ONE MILLION YOUTH PARADE IN RED RALLY IN BERLIN

Hopes Brighten For Success In Cease-Fire Talks

French Cabinet Minister Is Shot To Death In Quarrel Over Divorce

ORLEANS, France, Aug. 12—(AP)—A promising young French politician who only 24 hours earlier won a post in the new French cabinet was shot to death by his pretty brunette wife today after he told her he wanted a divorce.

He was Pierre Chevallier, 42, who was named secretary of state for technical education, youth and sports in the cabinet of Premier Rene Pleven. Police said his wife, Yvonne, confessed to firing five shots from a revolver that killed him.

Chevallier was Mayor of war-devastated Orleans and a hero of the French Resistance Movement during the Second World War. In private life he was a physician. She was a former midwife.

Chevallier was a close co-worker of Premier Pleven.

Friends said the couple had been on bad terms, and that she rarely accompanied him on his frequent trips to Paris made necessary because he was a deputy in the National Assembly.

Police said a few days ago Mrs. Chevallier bought a small revolver and asked for permission to carry it on the grounds her husband had dangerous political enemies.

Early this morning he left Paris in an official ministry car. At 9 a.m. the car pulled up outside his home here. He told the chauffeur to wait while he went inside to change his clothes. A quarrel ensued. Chevallier told his wife she wanted a divorce. She drew the revolver and fired five times. Two bullets struck him in the head and three in the chest.

Mrs. Chevallier met police at the door and said: "I have just killed my husband."

Stephen T. Early Dies Suddenly

WASHINGTON, Aug. 12—(AP)—Stephen T. Early, who served as press secretary to Franklin D. Roosevelt all the 12 years of the new deal, died Saturday of a heart attack at the age of 61.

President Truman, in a statement, said Early gave the best years of his life to the public service.

In recent years Early had been vice-president of the Pullman Standard Car Manufacturing Company.

In the days before the First World War, Early was one of the Associated Press men who covered the state-war-navy beat.

It was then that Early became acquainted with Roosevelt, who was assistant secretary of the navy.

In the First World War, Early became machine gunner and was a captain when the war ended.

Later, after he had rejoined the Associated Press Early scored a notable feat on the death of President Harding at San Francisco.

He went to the White House in 1933 and it fell to him to announce the bank closings of the early Roosevelt days. Various big deal projects, the attack on Pearl Harbor, Winston Churchill's visit to America in 1941 and Roosevelt's death. He stayed on for a while at President Truman's request, to smooth the way for Truman.

Reds Slightly More Agreeable In Sunday Talks

By Don Huth

MUNSAN, Korea, Aug. 12—(Monday)—(AP)—The Communist delegation appeared slightly more conciliatory on the buffer zone issue Sunday, raising some prospect that an eventual Korean armistice can be reached in talks with the United Nations delegation.

The conferences will be resumed at 11 a.m. (9 P.M. EDT Sunday) in Kaesong.

The meetings had teetered for three days on the brink of collapse until Sunday's session. Then North Korean Lt.-Gen. Nam Il, senior Red delegate, acceded to a formal United Nations request for a map.

The 30-by-48 inch was closely studied at U. N. advance headquarters Sunday night. For the first time the Reds had put on paper their concept of:

1. The present battle lines.
2. The 38th parallel which the Reds insist be the buffer demarcation line.
3. The U. N. command's "original and generalized" proposal for a demilitarized zone.

The Allies have called for a demilitarized zone along a defensible line approximating the present fighting front. It is south of parallel 38 in the west and well north of the parallel in the centre and east.

Responsible sources said they believed that, while the Reds were still vitally interested in drawing a demarcation line along the 38th parallel, they were even more interested in obtaining an armistice.

For this reason it was believed the Reds might retreat from their original stand toward a compromise.

Train With 500 Aboard Wrecked, No One Killed

FOUR OAKS, N. C., Aug. 12—(AP)—A fast Miami-to-New York streamlined train carrying more than 500 passengers was wrecked today with three cars flying down a 20-foot embankment. But nobody was killed.

"The most miraculous thing I've ever seen," said Dr. Watson Wharton, "the steel cars saved the passengers."

Nine persons were taken to hospital and scores were treated for cuts and bruises, but many of the 25 ambulances which converged on the scene went away empty.

The 18-car train, the Atlantic Coast Line's East Coast Champion, was passing two miles north of here when nine middle cars derailed in a rain-soaked fill area.

