## TOYS FOR CHRISTMAS

### WHO?

The toys (and if you have good, unused or newly cleaned children's clothing this is acceptable too) collected will be distributed to needy Island children through several agencies.

### WHAT?

The ACT committee needs blocks, books, good used toys of all kinds. Not the old truck you ran over last week, but something you would give to your own son or daughter. We don't have the elves from Santa to repair but we do have his sleigh to transport.

### WHERE?

Toys may be dropped off at the Chaplaincy centre or at various collection points to be set up on campus.

### WHEN?

Start now! The collection ends 4:00 P.M. December 1st.

### QUESTIONS?

For further information call the Chaplains at 892-4]2] extensions 116 or 117,

or

Linda MacNab, Blanchard Hall (evenings) at 892-5040.

### WHY?

Because we hope you care enough to spread your Christmas cheer around.

Yours sincerely,  
Linda MacNab  
(For the ACT committee)

### ATTENTION - ATTENTION

The Security Department wishes to advise all members of the University community that, effective December 1, 1977, and until further notice, overnight parking on campus is restricted to Parking Lot "A". Vehicles parked in this area after a snow storm will have 24 hours to be removed to allow for snow removal. Vehicles not removed during this time period may be towed from campus at the owner's expense as outlined under Section 197 of the Highway Traffic Act for Prince Edward Island.

Parking overnight in Parking Lots B, C, D, E, the Visitors' Lot or any other restricted area has to be cut off during the winter months to allow our Maintenance Department to carry out quickly and efficiently their snow removal operations.

Support staff required to work that midnight to 8 a.m. shift may be allowed to park their vehicles in Parking Lots B, C, D, or E with the provision they will have to remove their vehicles from such areas as requested by the snow removal crews.

Parking signs for overnight parking will be erected.

Your full co-operation in this matter will be greatly appreciated.
