King's County Exhibition, 1888.

At the meeting of the Commissioners for
managing King's County Exhibition, 1888,
held in the Law Courts, Georgetown, on
Saturday, 30th June, the following Com-
missioners were present:—Hon. D. Gor-
don, Georgetown; James Clow, Esq.,
M. L. C., Murray Harbor North; Cyrus
Shaw, Esq., M. P. P., New Perth; Angus
McLeod, Esq., M. P. P., Brown's Creek;
E. B. Allayne, Lot 38; Thomas Anear,
Wm. A. Poole, Lower Montague; John
Collings, John Samuel, William Thomp-
son, Sturgeon; James McDonald, Ronald
McKenzie, Stewart Hunter, Dundas; Robt.
Dewar, Alex. Smith, John McLean, New
Perth; John J. McKinnon, Rollo Bay;
Angus McDonald, Fox River; John Haw-
kins, A. B. McNeill, James Nicolle, Mur-
ray Harbor South; Patrick Koughan and
Patrick Brothers, Lot 66, and George F.
Owen, Cardigan.

On motion of James Clow, Esq., seconded
by William Thompson, Esq., Hon. D. Gor-
don was re-elected Chairman.

George F. Owen, Cardigan, being re-
appointed Secretary, submitted a report of
the result of former exhibitions, and
showed the progress that had been made
during the past seven years. His state-
ment showed that the Commissioners of
King's County Exhibition have, during the
past seven years, only drawn some \$71.54
from the Government over the amount of
the annual grant, and out of that deficit
have built a fence around the cattle show
grounds at an expense of \$70.

On motion, it was resolved that the
King's County Exhibition for 1888 be held
in Georgetown on Thursday, the 27th
September next.

The general regulations were amended
by adopting the following:—

That all stallions over two years old pay
an entrance fee of fifty cents each.

That imported carriages and stallions
owned jointly by persons in King's and
other Counties of this Island, be allowed to
compete at this Exhibition.

That imported horses be not allowed to
compete with Island-bred stock.

The prize list was amended by striking
out the money prizes for carriages and
sleighs, and potato digger, to be tested
Exhibition Day.

Prizes of \$8 each were granted for best
imported carriage stallion and best import-
ed cart stallion, any age.

The prizes for yearling Shorthorn and
Ayrshire bulls, without registered pedigree,
were struck out, and also those for home-
made bread.

The Commissioners and Judges for the
several departments were then nominated,
and a good selection was made for each
district in the county.

The meeting then adjourned sine die.
GEORGE F. OWEN,
Secretary.

Albion School Examination.

The semi-annual examination of Albion
School was held on Friday afternoon, 29th
ult. It being the last examination that
Mr. Lavers will hold, the children had the
schoolroom tastefully decorated with spruce
wreathing and flowers. The teacher's desk
was very prettily decorated with the flower
of the season. The teacher read his semi-
annual report, after which he, assisted by
Miss Creed, examined the classes before a
very large number of visitors, all of whom
expressed entire satisfaction with the quick-
ness of the children's answers.

After the closing exercises each pupil
went forward to bid farewell to their teacher.
The scene was indeed touching. At
the close, the Secretary of Trustees read
the following

ADDRESS:

F. C. Lavers, Esq.,—

DEAR SIR,—We, the undersigned, on behalf
of the inhabitants of the Albion School District,
learning that it is your intention to sever your
connection with us, desire to place on record
our deep appreciation of your valuable ser-
vices as teacher in our school during the past
six years.

The very marked advancement seen in all
the classes of the school, and the tasteful
manner in which, owing to your exertions, the
schoolroom and grounds have been put and
kept, clearly show the diligence with which
you have attended to your duties.

The interest that you have taken in the
cause of temperance, as well as your charitable
qualities—being ever ready to extend a help-
ing hand in sickness or trouble—have always
tended to raise you in our estimation.

It is with sincere regret that we learn of
your resignation; but learning that it is your
intention to engage in another and higher
sphere of labor, allow us to extend to you our
best wishes for your future welfare, success
and happiness.

REPLY.

**R. A. Thornton, Thomas Moore, Geo. O'Con-
nor, D. Fraser, Geo. Young, Wm. Thomp-
son, Richard Westaway, Esqs., and others:—**

GENTLEMEN,—I thank you most heartily
for your kind expressions of regard. When I
consider that six years ago I came an entire
stranger among you, I cannot but feel that it
was my good fortune to cast my lot among a
people whose treatment, ever since, has made it
impossible for me now to leave without
feelings of sincere regret.