The dimer swung cross-wise on the double track and came to rest almost standing on its nose with one end buried in mud at the bottom of the bank and the other end in the air.

At the bottom of the bank, rescue workers found one car upside down, another on its side and one upright. The other cars stayed on the right of way, although one turned over.

Four Oaks is about 30 miles southeast of Raleigh, the state capital.

C. G. Sibley, A.C.L. assistant vice-president for operations, said the engineer saw nothing wrong with the fill when approaching it. Another passenger train passed safely over it an hour ahead of the streamliner.

Sibley said the wrecked train was travelling 45 to 50 miles an hour.

Huge Turnout Recalls Former Hitler Parades

By Thomas A. Reedy

BERLIN, Aug. 12—(AP)—More than 1,000,000 blue-shirted girls and boys, chanting loyally to Stalin and hate for the West, staged a giant parade in East Berlin today in a propaganda show that outdid Hitler's biggest spectacles.

The high point of the 14-day Communist World Youth Peace Festival came to an end after nine hours to steady marching past the reviewing stand.

No Violence

Western precautions against violent incidents were unnecessary. Not a stone was thrown in anger all day.

Tonight in a windup of oratory, Walter Ulbricht, East Germany's spade-bearded "Little Stalin," threatened sabotage, strikes and "ultimate ruin" if Western Germany rears for western defence.

"Let the imperialist West German regime learn from the past," shouted the little Communist deputy premier from Saxony. "Let them learn from Hitler's disaster and also from the Korean war."

He called on Communist youth of West Germany to sabotage Western defence by acting "all manner of strikes."

The Russian-controlled East German news agency said 2,000,000 youths participated in the giant demonstration — 1,500,000 who marched in the parade and 500,000 who acted as the cheering section. Western observers thought the figures were somewhat exaggerated.

High German Communists and their Soviet guests had seats of honor for the review.

Din Of Shouting

The marchers and cheering sections kept up a steady din, shouting "Long live Stalin," "Aml (Americans), go home," and "Aml, get out of Korea."

Coming in seemingly endless waves, many abreast, the paraders held floats, banners and caricatures lambasting President Truman, Gen. Dwight D. Eisenhower and the West German leaders, Chancellor Konrad Adenauer and Socialist Kurt Schumacher.

Several floats made capital of British use of Heligoland Island as a practice bombing target, and thousands shouted "Heligoland" just as Nazis once shouted "Danzig" when Hitler was plotting his war against Poland.

Some 20,000 pigeons, "doves of peace," were released amid wild

New Rates And Schedules For Maritime Electric Co. Ordered By Utilities Board

New schedules, regulations and rates of charges for electric power and energy supplied by the Maritime Electric Company, Ltd. throughout Prince Edward Island have been ordered by the Provincial Board of Public Utilities and became effective as from August 1st with the exception of the general service rate for summer accommodations. The latter service rate will remain unchanged until the end of 1951.

Reasons for the general rates revision affecting both urban and rural communities are given in the Commission judgment, which is published in full below.

Released to the press on Saturday, the judgment is dated July 30 last and is signed by Commissioners C. St. Clair Trainor, chairman, L. B. MacMillan, secretary, and W. R. Brennan, member.

The new rate schedules follow:

For Charlottetown Area

This Area is described as follows: Bounded by a line following the shore of the Hillsboro River and North River and North Creek, so called, from Falconwood Hospital on the east to a line in continuation of the north side of a road immediately south of the Queen's Arms leading from the Lower Malpeque Road to the Malpeque Road, thence eastwardly by a

New Oil Talks Receive Setback

TEHRAN, Iran, Aug. 12—(AP)—British-Iranian oil talks got a setback today.

The negotiators cancelled a session at which Britain had planned to submit a new proposal for settlement of the dispute over nationalization of the rich Anglo-Iranian Oil Company, more than half owned by the British Government.

A source close to the negotiations said the meeting was called off because Iranian officials had expressed privately their coolness to the proposals prepared, but not yet submitted officially, by Lord Privy Seal Richard Stokes.

MODERN MAGAZINE

The modern magazine dates from the year 1731 when "Gentleman's Magazine" was published.

HALIFAX, Aug. 12—(CP)—Official forecasts issued by the Dominion Public Weather Office and valid until midnight Monday.

