

Atlantics Protect Lead With 4-2 Win Over Sydney In Gruelling Contest

SYDNEY, Nov. 6 (CP)—Halifax Atlantics protected their lead in the Maritime Major Hockey League tonight when they came from behind to stop Sydney Millionaires 4-2 in a gruelling contest which produced 22 penalties.

Referee Charlie Goode had a busy two periods and after he handed out 21 sentences during that time, including five majors, three misconducts and four match misconducts the tempo and the action fell off in a quiet third frame. Sydney took 12 of the 22 penalties.

The game was only two minutes, 23 seconds old when two old teammates, Sydney goalie Nick Pidsodny and Atlantics' Bob Bowness, went into a slugging act. Bowness came out of the scrap bleeding from the eye. He got two extra minutes for charging in addition to a major. Ronnie Rowe served Pidsodny's major sentence.

At the 5:29 mark of the second period the lid really blew off. Nick Hill, Sydney winger, and Frankie Bergson, Halifax defenceman playing a wing, started proceedings after Bergson had his face gashed with a high stick.

Goode managed to get them almost settled down when Halifax playing-coach Dugger McNeil, and a former Halifax hand, winger Johnny Morrow, went at it. When the smoke cleared Hill had two majors, including one for drawing blood with a high stick, a misconduct and a match misconduct; Bergson drew a major, misconduct and a match misconduct. McNeil and Morrow both got the gate for the night when they continued their battle on two or three occasions.

Aims Slap At Indifferent Sports Governing Bodies

By Jack Sullivan
Canadian Press Staff Writer

HAMILTON, Nov. 6 (CP)—Amateur sports-governing associations that have been dilatory in promoting sports in Canada received a verbal slap today from Jim Worrall of Toronto, president of the Amateur Athletic Union of Canada.

In his presidential report at the opening of the three-day annual convention, Worrall said the national executive and chairman and members of the national committees of the union "must accept criticism for not having created greater public interest and support for the various sports under our jurisdiction."

The A. A. U. governs track and field, boxing, fencing, wrestling, weight-lifting and handball.

Worrall, who probably will be succeeded as president by Morris Bruker of Montreal, declared that the A. A. U. and other amateur sports-governing bodies have many problems including financial support, training facilities, coaches, competition, press and public relations—"enough to support a thesis on the subject."

He did not suggest cures but said "there is food for thought in this statement for every Canadian who has had interest in sports, recreation, physical fitness and national welfare generally."

He said "considerable progress" had been made in the affairs of the A. A. U. during the last year but warned "there is no cause for complacency."

"There is a tremendous amount of work still to be done to make the A. A. U. records show 'not one person in Alberta, Saskatchewan, the Maritimes or Newfoundland is interested in fencing' and 'apparently no one outside Quebec and British Columbia is interested in weight-lifting,'" he said.

"Even in other sports, such as

track and field, the picture at (A. A. U.) branch levels leaves much to be desired," he added.

Report of treasurer Jack Davies of Montreal showed a balance of \$2,539 for the fiscal year ended Oct. 31 compared with \$675 last year.

Davies said the financial position of the union is "better today than it has been for many years." The main factors in the improved balance were increase of sanction fees from \$157.50 in 1951 to \$892.50 this year due to Olympic trials in the various sports and additional registration fees from Newfoundland, Nova Scotia, New Brunswick and Prince Edward Island.

CHICAGO, Nov. 6 (AP)—Former heavyweight champion Ezzard Charles, striding up the come-back trail, takes on hard-punching Bob Satterfield in a 10-rounder at the Chicago Stadium Nov. 26.

Charles displayed newly-found aggressiveness in recent victories over Bernie Reynolds and Cesar Brion. He will be making his first Chicago appearance since he easily beat challenger Joey Maxim in their heavyweight title match at the Stadium in May, 1951.

NEW YORK, Nov. 6 (AP)—Listen, girls, you're wrong if you think you can't be a good athlete and feminine and lovely at the same time.

You can run the 100-yard dash or throw the discus and still be as glamorous as your less active sisters—"Maybe more so." Also you should be a better citizen and a healthier mother.

So said Dan Ferris, veteran secretary-treasurer of the Amateur Athletic Union in urging the United States today to produce a fresh new crop of women athletes.

Ferris said in a statement the U.S. has lost ground to other nations in women's track and field because of the mistaken notion that a girl can't be a good athlete and feminine at the same time.

The U.S. won only one gold medal in this year's Olympics at Helsinki in women's track and field. That was a surprising triumph in the 400-metre relay.

