"Someday Bill Will Thank You..." So said the Sun Life Agent when he delivered my son Bill's Junior Adjustable policy - but he didn't have to tell me that. I know what a help it would have been to me if, when I was twenty-one, I had been given a life assurance policy that could be continued as Whole Life, Life Paid-up at 60, or Endowment at the same age, for as much as five times the original amount without increasing the premium. Especially when that premium was based on rates for a child, I didn't have this great advantage, but I'm making sure my son has it. How about you? MAIL THIS COUPON TODAY!