Synopsis — Skies are cloudy in most sections and there is fog along the Atlantic coast. A band of showers in New England is moving towards the Maritimes, and is expected to be centred over the southern regions tomorrow. Indications point to improving weather on Tuesday.

Forecast:

Prince Edward Island — Cloudy. Fog patches during the night. Widely scattered showers on Monday. Not much change in temperature. Light winds. Low early Monday morning and high in the afternoon at Charlottetown 62 and 76.

High tide today at 5:17 A. M. and 8:00 P. M.
Sun rises at 5:11 A. M. and sets at 7:24 P. M.

Twin Boys Born In Automobile

NAPLES, Me., Aug. 12—(AP)—Twin boys were born in an automobile here early Saturday as the expectant father frantically rang a physician's doorbell and the mother blew the car horn.

The parents are Rev. and Mrs. Albert C. Niles of Auburn. They were en route to hospital in Lewiston when the boys arrived.

Before Dr. John M. Blischoffberger of Naples could get dressed, the twins were born.

Coming Events

- *Dance Alberry Plains Hall, Aug. 14. Refreshments.
- *Dance, Lot 65 hall Tuesday night, Burns' Orchestra.
- *Dance, St. Peter's Legion Hall every Monday night from 9:30—11. Webster's Orchestra. Admission 50c.
- *Come in and talk over our Furina Finance plan for your hogs and poultry. Dillon & Spillett.
- *Reserve Thursday, August 23rd, Ham Supper in Annandale Hall.
- *Dance at Winsloe Station Hall tonight. Music by George Chappell and his Merry Islanders.
- *Our store will be closed all day Wednesday, Home Week. R. L. Dickieson, Home Glasgow.
- *Come to the Regular Dance at Bonshaw every Tuesday night. MacNeill's Orchestra.
- *Dance in Donagh School Monday night, August 13th. Burke's Orchestra. Luncheon.
- *Buying good feed bags daily. We pay the freight. Russell Driscoll, Mt. Herbert.
- *Notice—Buying live poultry every Monday. Highest prices. G. W. Green, Emerald.
- *Buying live poultry every Tuesday, 8 until 12 o'clock. R. L. Dickieson, New Glasgow.
- *For Snapshots that will not fade and your Films and Negatives to Garnham Photo Studios, Charlottetown.
- *Our stores will be closed every evening except Saturday during Old Home Week. Parker Canfield, Brent Wood.
- *Ice Cream Social on South Freeborn School Grounds, Monday evening, August 13th. Ice Cream, Cake, Hot Dogs and Soft Drinks.
- *Farmers, ask about the Shurr Gain Feed Finance Plan. For particulars contact your local feed mill.

Mass Arrests Of Priests In Peiping Disclosed

By STANLEY RICH

HONG KONG, Aug. 12—(AP)—Communist police jailed 12 Roman Catholic priests closed 12 of Peiping's 17 parish centres and put all the rest of the city's 80 foreign missionaries under house arrest in simultaneous raids July 25, Church sources reported today.

Describing this as "the most frontal attack yet" made against the Church in China, the sources predicted similar action against Catholics and other Christians throughout Red China.

The Reds have been conducting a campaign for an "Independent" Catholic church, having no connection with the Vatican.

The new direct drive apparently is intended to force the people to accept this Red "church" or none.

The formalization of the latest arrests came from Catholics arriving in this British colony from Peiping. These sources said those arrested in Peiping July 25 included Father Harold Rigney, former rector of the Catholic Fuijen University and the only American missionary still in Peiping.

Others reported seized included Father Joseph Miners, a German professor at Fuijen University; another unidentified professor; the German bishop Constant Kramer; of Luanfu diocese; the Belgian Father Van Voil, head of the Le-

Massions Of Priests In North China; A Frenchman, and 13 other Germans.

Bitter Attack

MOSCOW, Aug. 12—(AP)—Pravda, leading Soviet newspaper, today made the most bitter attack yet on American missionaries in China, particularly Roman Catholics.

The Communist paper said the missionaries in China had three purposes: "to kill off as many Chinese as possible, inspire Chinese pupils with a hatred of everything Chinese and engage in widespread espionage against the Chinese people."

The article claimed that in one Roman Catholic orphanage in Uchan, 37,000 children were taken in during the 23 years since its founding and only 126 survived.

