At the Stipendiary Magistrate's Court this forenoon, John Reilly, drunk and incapable, was fined \$3 and costs or 14 days.

STE. "Southport" will leave the Ferry Wharf for Crapaud, on Wednesday, at 8 o'clock, a. m. See advertisement.

REMEMBER the meeting of the Provincial Rifle Association in the Stipendiary Magistrate's Court Room this evening at 8 o'clock.

MASONIC.—A meeting of King Solomon Lodge will be held this evening at the Lodge Room, at 8 o'clock, p. m.

ON Friday evening last the schooner *Lizzie*, of this port, while on voyage from Picton with twenty tons of coal, foundered off Cariboo. The crew were taken off by the schr. *King Queen*, Capt. Hughes.

We are requested to direct special attention to the auction sale of valuable property at Souris, next Wednesday, July 9th, on arrival of train from Charlottetown. See handbills, also advertisement in our columns. A. McNEILL, Auctioneer.

D. BANKS MCKENZIE has recently been carrying on a temperance crusade in Nevada. In Virginia city, which is notorious for its immorality, he left eleven hundred names on the temperance pledges and a reform club second to none in the land.

LODGE HOTEL.—Express train leaves the City at 4.30 for Bedford Station. Visitors will find carriages there to convey them to the Hotel. For health and recreation this place is unsurpassed. One hour and thirty minutes drive from city.—CYRUS TAY, Manager. 4i\*

MESSRS. MURRAY BROS., of Buctouche, have six lobster factories, and are now erecting a large warehouse, with the intention of canning fowl and beef.—A lobster factory is to be established at Tignish, P. E. I., shortly, by Mr. David D. Gallant, proprietor of a similar factory at Cocagne, Kent County, N. B.—*Moncton Times*.

ON SUNDAY NIGHT the billiard room of the Queen Club was feloniously entered and upwards of fifteen dollars stolen therefrom. At the same time the *New Era* office was entered in a like manner. The safe was tampered with but nothing was taken. No clue to the thieves.

MESSRS. T. K. JENKINS & Co., sold, yesterday, the cargo of potatoes ex schooner *Cherokee*, from P. E. Island, at 35 and 40 cents; lard, 7 cents; butter, 11 cents. They also offered alewives, which brought \$3.15 a tierce, and cedar shingles offered \$1.50 per M., but none were sold.—*Hc. Herald*.

In a notice of the Excise Examination he'd here during last week, which appeared in Saturday's EXAMINER, we neglected to state that Mr. Theo. Moore of the same department was not called to appear before the Examiners, he having passed a first-class examination at Halifax two years ago.

At half-past three o'clock, this afternoon, a spark from the chimney ignited and burned a large hole in the roof of Mr. Joy's cooper shop, Lower Queen street. The cry of "fire" was heard in several sections of the city. Silsby engine went to the scene, but the fire was extinguished by the active use of water-buckets before her arrival.

A YOUNG MAN, named Archibald McLeod, was drowned at Crapaud, yesterday. He, in company with others, went bathing. They were but a short time in when McLeod fell, apparently with cramps, and disappeared below the surface. He was drowned before any assistance could be rendered. The deceased was a tailor, and worked in this city a short time ago.

"ARMY WORMS have put in an appearance at New Annan, P. E. I., in immense numbers. The stripped the woods of Messrs. Jas. Swan and John Wilson's farms, and at last accounts were moving towards the grain fields and to other parts of the district."

The above, which is clipped from a New Brunswick paper, is, we are informed, entirely incorrect. These unwelcome visitors have not yet appeared at New Annan or at any other part of the Province.

CHEAP INSURANCE.—A subscriber at Nanaimo in remitting says:—"I insured my house in the Canada Agricultural Insurance Co. They burst, and I lost two years on one and three months on another policy. I then insured in the Ottawa Agricultural, and I understand now they have also reinsured their policies with the Watertown Agricultural Insurance Co. Can you inform me in your next issue if I am insured or not? I really don't know, and there are others in this section who are equally ignorant. Please inform us, and oblige yours."—*Monetary Times*.

The above shows the absurdity of insuring in weak Canadian Companies, which secure most of their business by cutting rates. Property holders might as well save their money as to accept cheap insurance, without being guaranteed perfect security in the event of loss. This can be had, beyond doubt, by taking out a policy in the IMPERIAL FIRE INSURANCE Co. of London, which insures at moderate rates. F. T. NEWBERRY, Agent.

ATTEMPTED INCENDIARISM.—Sackville, N. B., is rapidly acquiring a very bad reputation. On a short time has elapsed since a determined attempt was made to assassinate a man in the open highway. Now another very serious occurrence is reported. A telegram to the *St. John Globe* from Sackville says: "Last night about 10.30, four young fellows named Deans, McEachern, Coll and Manship set fire to the house of Joseph Sears. Sears fired at them with a shot gun but missed. The second time he was more successful and shot Deans and Manship—the other parties escaping. It is not yet known how badly Deans and Manship are shot, but as far as can be learned not fatally.

According to a German journal—the *Tagblatt*—an agreement, or, as it is called, a *modus vivendi*, has been arranged between Russia and the Vatican. The Pope will appoint bishops from ecclesiastics designated by the Czar. The Catholic Synod at St. Petersburg will be dissolved, and the bishops have a right of freely communicating with the Vatican, and publishing bulls and encyclicals after they have received the Czar's *placet*. Exiled prelates are to be annested.
