

Queen's Jubilee!

GLORIOUS WEATHER.

A GRAND DISPLAY.

The City Thronged

With People and Decorated with Bunting.

PRELIMINARY PROCEEDINGS

The weather is beautiful—just what is wanted. The city is thronged with visitors. The hotels are crowded, as also are many private houses.

The military review at Victoria Park, this afternoon, will be under the command of Lieutenant Colonel Worsley.

The fireworks display will take place on Market Square, this evening, at the close of the firemen's procession.

An emblematical piece of fireworks, consisting of a crown and the letters "V. R." will be displayed at 9 o'clock to-night, in front of the Diamond Bookstore.

THE CANADA DISPLAY.

This morning at eight o'clock H. M. S. Canada dressed with bunting. At twelve o'clock, noon, a jubilee salute of fifty guns was fired and the yards were manned.

THE MILITARY DISPLAY.

The 82nd Battalion, brigade of Artillery and Engineers, with a demi-battery of field artillery, will parade at the camp of exercise at 1.45 this afternoon, and will be marched to the Park at two o'clock.

THE ILLUMINATIONS.

The Law Courts Building, the Post Office Building, the Market Hall and Civic Offices, the Cameron Block, the Brown Block, the Monaghan Block, the Osborne House, and many other places will be illuminated.

THE FIREMEN'S DISPLAY.

Our firemen are famous for the success of their demonstrations, and we need hardly say that that of to-night will be fully equal if not superior to the many previous successful ones.

THE REGATTA.

To-morrow morning at nine o'clock the regatta will commence. For this feature of the celebration, elaborate preparations have been made. A large number of entries are already in and many good have signified their intention of participating.

THE TRADES PROCESSION.

The trades procession will be one of the principal features of to-morrow's portion of the celebration. Last evening the committee and representatives met and elected Mr. H. Anderson, of the P. E. I. R., marshal and decided upon position, etc.

Street, and vehicles are requested to stand on the lower cross streets to come in at the call of the marshal. Very elaborate preparations have been made for this procession. The different waggons have been nicely decorated and will be fitted up with machinery, etc., emblematic of the handicraft represented.

PROCESSION OF SOCIETIES, ETC.

At half past one o'clock the different societies, etc., will form in procession in the following order:

- Marshal. Police Force. Band. Volunteers. Oddfellows. Orange Society. Band. Sons of Temperance. Bagpipes. Caledonian Club. Band. Free Masons. Trades Procession.

After an address from His Honor the Lieutenant Governor the procession proceeds up Queen Street to Euston Street, along Euston to Pownall Street, down Pownall to Water Street, Water to Weymouth, up Weymouth to Euston Street, along Euston to Prince Street, down Prince Street to Water Street, along Water to Queen Street, up Queen Street to the City Building, when the corner stone of the building will be laid and an address delivered by His Worship Mayor Haviland.

THE SCHOOL CHILDREN.

The massing of the school children on the grand stand, and their singing of the National Anthem, &c., will be one of the prettiest features of the celebration.

LAYING OF THE CORNER STONE.

The laying of the corner stone of the new city building will doubtless be one of the most impressive ceremonies of the celebration. The ceremony will be performed with full Masonic honors, Grand Master Yeo officiating, and will be followed by an address from His Worship Mayor Haviland.

DRAMATIC ENTERTAINMENTS

will be given in both the Market Hall and Lyceum to-morrow evening. In the former place the "Danites" will be presented and in the latter the "Medea." Both have been carefully rehearsed and will doubtless draw crowded houses.

"AS OTHERS SEE US."

A Charlottetown correspondent of the St. John Globe, writing to that paper on the 25th inst., says: "People over here are preparing to jubilate, and while the attractions of an artificial kind will doubtless draw a large rural crowd to this town, the occasion could be used to commence what should have been inaugurated long ere this, namely, a series of cheap excursion trips from the United States boundary and the Upper Provinces to the sea shore. The island is looking beautiful, and just now a very reduced fare from central points, good for a month or two, would, doubtless, attract the notice of thousands who want to summer near the ever-changing sea. To such the quiet shores of P. E. Island and the North Shore of New Brunswick supply attractions unsurpassed in the wide, wide world."

THURSDAY, JUNE 30. AFTERNOON. At two o'clock their will be a Military Review at Victoria Park.

Jubilee Jottings.

