Tuesday, March 1, was the Most Rev. Malcolm A. MacEachern, Bishop of Charlottetown, who celebrated the student's Mass in the college chapel and spoke briefly to the students. In honor of his visit he cancelled all classes on Tuesday, thus giving the boys a day off. Many were the blessings that were heaped on Bishop MacEachern's head that day. Well, that's all the news for this week. So, until next week from S.D.U. to all of you, health and happiness.

EXPENSIVE FAILURE LONDON (Reuters)—Supply Minister Selwyn Lloyd told the Commons today the total cost of development of the ill-fated Swift jet fighter was £20,000,000. The government announced recently that only a limited number of the planes would be built because they could not be brought up to acceptable operational standard.

The Wee... at S. D. U.

Last evening in the college gymnasium there was presented by the St. Dunstan's Dramatic Society the Shakespearean tragedy "Romeo and Juliet." Under the capable direction of Rev. Adrian Arsenault and supported by a cast of 22, the play was presented in an admirable manner.

From the very outset of practice for the play, the cast and the director bent to work with a will, for they knew that only good, honest, hard work could produce the desired effect. All Shakespearean plays are difficult to stage and this one is no exception. Says the director: "It could be that we should have chosen a less difficult play from Shakespeare's considerable list of masterpieces. But on reading over again a few which had been suggested to me by English professors, I came to the conclusion that none of them were really easy to stage, and all of them were difficult as to language."

"On the other hand, there were many arguments in favour of 'Romeo and Juliet.' The two main characters of the play being of college age, we could capitalize on this advantage. There was the plot, which is swifter and easier to follow than that of most Shakespearean dramas. As for the excellence of the poetry and text there were no doubts about these: sweet love, violent and passionate love, hatred, rivalry, jealousies, fighting, compassion, rebelling — that whole array of human emotions still remained so perfectly fresh in this particular work, that we let ourselves be overwhelmed by its charms, forgetting how really difficult it could be."

On March 8 and 9, the play will be presented to the people of Charlottetown at the Queen Charlotte High School Auditorium; it is interesting to note that this is the first time that "Romeo and Juliet" has ever been presented in full in Charlottetown. To everybody in any way connected with the play we extend congratulations and especially to the following: director, Rev. Adrian Arsenault; make-up artist, Rev. Edmund Roche; the cast: Louis MacIvor as Escalus, Tom Swift as Paris, John Walsh as Montague, John Dyer as Capulet, Bill Cameron as Romeo, Jim Noonan as Mercutio, Tom Ford as Benvolio, Ken MacDonald as Tybalt, Ian Gillis as Friar Lawrence, Frank Gillis as Friar John, George Mullahey as Balthasar, Reg Pendergast as Sampson, Pat MacWade as Gregory, Eddie Baird as Peter, Elliott MacAulay as Abraham, Tom Beagan as an apothecary, Louis St. Maur as the clown, Marian MacDonald as Lady Montague, Bertha McQuaid as Lady Capulet, Grace Seaman as Juliet, Frances Pendergast as the nurse and Henry Gaudet as the watchman.

FENAROLI REPORT In the official report received from Dr. Fenaroli the following observation was made: "The field at all times was in excellent vegetative development and in excellent health condition except for a general phenomenon of curling up of the leaves which was noted in more than one check visit that hit all varieties with the exception of the Sebago. In the absence of any virus manifestations it is felt that this phenomenon is due to disturbances of a physiological nature. In spite of this manifestation the whole field produced excellently both for quantity and quality."

Three Playoff Games Slated For Montague

"Three playoff hockey games are slated for the Montague rink tonight. In the first game, the Montague Primroses Sisters meet the Charlottetown Abbie Sisters. In the final game for the King's and Queen's hockey title, the Montague 2-0 at Charlottetown, what turned out to be a very spirited encounter, and the same spirit will undoubtedly be carried over into tonight's game. Dr. Fenaroli also reports that the winners of the Southern King's League will be tackled by Murray Harbour North tacks the Summerville Beavers and the Montague Bison Bombers cross sticks with Murray River. Each of these games is the first of a two-game total series, and the winners will meet in the finals for the Bison trophy.

