

THE DAILY EXAMINER.

JUNE 25, 1888.

Editorial Notes.

It is pleasing to note that all the water works construction contracts are now being carried on satisfactorily and rapidly.

The award of the arbitrators in the case of Smith vs. the Water Commissioners, is subject to revision by the Court of Chancery.

Major Tilton, deputy minister of fisheries, stated a few days ago that no extension of time for lobster fishing had been made.

The Montreal Gazette's Liverpool, (G. B.) correspondent reports hopefully concerning the cattle trade and says: "It is to be hoped that with more moderate and better timed arrivals, the run of business will be better for the next few weeks."

It is pleasing to see that a large proportion of the young trees planted in this city, in recent years, are growing and thriving.

Bishop Courtney.

AT ST. PAUL'S CHURCH—SERMON BY REV. DR. HOLE—ORDINATION OF REV. W. A. FROST.

The Bishop was at St. Paul's Church in the forenoon of yesterday. Service began at 10 o'clock instead of 11, as usual.

Take thou Authority to execute the office of a deacon in the Church of God committed unto thee in the name of the Father and of the Son and of the Holy Ghost—Amen.

It is reported that His Lordship has confirmed more than three hundred persons since he has been upon the Island.

In begging your acceptance of this small present, as a token of our affection and esteem for you, we, the undersigned boys of St. Peter's School, beg to assure you of our extreme regret at your approaching separation from us.

We sincerely hope and pray that your going from us will be for the increase of your own welfare and prosperity.

Again expressing our deep regret at your early departure from this place, we beg to subscribe ourselves,

Yours affectionately, ERNEST A. EARLE. GEORGE I. FOSTER. W. J. STAIR. F. E. MORRIS. F. E. SMITH. On behalf of the School.

Personal.

Mr. Frank Hayden, accompanied by Mrs. A. H. B. Macgowan and family left on return to North Bay, Ont., this morning.

We regret to learn that Rev. W. R. Frame's illness has taken a turn for the worse and that his recovery is very doubtful.

The King of Spain, it would seem, is no more master of Spanish etiquette than any other youngster of two years.

The Globe says:—"It is hinted by a visitor from Fredericton, N. B., that Mr. J. T. Hawke, of the Moncton Transcript, will be the victim of a civil action for damages for libel as soon as he has served out his two months' imprisonment for contempt of court."

Mr. A. Anderson, (son of Professor Anderson, of Prince of Wales College) is now the engineer in charge of the Thomson-Houston Co.'s establishment, at Lynn, Mass.

LETTERS TO THE EDITOR.

Exhibition Notes.

Sir,—In reply to your St. John, N. B., correspondent, J. H. Smith, in reference to the clashing of dates on which the P. E. Island Provincial Exhibition and the St. John, N. B., County Exhibition take place next autumn, I may inform Mr. Smith that for several years past our Provincial Exhibitions have been held on the first week in October, and that at the meeting of the Board of Commissioners, held on the 19th inst., at which thirty-six members of the Board were present, it was decided upon that the usual time would be the most conducive to the general interests of exhibitors.

It is to be regretted that the publication "some six weeks ago," of the date on which the St. John County "Fair" is to be held was not made known to our Board before now.

The Secretary of the Provincial Exhibition of Nova Scotia communicated with our Board some weeks ago, and in order not to clash with our dates, the Provincial Exhibition, 1888, of that Province takes place at Truro on the last week in September, so as to enable visitors from both Provinces to attend both Exhibitions.

However much our Board would desire the attendance of Mr. Smith at our Exhibition on Wednesday and Thursday, the 3rd and 4th of October next, it is impossible to suppose that now, the above dates having been fixed, that his suggestion to change the time can be carried into effect.

It is hoped, however, that horse buyers, as well as others from our sister Provinces, will not deprive themselves of attending our Provincial Exhibition because of the St. John County Agricultural Society having their County Exhibition on the same date.

Yours truly, A. MCNEILL, Secretary P. E. I. Prov. Exhibition. Ch'town, June 23, 1888.

Reply to "Punch."

Sir,—The editor of the Summerside Journal, alias "Punch" (or Punch-on), utilized his visit to the city last week in seeking a grievance, and happily found a small-sized article, and airs himself on Saturday last in your correspondence column.

His remarks anent the Intercolonial Express Company do not form any text for a long reply; suffice it to say that "the gentleman" in question cannot be claimed either from or of Charlottetown—he being a member of the Wizard Oil Co., (whose modus operandi the Journal has severely denounced). A parcel was sent C. O. D. from Summerside to Woodstock, and without instructions to the contrary the proceeds were returned to the shipping office—a proper course, you will admit.

Had I even received a hint (not a request, as "Punch" says) I would have had the package transferred to the Charlottetown office.

I assure "Punch" and all such croakers that "red tape" is unknown in our management, yet we would prefer if they would seek information at the proper place, and not in an unmanly way hide themselves behind incoherent anonymous correspondence.

Yours truly, THEO. L. CHAPPELLE, Agent Intercolonial Express Co. Ch'town, June 25, 1888.

Music at St. Paul's.

Sir,—Mr. Earle's latest production abounds in words, but not in argument, and as personalities are not arguments, I must decline to follow him; but in order to gratify him, I beg to say that I adhere to every word contained in "Beaver's" letter.

Yours &c., HORACE HASZARD.

Information Wanted.

Sir,—From your last issue, it appears that the arbitrators in the chancery suit of Smith vs. the Water Commissioners, have awarded the plaintiff \$275 damages, or more than five times the amount offered by the Commissioners, and agreed to be accepted by the plaintiff before proceedings were taken.

Yours, A SUFFERING TAXPAYER.

Weather Bulletin.

TORONTO, June 23—10 a. m. Moderate to fresh winds; mostly cloudy and showery weather.

Challenge Accepted!

To Mr. Benj. Dockendorff, North River.

As you have officiously chosen to take up the cudgels for your friend, Mr. Fitzsimmons, who, as usual, backs down, we will endeavor to accommodate you also. We will match

Hernando Against Black Pilot,

as you request, for \$200 a side, and our forfeit money is in the hands of Mr. John Sharp, Summerside. As you have in a manner accepted a challenge directed at another, you will see that it is your place to cover our money, not our place to go to you. We accept your word, in good faith, and we believe you, unlike Mr. Fitzsimmons, mean business and want a fair match. That being so, we shall have no trouble in agreeing. But you not only issued a challenge open for TEN DAYS, when you knew the owner of Hernando could not possibly see the challenge before the expiration of that time, but you asked us to go to your own door to trot. In order to make the matter wholly fair, we will agree to "decide by lots" whether you come to Summerside or we go to Charlottetown. If, in casting lots, it is decided that the race shall be over the Summerside track, we will allow you a reasonable sum for expense; if we have to go to Charlottetown you to allow us expenses. If you are a sportsman, you will understand that to be entirely fair.

The horsemen of Prince Edward Island are anxious to see the two fastest stallions in the Maritime Provinces meet, and if you are as willing to gratify their wish as we are, a match is pretty certain. We only want fair terms, fair conditions, and fair play in a friendly match, and may the best horse win.

We will arrange details with you at any time you are ready to meet Hernando's representative.

W. A. NOONAN.
