Valuable Property at Cascumpec for Sale.

FOR SALE, and possession given immediately, the subscriber's interest in that valuable Business Stand in Cascumpec Harbour, in the immediate neighbourhood of the public wharf. This property is one of the best situations in Prince Edward Island for a general business. The waters in the neighbourhood teem with abundance of every description of fish, which renders it a desirable stand for the prosecution of that valuable branch of trade,—whilst the harbour is the rendezvous of the whole American and Colonial fishing fleet (to the number of 800 sail), the outfitting of which could be made a most important item; and the country in the vicinity is fast rising into importance in an agricultural point of view, rendering the property every day of increasing value. The embarrassed circumstances of the subscriber is the cause which renders the sale of this property necessary. Misfortune in trade in 1854, which he has been unable to retrieve, has prevented him prosecuting that business for which the situation is adapted, and which the resources of the country warrant in undertaking. For terms and particulars apply on the premises to

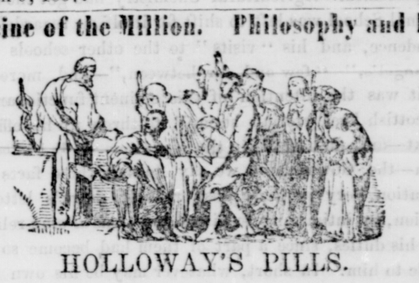
Medicine of the Million. Philosophy and Fact.



HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secrets this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

USED THROUGHOUT THE WORLD.

Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS.

Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time.

GENERAL WEAKNESS.—NERVOUS COMPLAINTS.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	toms
Asthma	Erysipelas	Lumbago	Tic-Douloureux
Bili's Complaints	Female Irregularities	Piles	Tumours
Blotches on Skin	Fevers, all kinds	Rheumatism	Ulcers
Bowl complaints	Fits	Retention of Urine	Venereated Affections
Colics	Gout	Scrofula, or King's Evil	Worms, all kinds
Constipation of the Bowels	Head-ache	Sore Throats	Weakness, from whatever cause
Consumption	Indigestion	Stone and Gravel	&c., &c.
Debility	Inflammation	Secondary Symp-	
Dropsy	Jaundice