"PANTRY SALE at Stewart and Beck's, Saturday, March 5th. By the United Church Ladies' Aid. "MONTAGUE LEGION — The regular meeting of the Montague Branch of the Canadian Legion was held Thursday evening at the Legion Home with Comrade R. Martin presiding in the unavoidable absence of the president, Judge J. S. DesRoches. Following the reading of the minutes, a discussion on the purchase of a bugle was held and it was decided that Monday evening would purchase one for the Branch. Bills were presented and approved for payment. A sum of money was donated to the Red Cross financial campaign. A social hour followed the adjournment of the meeting.

Answers Tabled In Legislature

The following answers to questions were tabled in the Legislature yesterday: Question — Frank Myers paid A. Pickard & Co. for parts and machinery for the calendar year 1954? 2. Please give the amount of the total bill paid to W. G. Barbour for the calendar year 1954? 3. Please give the amount of the total bill paid to W. R. Jenkins for the calendar year 1954? Answer — Hon. Dougald MacKinnon. 1. \$95,879.84 for parts and \$10,723.00 for New Machinery. 2. \$49,236.31, of which \$23,764.31 was for Parts and \$25,490.00 was for New Machinery. 3. \$31,906.43 of which \$29,095.83 was for parts and \$2,810.60 was for New Machinery.

Highway Act In Committee

Further progress was made in dealing with the consolidated Highway Traffic Act at the Legislative yesterday. The bill contains 133 sections, and it is expected to come before the House several times next week before being finally agreed to. Only one clause gave rise to discussion yesterday. It was one dealing with the necessity of a motorist reporting repair to his vehicle after he had been warned by the R.C.M.P. that the machine was in an unsafe or defective condition. Mr. Harvey Douglas thought that the act could become a nuisance when it became necessary for a motorist to drive 30 miles to report that a bulb had been replaced in a tail light. Mr. Frank Myers concurred with Mr. Douglas. He felt that a time limit for reporting should be allowed the owner of the vehicle. He said he knew of Mounties who would not give a person more than a day to get the trouble repaired. Premier Matheson said that there perhaps were cases, especially among the younger officers, when the police were over-zealous. He pointed out, however, that the Province has an excellent inspector and he had noted steady improvement in the personnel of the Mounted Police during the past two years.

We extend our sincere appreciation. Mrs. Herb Roper, The Members of the Thompson Family and Phyllis.

Montague Man Donates Trophy For Curling

"Mr. Cyril Johnston, proprietor of the Mabon Drug Company in Montague, has donated a trophy to be awarded to the winner of the Montague High School curling competition. Teams will be formed from the twenty-eight boys presently curling and a meet will be staged in the near future. Schoolboy curling is a rather new innovation at the Montague club. In past years curling was more or less at the mercy of the weather, which usually resulted in an abbreviated season. Under these conditions, the club found it impossible to promote an adequate program of schoolboy competitions. However, with the recent installation of the artificial ice plant definite steps have been taken to tap this undeveloped, rich vein of curling potential. A club spokesman said yesterday, they are sponsoring schoolboy curling with a definite eye to the future, and that next year a team will be entered in the provincial schoolboy competition at Charlottetown.

FENAROLI REPORT In the official report received from Dr. Fenaroli the following observation was made: "The field at all times was in excellent vegetative development and in excellent health condition except for a general phenomenon of curling up of the leaves which was noted in more than one check visit that hit all varieties with the exception of the Sebago. In the absence of any virus manifestations it is felt that this phenomenon is due to disturbances of a physiological nature. In spite of this manifestation the whole field produced excellently both for quantity and quality."
