Exhibition Ball Games Scheduled To Begin Saturday

NEW YORK, (AP) — They'll still call it the "Grapefruit League" when the major league baseball clubs start playing their pre-season exhibition games Saturday.

But in the course of setting up what probably is the most ambitious exhibition program ever attempted, the grapefruit has acquired the diverse flavors of cactus, sugar cane, and even a bit of rhubarb.

Pittsburgh Pirates, training in the land of sugar and rum, will meet the Cuban all-stars in Havana and St. Louis Browns' B team is listed to play a visiting team of Japanese stars at Santa Maria, Calif.

Quebec Shoots Into Lead For Canadian Curling Ch'ship

By CRAIG ARMSTRONG
(Canadian Press Staff Writer)

SUDBURY, Ont., (CP) — Quebec, moving along a record-breaking clip, shot into the lead Thursday night in the Canadian curling championships as the country's premier bonspiel headed for the stretch run.

Quebec replaced Manitoba as the pace-setting rink after nine rounds that gave them a record of seven wins and one defeat. Manitoba has won the same number but has dropped two games.

The Quebec rink from Montreal St. George swept into the lead by winning seven straight games after dropping its first match to British Columb'a. Its number of wins is a record for a Quebec rink in the classic. The best any previous Quebec rink has done is to win five games.

Quebec racked up three victories Thursday. In the morning, Quebec defeated Manitoba, the first loss Ab Gowanlock's Dauphin four had suffered. Both teams won their afternoon game but Thursday night while Quebec downed New Brunswick 14-6. Manitoba bowed 14-9 before Northern Ontario.

In other ninth-round games Saskatchewan defeated British Columbia 18-11, Nova Scotia trounced Newfoundland 20-8 and Ontario won 18-11 from Prince Edward Island.

After the first few ends Quebec had clear sailing. Every member of Kenny Weldon's rink curled well and Weldon placed tremendous draw shots to carry his rink to the important win.

Grosse Case Hotly Protested

The Glace Bay Miners, Sydney Millionaires and Halifax Atlantics are bitterly protesting, the Ted Powers-Erwin Grosse case and are seeking a reconsideration of the matter by the C. A. H. A.

Representatives of the teams have been in touch with George Dudley, Secretary-Manager of the C. A. H. A. asking for a report on the eligibility of Grosse.

The opposing clubs maintain that the recall deadline was February 25 and that the Islanders could not bring in anyone after that time.

The Glace Bay Miners also point out that Grosse was a member of the Q. S. H. L. which has been outlawed with the Q. A. H. A. and that he is ineligible to play under C.A.-H.A. rules.

Also having a bearing on the matter is the suspension of Ted Powers, who played three games with the local club after the February 14 deadline.

Whether or not Gross will play tonight is unknown.

First Game For Maritime Hoop Title Here Monday

The first game of the finals for the Maritime Intercollegiate basketball championship between Saint Dunstan's University and St. Francis Xavier University will be played here next Monday night. The second game of the total point series will be played at Antigonish at a later date.

Arrangements were made yesterday for the opening game to be played here on Saturday night but those plans collapsed when the Xaverians learned they could not make the proper plane connections.

Had they played here Saturday the visiting Collegians would have been unable to return home until Monday as there is no flight to New Glasgow on Sunday. By playing on Monday the boys can return home on Tuesday.

This series will bring together the two most highly rated basketball teams in the Maritimes. The Xaverians have long been a powerhouse in Maritime hoop circles and this week they defeated the Sydney Y.M.C.A. team in their bid toward the Maritime intermediate basketball championship.

The Saints have run roughshod over all competition this year, winning the N. B. - P. E. I. League without any trouble and the Island Senior League just as easily.

Saint Dunstan's have won Maritime championships in all other fields of endeavour except basketball. They have won in hockey, football and debating and their followers think the time has come for them to round out the circle with a win in basketball.
