—BRAGG'S STORE and Warehouse will be closed Good Friday, April 16th.

—COURT AT ALBERTON — At the Alberton court house yesterday before Town Magistrate Peter W. Pate four persons from Alberton South pleaded guilty to creating a disturbance in front of the Snack Bar Sunday evening and received fines of five dollars and costs each.

—ASSEMBLY HELD — Island congregations of Jehovah's witnesses, and representatives from the mainland held their semi-annual circuit assembly this past week-end in Summerside. All sessions were held at the Canadian Legion Hall, and consisted of Bible instruction and counsel which were open to the public. A Baptismal service was conducted Saturday afternoon by A. W. MacNamara, travelling representative of Jehovah's witnesses for Prince Edward Island. Delegates from the various parts of the Island were baptized, symbolizing their dedication to do the will of God. Climaxing the three-day assembly was the main public lecture Sunday afternoon by A. F. Danley. Despite unfavorable weather, many turned out to hear Mr. Danley's talk.

Personals

Mr. Hugh McArthur, Alberton, is visiting relatives in Portage.

Friends of Mrs. Henry Gallant, Fortune Cove, are sorry to know of her illness in the Western Hospital.

—The many friends of Mrs. Percy Delaney, of North Tryon, are pleased to learn she is progressing favorably after a recent operation in Prince County Hospital. S.

—Friends of Mrs. Alton Anderson of St. Eleanors will be pleased to hear that she is making a satisfactory recovery after undergoing an operation in the Prince County Hospital recently. S

—Mr. Raymond L. Henry, president Capitol Air Lines, New York City, is visiting at Emerald, the guest of Mr. and Mrs. Alfred J. Sinnott.

S'side Branch Red Cross Officers

—Mr. J. Frank Arnett, who was re-elected president of the Summerside Branch of the Canadian Red Cross Society is seen above with the other officers following their re-election at the annual meeting in the town hall at Summerside yesterday afternoon.

From left to right, seated, are Mrs. Frank Green, secretary; Miss Gladys Holman, vice-president; Mrs. W. F. Strong, treasurer; Mr. J Frank Arnett, president; standing, left to right, Mrs. D. F. McNeill and Mrs. R. L. Willet, executive members; Mrs. Victor Travers and Mrs. R. L. Noonan, co-chairmen of women's work.

In presenting her report on womens' work, Mrs. R. L. Noonan revealed that 2625 articles had been shipped from the Summerside Red Cross workroom in 1953, doubling the number sent the previous year.

This increase, she said, was due to disasters in Holland, England and Greece. The report said that a request came to the Summerside branch for hundreds of sheets and pillow cases.

She paid tribute to the assistance received during this emergency from willign workers at the airport under the direction of Mrs. G. C. Kenyon, and from women's institutions, church groups and individuals.

Assisting in time of need those closer to home, the branch held a rummage sale for the benefit of a family whose members were burned severely in a fire that destroyed their home.

Reporting on sick room supplies she said that 69 articles had been loaned from the sickroom loan cupboard during the year, and that this service was greatly appreciated by the public.

Reporting on the activities of the Junior Red Cross organization, Mrs. R. L. Willet said the 15,912 pupils in 623 branches were enrolled in Junior Red Cross in P. E. I. in 1953.

Collectively this group, through donations, calendar sales, and other fund raising ideas raised $1,369.69 for the handicapped children's fund, and $397.50 for the national service fund. Additional to this $850.93 was raised by the juniors for the children of India, Korea, Pakistan and Indonesia.

A display of international handwork, dolls, art and portfolios was shown in the Summerside High School auditorium during education week in March.

374 children received assistance through the handicapped children's fund. 36 weer hospitalized in local hospitals and 18 requiring specialist services were sent to the children's hospitals in Halifax, Montreal and Boston.

At four clinics held in Charlottetown and Summerside 158 children reported for examination or check-up.

During the year Miss Eleanor Haywood represented the students of Summerside High School at leadership training centre at Mount Allison University in July.

Mrs. D. F. McNeill, reporting for the Junior Red Cross group at St. Mary's Academy said that all students were enrolled in the Junior Red Cross. Several classes had sent donations to Charlottetown for the crippled children's fund.

Boxes of fruit had been sent to sick members in Prince County Hospital. Members in all classes collected tin foil and the proceeds were to be sent to England.

One of the students had won a prize in a contest in which posters were submitted in connection with the safety campaign.

Interesting reports by Miss Gladys Holman were heard on the annual meeting of the Provincial Red Cross held in Charlottetown; on first aid classes; and on the blood donor clinics. (Photo by Wotton).

