DON SMITH

The management and Board of Directors of Agro Co-op Assn. Ltd. take this opportunity to personally invite you to attend our Official Opening ceremonies on Friday, April 29th at 2:30 p.m.

This farmer-owned business is striving to establish the first "complete" farm supply on P.E.I. We hope to bring a "first" in supply and service to Island farmers.

We invite you to visit with us and inspect our many departments.

We will offer for your service feed, seeds, agricultural chemicals, twine, wire, petroleum products, animal health supplies, stable hardware, tools, work clothing, work footwear and a complete line of paints.

We will be open Friday evening and would be pleased if you could drop-in for a coffee with us during the afternoon or evening.
