TORONTO

TORONTO (CP)—All sections of the stock market gained Friday for the first time in 16 trading sessions despite light trading.

Base metals were up almost one point and golds, strong earlier in the day, backed down slightly but closed up more than one-third. Western oils closed up a few decimal points. It was the first oil index gain in four sessions.

Senior mines were strong among base metals with Hudson Bay adding ¾ at 50. Geco, at 15 and Noranda, at 44, each gained ½. Consolidated Mining, off ⅛ at 19¾ was the only senior mine showing a loss.

McIntyre, up 2 at 83 and Dome, ahead ⅜ at 15⅛ led golds.

Western oils had pushed their index ahead almost one point in early trading today but it slowly slipped back as profit-taking set in. Home Oil B dipping ½ at 20⅛ was largely responsible for setback.

New Hosco, the second most active speculative, advanced 25 cents at $3.35. Speculative volumes generally were light and changes small.

Index gains: Industrials 1.33 to 461.00; golds .38 to 82.47; base metals 90 to 16065; western oils 07 to 138.52.
