It was carried by a viva voce vote. Every republican member jumped up shouting "roll call, roll call," waving their arms and shaking their fists at the populists. The din was kept up an hour when Wellip adjourned the house. No blows were struck. It was expected that the trouble would continue next day.

MESSAGE TO MEN.

Proving that True Honesty and True Philanthrophy Still Exist.

If any man who is weak, nervous and debilitated, or who is suffering from any of the various troubles resulting from youthful folly, excesses or overwork, will take heart and write to me, I will send him confidentially and free of charge the plan pursued by which I was completely restored to perfect health and manhood, after years of suffering from Nervous Debility, Loss of Vigor and Organic Weakness.

I have nothing to sell, and therefore want no money, but as I know through my own experience how to sympathize with such sufferers, I am glad to be able to assist any fellow-beings to a cure. I am well aware of the prevalence of quackery, for I myself was deceived and imposed upon until I nearly lost faith in mankind but I rejoice to say that I am now perfectly well and happy once more and am desirous therefore to make this certain means of cure known to all. If you will write to me you can rely upon being cured and the proud satisfaction of having been of great service to one in need will be sufficient reward for my trouble. Absolute secrecy assured. Send 5c silver to cover postage and address Mr. Geo. G. Strong, North Rockwood, Mich. 135&w.

The refusal of the Dominion Government to carry free in the mails Ontario's parliamentary and departmental papers means about $5,000 a year to the province.

Mrs. S. James, Seaforth, suffered for years with what is called old people's rash. She was treated by many physicians without any result. Mr. Fear, the local druggist, recommended Dr. Chase's Ointment, which relieved the irritation at once and speedily effected a permanent cure of the skin eruption. Mrs. James also says that Dr. Chase's Ointment cured her of itching piles which she had been troubled with for years.

NOTICE

Notice is hereby given pursuant to the provisions of the statute 51st Victoria, sections 82 and 83, that the undersigned will apply at the monthly meeting of the City Council, to be held in the month of March next, for exemption from taxation of lands and buildings to be erected there on near the Railway, on the west side of Edward Street, for the slaughtering and curing of meats.