Regarding your reference to the advance-
ment of the school and the improvements on
the school lot I may say that whatever
measure of success I may have attained has
been largely due to the unanimity with which
the several Boards of Trustees have co-operated
with me, together with the very harmonious
relation which has always existed between my
pupils and myself; and I shall long treasure

pleasant recollections of their respect and
kindly feelings towards me as indicated by
their generosity in sharing their festivities
with me, which I always gladly accepted
because kindly meant.

Your reference to my relation to you as a
citizen is surely very flattering. If I have
been able to afford any little assistance to the
sick in strengthened circumstances, and I feel
that it was only my duty to do so, and I feel
doubly rewarded by your kind recollections.

While I feel bound to you by several years
of business relations and by many close
friendships formed, I can truly say that the
memory of the years passed with you will be
among the most cherished recollections of my
life.

In conclusion I desire to express my deep
sense of gratitude for the hospitality that I
have always received at the hands of the
mothers, brothers and sisters of my pupils
whilst making my usual visits.

Rest assured that I shall ever be glad to
hear of the continued success of the Albion
School and its pupils.

Thanking you again, gentlemen, for this
kind expression of your good wishes,
I remain as ever,
Yours very truly,
F. CHARLES LAVERS.

Albion, June 20th, 1888.

Roseneath Mills, Lot 52.

These excellent mills are situated on the
northern arm of the Brudenell River, about
four miles from Cardigan Bridge, and are
conveniently located to the adjoining settle-
ments of Roseneath, Brudenell, New Perth
Baldwin's Road, Pisiquid Road and Union
Road. They were originally built by Mr.
Edward Poole, Sr., many years ago, but
have lately passed into the hands of
Dugald Munn, Esq., who has expended
considerable time and money in making
them as perfect as possible. The grist mill
has been fitted with French Burr Stones,
improved Eureka Smutter, lately improved
Revolving Bolt, and other conveniences for
manufacturing wheat, oats, barley, buck-
wheat and flour grains into the best
quality of flour and meal. A new oat kiln
has been built on the most improved prin-
ciples, and customers patronizing this grist
mill all speak in the highest terms of the
satisfaction they receive. Mr. Artemas
Leard is the miller in charge. The saw
mills are fitted with one of Smallwood's
improved Rotary Mills, and the shingle
mill makes good work. The reasonable
prices charged by Mr. Munn insures him a
great amount of work in both these mills.

The cloth mills are fitted up with the best
machinery, the carding machine having
been clothed last year with new cards. Mr.
Munn's speciality of dyeing wool for mix-
ture at very low prices being highly ap-
preciated by the farmers who patronize him,
for in this way the cost of manufacturing
home made cloth and druggit is greatly re-
duced. The large trade done by Mr.
Munn causes quite a "hum" at the Rose-
neath Mills. A handsome and commodi-
ous new dwelling house has lately been
built by Mr. Munn near the mill, and is an
evidence that enterprise and industry are
not without their reward even in Prince
Edward Island.

The Manufacturers' Life and Acci- dent Insurance.

Mr. J. B. Paton, general agent, intends
spending the first week of July in Charlottetown.
The numerous parties applying for
local agencies on the Island, and parties desir-
ing either Life or Accident insurance on a
liberal basis and easy terms, will do well to
call on him at the Hotel Davies, or address
him there.

These companies, both Life and Accident,
have met with most unprecedented success
everywhere, taking the lead of all others from
Vancouver to Halifax.

In speaking of long credits, and of their
arising in the first place from the offers of
English houses with large resources, a con-
temporary says: "The system seems to
have forced itself upon Canada under stress
of competition." We are glad to see this
acknowledgment that excessive com-
petition is not necessarily beneficial.
Competition may bring cheapness, but
even cheapness, when it ruins home in-
dustries and when it reduces wages to the
"sweater's" rate, is far from being an un-
mixed-benefit.

ADVICE TO MOTHERS.—Mrs. Winslow's
Soothing Syrup should always be used when
children are cutting teeth. It relieves the
little sufferer at once; it produces natural
quiet sleep by relieving the child from pain;
and the little cherub awakes as "bright as a
button." It is very pleasant to taste. It
soothes the child, softens the gums, allays
pain, relieves wind, regulates the bowels, and
is the best known remedy for diarrhoea,
whether arising from teething or other
causes. Twenty-five cents a bottle. Be
sure and ask for Mrs. Winslow's Soothing
Syrup, and take no other kind. [April 1 '88
