Dominion Day at Moncton.

There was an unusually large attendance and much interest centred in the sports of the Driving Park on Dominion Day. They began about 2.30 and were concluded shortly after 6 o'clock. Considerable money changed hands during the afternoon. The judges were D. C. Clinch, of St. John, and Jacob Wortman, of Moncton. The latter also acted as starter. Appended is the result of the 5.80 class :—

The 150 yards foot race was won by David Howard, of St. John. Albert Scott was close behind. The two other competitors, through some mistake, did not go when the word was given and were counted out.

Uncle Hank Allen was perhaps the smoothest and most accomplished liar in Central New York. Why, the old man's lies were so smooth, so artistic that while you were listening to them you imagined you were listening to Elder Cleveland's Bible stories. One day we were all talking about potato-bugs in Uncle Hank's grocery, which was a sort of village farmers' club. Old Hank scratched his head thoughtfully and remarked: "Gentlemen, you don't any of you appear to know anything about the ravenous nature of them potater-bugs. You may call me a liar, but I've had potater-bugs walk into my kitchen and yank red-hot potaters right out of my oven. Waiting around the potater patch for the second crop!" exclaimed Old Hank with a sneer. Waiting? Why, confound your eyes, I was up at Townsend's store yesterday, and I saw potater-bugs up their looking over Townsend's books to see who had bought seed potatoes for next year. I did, by gosh!" The whole grocery was still when Uncle Hank finished. You could have heard a pin drop. Finally, a long, lean man from Woodman's Pond raised himself up near the door. He was evidently a new comer, and was not acquainted with Mr. Allen. Pointing his long finger at Uncle Hank, he exclaimed: "You are a liar." Uncle Hank looked over his glasses at the stranger long and earnestly. Then holding out his hand he inquired with a puzzled look: "When did you get acquainted with me?"

The Montreal branch of the Irish League has issued a manifesto which is much eulogised in that city for its moderation and good sense. It maintains that freedom and liberty exists in a larger measure here than in any other land, and all that the league seeks to do is to assist their brethern in Ireland in getting similar rights by constitutional means. The new league has no connection with the one established in the United States, being a Canadian organization exclusively.

The Great French Remedy, Dr LeDuc's Periodical Pills.

For the cure of Leucorrhœa or White's Excessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagnia, Hysteria, pain in the Back, or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.
HORACE FAIRBROTHER."
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GEDNEY."
159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.

Dr. Bennet, Halifax.

DEAR DOCTOR,—Just a few lines as promised by me. I am more than pleased with the "Liver Pad" I got from you when in Charlottetown, and can conscientiously say that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me—*i. e.*, removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dullness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public.

Believe me,
Yours sincerely,
FRANK ELLIOTT.

BRIGHT'S DISEASE CONQUERED.
Enterprise, April 13.

Gentlemen,—Five years ago I fell with a bag of grain, which caused weakness in my back, and also brought on an attack of Bright's disease, and which caused me to lose considerable in weight After wearing your Pad for six weeks, I gained 13 pounds. All pain and weakness has left me. I would have been yet in the doctor's hands, had it not been for my using your Kidney Pad.
SIDNEY W. PEAVEY, Miller.

Gentlemen,—I was troubled with painful back, and could not retain my urinal secretion, from painful inflammation of the bladder. Your Pad is the only cure for kidney diseases.
