Scrofula.—Unprecedented instances of the cure of this complaint.—This is, perhaps, the greatest scourge to which the human family are subject, and at the same time the most difficult of cure, inasmuch as it is dependent on the power of the medicine prescribed, and its instantaneous effects upon the parts affected. The only infallible remedy for the cure of this most distressing of maladies with which we are acquainted is, Holloway's Ointment and Pills they quickly eradicate all cutaneous diseases, but there is perhaps no class of disorders which so readily yields to the treatment of these mighty medicines. They act like a charm, and not only astonish the patient, but the faculty themselves, rendering them unparalleled in the history of medical science.