The weather is beautiful. There will be a ball at Government House to-night and a garden party to-morrow afternoon, for both of which a larger number of invitations have been issued.

The officers of the Canada have issued invitations for a children's party and bonnet hop on board the ship on Saturday afternoon.

The display of bunting, Chinese lanterns, and other decorations is very extensive and will look well to-night.

An immense number of people are in the city. The trains and boats discharged country people innumerable. The hotels are crowded and private houses are levied upon to a considerable extent.

Many of the public offices and stores will close this afternoon and the officials will disport themselves in various ways.

Chief Engineer Large has been elected Marshal-Engineer of the different processions. The small boys have laid in a stock of fire crackers, and are determined to make their influence felt to-night.

The Canada's jubilee salute of fifty guns, with a feu de joie after every tenth gun, accompanied by the ringing of fire and church bells and the blowing of steamboat and factory whistles, was a very pleasing and appropriate way of opening the first day's proceedings. A large number of people witnessed the firing.

Three brass bands, several bag-pipers and other musicians will take part in the festivities.

Years teach more than books. Among other valuable lessons imparted by this teacher is the fact that for a very long time Dr. Pierce's Golden Medical Discovery has been the prince of liver-cleansers and blood-purifiers, being the household physician of the poor man, and the able consulting physician to the rich patient, and praised by all for its magnificent service and efficacy in all diseases of a chronic nature, as malarial poisoning, ailments of the respiratory and digestive systems, liver disease and in all cases where the use of an alterative remedy is indicated.

Mr. JOHN L. STEARNS, General Manager of the Mutual Life of New York, is at the Rankin.

TELEGRAPHIC NEWS.

The Papal Mission.

ROME, June 29.

It is reported that the Pope was induced to send the papal mission to Ireland by instance on the part of English bishops, clergymen and laymen; that the reports of the Irish bishops on the condition of Ireland were exaggerated. Wishing to get at the exact truth the Pope decided to send unbiased agents of his own to make an investigation.

Monsignors Persico and Guada, who were chosen to make the enquiry, were called while on their way to the railway station on Friday last, but left last evening for Dublin. It is believed they will confirm the Irish bishops report.

The Crimes Bill

LONDON, June 29.

The Standard says: "It is understood that on the passage of the Crimes Bill the Government will issue a special proclamation declaring the National League in Kerry, Clare and Cork an illegal association, and will also proclaim those counties and bring them within range of the secret inquiry and summary jurisdiction sections of the Act."

Police Attacked.

DUBLIN, June 29.

A body of police was attacked on St. Stephens Green yesterday. Stones and other missiles were thrown at the officers who, however, soon dispersed the assailants.

On the Stump.

OTTAWA, June 29.

It is said Messrs. McLellan and Thompson will go to Digby to stump for their candidate.

Weather Bulletin.

TORONTO, June 30—10 a.m.

Moderate South and West winds, fair warm weather.

Correction.

SIR,—Permit me to say that you were slightly in error in your statement concerning the prizes offered through me. The following is correct: A certain friend of the school has authorized me to offer two prizes of one sovereign each,—one to the boy of each of the two highest classes who will best recite Lord Chatham's Speech on the American War, at the public examination of next year. The competition will be only among four (4), as the teachers will be asked to select the two best from each class.

As a memento of the Jubilee, visitors should buy some of the beautiful perumes and fancy goods at Watson's.

THE steamer Southport leaves Ferry Wharf at 11 o'clock on Friday for a two hours excursion over the race course, during the progress of the regatta. Tickets 10 cents; to be had on board.

MRS. D. A. McDONALD and her sister Miss Hyndman, leave for P. E. I. on Monday on a visit to friends in the east.—Portage La Prairie Tribune-Review. Our contemporary is somewhat astray; Mrs. Macdonald's sister is not a Miss Hyndman.

THREE Italian musicians, a man, woman and boy, armed with a harp and two violins, arrived last evening via the steamer from Picton. The man and woman play on the streets in front of the stores and other places, while the boy, who appears to be a sort of side show, "does" the hotels.

MESSRS. KINSMAN & Co. wish to say that our son was very ill with whooping cough. We were very near giving him up. Our physician said his chances were very poor. We were urged to try your Adamson's Balsam, and our physician giving his consent, we decided to do so. We won't say it saved his life, but we know it cured him of whooping cough, and he is now a strong, healthy boy. We use it in our family always. John A. Garland, Belle Garland, Charleston, Mass.