SEEKING BAKERS

MONTREAL, Aug. 11—(CP)—Jack Sullivan, who runs Australia's largest chain of bakeries, said he is in Canada to find "about 50 bakers, mechanics and engineers" to take back to Australia. He said that in Australia there is a state of full employment that he can't hire anyone for the expansions he has planned.

Interest Rate Boosted On New Savings Bonds

OTTAWA, Aug. 12—(CP)—The Government announced tonight that the interest rate on its fall issue of Canada Savings Bonds is being increased to 3 1/2 per cent.

In the five previous issues of savings bonds, the interest rate has been 2 3/4 per cent.

The announcement also said the limit on individual holdings is being boosted to \$5,000. The limit was \$2,000 for the first issue, following the Second World War, and \$1,000 for subsequent issues.

Both moves obviously were aimed at encouraging personal savings as part of the government's anti-inflationary program.

However, it was not immediately clear what effect the higher interest rate would have on other, and particularly non-governmental, securities.

One economist said the fact there was a limit on the amount of bonds an individual might buy erased any possibility that the move might have widespread im-

plications.

The bonds, the sixth of the series, will go on sale Oct. 15. They will be dated Nov. 1, 1951, and will mature 10 years and nine months from date of issue. Previous issues have matured in 10 years, with a straight interest rate of 2 3/4 per cent a year.

The new issue will carry 10 interest coupons of 3 1/2 per cent. The first coupon will be payable Aug. 1, 1953.

If the new bond is cashed before the first coupon becomes due, interest will be paid at the rate of two per cent a year calculated to the last full month. After Aug. 1, 1953, interest will be paid at the coupon rate of 3 1/2 per cent a year for each full month which has elapsed since that date.

The Finance Department, announcing the changes, said Finance Minister Abbott could be quoted as saying the new features "make the new bond the most attractive security of its kind ever offered."

Premier Jones To Open Big Fair This Evening

It's Fair time in Charlottetown and the big show swings into high gear tonight. Premier J. Walter Jones, B.S.C.A., M.A., D.C.L., will officially declare Old Home Week opened when he takes his place on the platform facing the grandstand. With him, and also speaking briefly, will be His Honor Lieutenant Governor T. W. L. Prowse, His Worship Mayor B. Earle MacDonald and Hon. C. C. Baker, Minister of Agriculture.

The opening function will start promptly at 7.30.

For the past several days the Exhibition grounds have been a beehive of activity as countless numbers of entries arrived to be placed in their quarters. The livestock exhibit this year will not only be the heaviest on record, but it is believed it will also be one of the best ever seen here.

Highlighting the opening tonight will be the four classes of harness horse racing which will attract thousands of people who love the thrill of watching the sulkeys swinging around the turn and into the stretch in stirring battles to the wire. There are over 200 entries for the 30 events listed. The biggest entry list of the entire card is in the 2:10-2:20 Pace which drew 52 horses and as a result had to be divided and race in five divisions. The opening dash tonight will start at 8.30.

Hundreds of people visited the grounds and the cattle and horse barns yesterday as the traditional pre-Exhibition Sunday was observed by those who like to 'look them over' in advance. At a late hour last night people were still wandering around looking at the cattle which will take part in the show. Entries were streaming in to pack the barns and pens.

The barns themselves are attracting almost as much interest as the exhibits they house. There are many up-to-the-minute new ones erected this year and those in use in past years have been renovated and made spottless.

Fine Accommodation

It is interesting and pleasant to drive or walk along the roads between the barns. Gone is the heavy dust of other years. A new seal-coated asphalt road, the "Kennedy Highway", has been built along the way to the barns, and the roads between the barns have also been treated to eliminate the dust nuisance. The new highway starts in back of the

Group En Route To Rifle Shoot In Accident

QUEBEC, Aug. 12—(CP)—Three men and a nurse from Nova Scotia were injured Saturday when their automobile left the main highway at Riviere Ouelle, on the St. Lawrence south shore, and smashed into a tree.

Hazel Mullen, Halifax nurse, is in serious condition in hospital suffering from head and leg injuries. She is still in a semi-conscious condition tonight.

Carl Desmond Jarvis and Donald Mackay, both of Dartmouth, and Pte. Donald H. Arburg of Kentville, are in "fair" condition. Their injuries were said to be superficial.

Provincial Police at Riviere Ouelle, 79 miles east of Quebec, said some in the group were travelling for next week's 83rd annual Dominion of Canada Rifle Association prize meet.