Plans Completed For Alberton Dental Clinic

Within the past few days arrangements have been completed for a dental clinic to be held in Alberton. To date twenty-eight children have been enrolled from Alberton, Elmsdale, Montrose and Rosebank schools. Dr. Romcke and his assistant will begin work here on April 20th. Eight appointments will be scheduled for each day. Those for the first three days of the clinic have already been booked. Further appointments will be listed as the clinic progresses. It will continue until all Grade 1 pupils enrolled have received complete dental care.

Two changes have been made in the original plans. It has now been arranged that the clinic will be held in the public health rooms which are located above the Canadian Bank of Commerce.

Through this, and other changes, it has been possible to reduce the fee per child from three to two dollars.

In addition to the opportunity for Grade 1 pupils to receive required dental care there is also another point for parents to consider. It is expected that during the summer a dental hygienist will visit Alberton to give sodium fluoride treatments. This treatment, which is quite simple and painless, cuts down the risk of future tooth decay by about 40 per cent. There will be no charge for these treatments but it is necessary that children who are to receive it have all necessary fillings and extractions completed first because the fluoride has no effect on teeth already decaying.

This first dental clinic to be held in Alberton is being sponsored by the Women's Institutes of the area, under leadership of Mrs. Arthur Wilkie, chairman of Alberton Institute's committee.

PIONEER SCHOOL

The "Little School" of the Jesuits began teaching French and Indian children at Quebec in 1635

Closing and benediction—Rev. W. H. Forsythe

It is requested that those who do not remain for the entire service should leave during the singing which closes a section and that those who enter should do so during the singing which opens a section.

Special Service For Alberton

On Good Friday a three-hour devotional service will be held in Alberton United Church, sponsored by the Men's Association of the pastoral charge. While such services are held regularly in many city churches, this is the first one to be held in Alberton. The service will be an interdenominational one to which everyone is welcome.

The service will be divided into seven sections, each based on one of the seven words from the cross. Those who do not wish to remain for the entire service may attend one or more sections. It is requested that those who wish to leave the church should do so during the singing of the hymn which will close each session, and that those entering during the service should do so during the singing which opens a section. During the first four sections the praise will be led by Alberton's Men's Choir and during the last three sections it will be led by O'Leary Men's Choir. Besides hymns appropriate to the day there will be special selections by representatives of the various churches.

Taking part in the service, which will commence at 1 p.m., will be Rev. A. R. Wallis of Alberton United Church, Rev. George Killen of Alberton Presbyterian Church, Rev. J. R. McMahon of St. Peter's Anglican Church, Rev. A. M. Staples of Greenmount Church of Christ, Rev. C. O. Howlett of Knutsford Baptist Church, Rev. J. M .Sheen of Elmsdale United Church, Rev. Robert Wagner of O'Leary United Church, and Rev. W. H. Forsythe of Springfield West United Church. It is regretted that Rev. W .C. Wilcox of Elmsdale Church of the Nazarene will be unavoidably absent from home on that day but members of his congregation will join in the worship.

Full announcement of plans for the service appear elsewhere in this paper.

Film Council Annual Meeting

—Mr. Alyre Arsenault, Central Street, was elected president of the Summerside Film Council at the annual meeting held in the Summerside High School library on Monday evening. Mr. Arthur Corney was elected as vice president and Mr. B. J. Beck, re-elected as secretary treasurer.

The retiring president, Clarence Mercer, presided and gave a resume of the work done by the Film Council during the past year He stated that the films which are kept at the library are used extensively by the school for educational purposes and this factor alone would be ample jutification for the existance of the council in Summerside. Mr. Mercer paid tribute to the work done in the interest of the council by Mr. Beck, the secretary, and stated that it was due to his untiring efforts that the council had made the progress it had.

The secretary submitted the financial report for the past year which showed that all bills have been paid.

It was indicated by the representatives of the various organizations present that all would be members again the coming year.

The matter of the purchase of a new projector by the council was up for discussion and it was decided that quotations on the various makes of machines would be obtained and the best possible one purchased with the funds available.

Mr. John Martin of the P. E. I. branch of the National Film Board was present and said that he was much pleased with the progress made by the local unit and indicated that he would continue to help it in any way possible in the future.

The next meeting of the council will be on May 10th. —S

S'side Citizens See Visiting Jet

About 11 a.m. yesterday an R. C. A. F. CF-100 all-weather jet aircraft was seen in flight at close range when it made two low passes over Summerside.

Piloted by Wing Commander R. J. Lawlor, officer commanding 423 Squadron, St. Hubert, P.Q., with Flight Lieutenant D. L. Francis as navigator, the jet, although visible for only a brief period, attracted the attention of hundreds of people who were waiting and watching for its previously announced flight over Summerside.

The CF-100 jet is the pride of the Royal Canadian Air Force, and its role is primarily to act as front line interceptors day or night in any weather in the event of an enemy air attack on this country.—S.
