HEALTH will, in all cases follow the use of Radway's R. R. Remedies. There are none so sick or diseased so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Renovating Resolvent, or Regulator, as the nature of the disease or sickness may require, will quickly and rapidly cure.

These remedies consist of Radway's Ready Relief; Radway's Renovating Resolvent; Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. Yet there are other diseases wherein their combined medicinal properties are required; and when these are used in sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

Many diseases that afflict humanity are inherited as heir-looms from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis, Faistid, are among the most common of constitutional diseases. Now, we care not how many generations the seeds of these diseases may have been established in the system, corrupting the blood—Radway's Renovating Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure and healthy blood.

CHILDREN'S DISEASES.

Radway's Renovating Resolvent should be hailed as a blessing by every mother throughout the land, whose infants are afflicted with Sores, Humors, &c. These breakings out (thus early) are evidences of disease transmitted from the parent stock. A few doses of the Renovating Resolvent will eradicate every vestige of the disease and restore the child a sound and healthy body.

R. R. R.—Radway's Ready Relief for Headaches, whether sick or nervous; Rheumatism, Diarrhea, Dysentery, Cholera Morbus, Cramps, Influenza, Bloody Flux, Paralysis, Lumbago, Gout, Neuralgia, Tooth-ache, Small Pox, Fevers, Swollen Joints, Kidney Complaints, Scarlet Fever, Pains around the Liver, Pleurisy, Measles, Heartburn, and Pains of all kinds. Radway's Ready Relief will, in a few minutes, change the miseries you suffer to joys of pleasure.

R. R. R.—Radway's Renovating Resolvent, for the cure of chronic diseases—such as Scrofulous and Syphilitic complaints, Consumptive and other affections of the Lungs and Throat, Induration and Enlargements of parts, Eruptive and other diseases of the Skin, Nodes, Tumors, Ulcers, Dyspepsia, and all other diseases arising from an impure state of the Blood.

R. R. R.—Radway's Regulators will cure, effectively and speedily, Constiveness, Indigestion, Painter's Cholera, Lead Diseases, Inflammation of the Bowels, Dyspepsia, Liver Complaint, Diseases of the Heart and Kidneys, Female Complaints, Small Pox, Fevers, Measles, &c. etc. Whenever the system is out of order, or the blood impure, a dose of Radway's Regulators will restore it to regularity, and purify and cleanse the blood. No female should be without them.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

Beverly, Mass., 20th Dec., 1858. Dr. J. C. AYER: I do not hesitate to say that your Cherry Pectoral is the best ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice, and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. ERBEN KNIGHT, M. D.

A. H. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Cherry Pectoral myself and in my family ever since you invented it, and have it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BROTHER AYER: I will cheerfully testify that your Cherry Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM CONKLIN, M. D.

AMOS LEE, Esq., Montreal, La., writes, 24 Jan., 1858: "I had a tedious and almost confined cold for six weeks; took many medicines without relief; finally tried your Cherry Pectoral by the advice of our clergyman. The cold was relieved, the cough ceased, my throat and lungs; less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, Pa., Feb. 4, 1856.

Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and now cures a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMEY, M. D., ALBION, MORGAN CO., IOWA, writes, Sept. 6, 1858: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable. We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial."

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach, but even to those the Cherry Pectoral affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong advised, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as you do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours with gratitude and regard, ORLANDO SHELLEY, of SHELLEVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is the only and the best medicinal chemist in the world, and its cures all around us testify to the high merits of its virtues. —Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary cathartics, and that they win, in a more pleasant and safe manner, to the use of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart to the system strength to the whole system. Not only do they cure the over-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others are sent us their assurance of their conviction that our preparations contribute immensely to the relief of the afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—Constiveness, Bilious Complaints, Rheumatism, Dropsy, Headache, Nausea arising from a full stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcers and Cutaneous Eruptions which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Indigestion, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other can give you compare with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

The Blessing of Health.

HOLLOWAY'S PILLS.

WHY ARE DISEASES SO FATAL IN TROPICAL CLIMATES?

Merely because we prescribe for their effect, instead of their cause and try to relieve symptom instead of striking at their root. The action of these Pills is precisely the reverse. They expel from the secretive organs and the circulation the morbid matter which produces inflammation, pain, fever, debility and physical decay; and the basis of disease being removed, its manifestations vanish. While ordinary remedies only afford a temporary respite to the sufferer, whereas these Pills annihilate the disorder.

ILL HEALTH IN HOT COUNTRIES. Frequently arises from nervous disorders affecting the action of the heart and deranging the whole animal economy; these fine Pills will restore the nervous system however deranged, and bring back health and spirits when all other medicine failed.

DROPSICAL SWELLINGS AND TURN OF LIFE. This is a most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain remedies for all these dangerous symptoms is Holloway's Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

STOMACH AND LIVER COMPLAINTS. These are the complaints of the million, particularly those in warm countries; few escape them; and if neglected, they lead to innumerable dangerous maladies. But why neglect them when Holloway's Pills will eradicate them, as certainly as water extinguishes fire? They relieve the Bowels, purify the fluids, and invigorate the system and the constitution at the same time. They are admitted by virtue of special decrees into the dominions of despotism, and thus have become the great household remedy.

DYSPEPSIA AND BOWEL COMPLAINTS. These famous Pills should be taken once or twice a week by all classes in this part of the world, by which means, none need fear the attacks of these direful scourges.

A WORD TO FEMALES. The local debility and irregularities which are the special annoyance of the weaker sex; and which, when neglected, always shortens life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:—Ague, Dysentery, Liver complaints, tons, Bil's Complaints, Erysipelas, Lumbago, Tumours, Blisters on Skin, Female Irregularities, Rheumatism, Ulcers, Bowel Complaints, Fevers, all kinds, Retention of Urine, Venereal Affections, Colic, Fits, Scrofula, or Worms, all kinds, Constipation of Gout, King's Evil, Weakness, from the Bowels, Head-ache, Sore Throats, whatever cause Debility, Indigestion, Stone and Gravel, Acc., &c. Dropsy, Jaundice, Secondary Symp.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar,) London, and 80, Maiden Lane, New York; also at all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s. 3d., and 5s. 3d.

There is a considerable saving by taking the larger sized Box. N. B.—Directions for the guidance of patients in every disorder are annexed to each Box.

HEALTH RESTORED

By using Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound. THIS Balsam is composed of Liverwort and Hoarhound, combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner, and according to the rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medicinal science that has ever been offered. And for the cure of COUGHS, COLDS, WHOOPING COUGH, CROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and those dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT, it is unrivalled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements; and it now has the confidence and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs to this article, and to PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence, use MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND. It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balsam. Messrs. DOCTOR MORSE The Inventor and Manufacturer of Morse's INDIAN ROOT PILLS

CAUTION.—Beware of a Counterfeit signed A. B. MOON. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & CO., Sole Proprietors, 50 Leonard Street, New York. THIS philanthropist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depend upon this vital fluid.

When the various passages become clogged, and that act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sulfuric which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and molts the passages to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out hourly by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities to the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they act once to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.