The accident occurred when the car missed a curve.

18 Injured By Starting Gate

TIMMINS, Ont., Aug. 12—(CP)—Eighteen persons were injured, two of them seriously, when they were struck by a wing of a mobile harness horse starting gate at the Timmins race track Saturday night.

Most of the injured suffered minor head injuries when the wing, carried on the back of a half-ton truck, dragged along the top of a fence erected high before the crowd. The 18 were knocked over when the truck came too close to the fence.

Eddy Proulx, 11, and Rene Mongeon, both of Timmins, suffered serious head injuries.

The second heat of a see-for-all race was being started when the wing projected into a crowd of about 200 persons lining the rail. Children held up on the railing by parents were among those struck.

Starter C. A. Remus of Timmins was riding on the back of the truck but was unable to close the wings of the mobile gate.

LIVERPOOL, N. S., Aug. 12—(CP)—The wooden coastal vessel O.K. Service rammed aground last night at Port Mouton Head in dense fog but her crew of seven clambered to safety.

The 140-ton vessel was termed a total loss today by her skipper, Capt. Seth Himmelman of LaHave, N. S. The O.K. Service was built at Shelburne, N. S. in 1926 and is one of the four-ship fleet owned by Himmelman Supply Company, LaHave.

Light Rain Breaks Drought In B. C.

VANCOUVER, Aug. 12—(CP)—LIGHT RAIN

It rained on the British Columbia lower mainland today—the first time in 58 days.

A shower at 3:30 a. m. officially ended the record dry spell, the first measurable rainfall since June 13. Had it come an hour later it would have been into the 59th day.

Later in the day, some sections had rain for an hour, but not where it was sufficient for parched farmlands and fire-stricken forests.

"A rain rally" was held in a downtown auditorium during the afternoon as bright sunshine flooded the city, and in many churches prayers for rain were heard at morning services.

Plan Special Federal Budget At Fall Session

OTTAWA, Aug. 12—(CP)—A Federal budget, Canada's second of the current fiscal year, will be brought down by Finance Minister Abbott in the fall session of Parliament.

Government sources say it will be a special budget, as opposed to the government's regular annual financial accounting, in the same sense as the "baby" budget introduced at the special session last September.

That budget was required because of the outbreak of the Korean war and the stepped-up tempo of Canada's defence preparations.

This one will be necessitated by the arrangements for financing the universal 940-a-month old-age pensions which go into effect Jan. 1 next for Canadians of 70 and over.

The government hasn't yet said how it plans to finance the pension, which will add \$230,000,000 a year to Federal expenditures. The Finance Department still is studying the problem and is expected to recommend weekly or monthly de-

80,000 Attend Soapbox Derby

AKRON, O., Aug. 12—(AP)—Fifteen-year-old Darwin Cooper, representing Williamsport, Pa., today won the 14th running of the all-American soapbox derby course at Derby Downs before an 80,000-crowd.

He bested 140 competitors from the United States, Canada, Alaska and the U.S. occupation zone of Germany. His prize is a \$5,000 college scholarship at the school of his choice.

Second place, with a prize of a new automobile, went to Raymond Wilbur, 12, of Gary, Ind.

Wilbur Shaw, 48, Indianapolis official who was to have served as referee for today's races, suffered a heart attack and was taken to hospital in a serious condition.

Shaw ran on the 975-foot-long racing strip to board an automobile for the pre-race parade, and collapsed.

News In Brief

BUENOS AIRES, Aug. 12—(AP)—Police arrested more political and railroad leaders Saturday in a crackdown on opponents of the Peron Government.

STOCKHOLM, Aug. 12—(Reuters)—Sweden refused a request from Communist Poland to hold in jail 12 Polish navy men who locked their officers below deck and jumped ship last week. They asked Swedish authorities for political asylum from the Communists.

FALMOUTH, England, Aug. 12 (Reuters)—A floating dock big enough to handle the battleship arrived here from Bermuda Saturday after two months at sea. Three naval tugs have been towing it.

SAYS LIVING INDEX WILL REACH 200

TORONTO, Aug. 12—(CP)—M. J. Coldwell, C.C.F. national leader, predicted Saturday that Canada's cost-of-living index will reach 200 by the end of this year unless the government moves at once to impose direct price controls on essential foods and commodities. "The index now is at an all-time high of 187."
