SOMETHING NEW.—There has always been great difficulty in getting water-proof coats to fit satisfactorily about the neck and shoulders, for stout and round-shouldered men. You can avoid this and have a perfect fit by leaving your measure with us. We have made arrangements with an English firm to have these coats made on our own patterns, so that we are in a position to warrant a good fit. We can show over 100 samples of the goods from which these coats will be made, ranging in price from \$5 to \$24. Every coat warranted to come the same as sample of goods shown. You can have better material and cheaper than buying ready-made goods.—John McLeod & Co., Merchant Tailors. Aug 27