Canadiens Hope McNeil May Be Back In Week

MONTREAL, Nov. 6 (CP)—Montreal Canadiens will go to local pastures again for a goalie as replacement for the injured Gerry McNeil.

This time it is Hal Murphy, now with St. Therese in the Provincial League. After tonight's National Hockey League game between Canadiens and Toronto Maple Leafs, Murphy will take over from Jacques Plante, who completes his three-game stint under lend-lease regulations and returns to Montreal Royals of the Quebec Senior Hockey League.

Canadiens management said today there is a possibility McNeil may be able to return in a week's time, or a little more. His right cheek-bone was fractured and displaced in a game in Toronto Oct. 29.

Murphy, property of Royals, has played with that team during Plante's absence and turned in a good job. Formerly played with the Shawinigan Falls and Chicoutimi in the U.S. H. L. and with St. Joseph D'Alma in the Lake St. John League.

Islanders Out For Victory Tonight At Expense Of Miners

The down but not "out" Islanders will be set to redeem themselves at the Forum tonight at the expense of the Glace Bay Miners.

There is no need to dwell at length on the outcome of the game with Halifax Atlantics. Team members were in there trying to a man, but they just couldn't seem to capitalize on scoring opportunities, and then there were costly lapses in defensive play.

The consensus, however, is that the team deserved a better fate in Wednesday's game. Logically speaking they have been defeated by a one goal margin in each of their three games thus far this week. It should take little to turn the tide.

Coach Murph Chamberlain is out to produce, Ron Hurst, right wing and centreman, is due to report, and there are others reportedly contacted. It was not definitely known whether Hurst would arrive in time for tonight's game.

In their last meeting the Glace Bay team took the measure of the Islanders in an overtime game 5-4. The teams appear fairly evenly matched and there should be some excitement in store for fans this evening.

Matthews - Willis Bout Tonight

SPOKANE, Wash., Nov. 6 (AP)—Harry Matthews, a two-round victim of Rocky Marciano last summer, takes on Harry Willis of South Bend, Ind., here tomorrow night and is figured to win inside the 10-round limit.

Matthews will give away 20 pounds but the match isn't expected to be much of a hurdle in the comeback trail for the 29-year-old Seattle fighter. He'll come in at about 185.

Matthews' manager, Jack Hurley, said he and his fighter will sail for Britain at the end of the month for a Dec. 9 date in London, probably with Johnny Williams, the British Empire champion.

Chinese In Montreal Ignore Blackmail

MONTREAL, Nov. 6 (CP)—Chinese in Montreal now ignore blackmail letters reaching them from Hong Kong, one of their spokesmen said today.

The letters threaten torture to relatives in Red China unless money is sent.

The spokesman said he believes the letters are mailed by Chinese Communist agents working undercover in Hong Kong.

"It just doesn't matter whether we obey the letters or not," he said. "We have no guarantee the money will save lives or even lessen torture. So we are not paying any attention to them."

First of Year's Christmas Trees Begin To Move

MONCTON, N. B., Nov. 6—The first of this year's Christmas trees from the Maritime Provinces is commencing to move. The first carload passed through the Canadian National yards here today en route to points in the United States.

It is expected that this year's crop will be on a par with that of last year when approximately 2,300 carloads, representing about four million trees, were shipped, with about an equal number from the provinces of New Brunswick and Nova Scotia. The cutting of the trees commenced about the middle of October, and this movement will continue until about the middle of December.

The trees vary in size from two to around thirty-five feet in height. The smaller trees are classified as table trees next in order are house trees, those used in store decorations, churches, etc. and the larger trees are more or less used for displays in parks and other special installations.

The total Christmas tree trade in Canada has a value in excess of

Henry Gets 2nd Shutout Of Season As Bruins Blank Red Wings 2-0

BOSTON, Nov. 6 (AP)—Boston goalie Jim Henry turned in his second shut-out of the National Hockey League season tonight as the Bruins blanked the champion Detroit Red Wings 2-0.

Henry treated a Boston Garden crowd of 6,573 to a nifty exhibition as he turned aside 31 shots. Leo Labine's long shot at 9:21 of the first session was all the Bruins needed to move into a fourth-place

tie with the Red Wings. Detroit now has lost five games and tied one away from its home ice in Detroit's Olympia. The triumph snapped a Boston losing streak at three games.

Labine's 50-footer was partially screened and flew in over the shoulder of Detroit netminder Terry Sawchuk. The Detroit goalie was beaten again at 11:31 of the final by Joe Klukay who rapped in his own rebound from 15 feet out. Eddie Sandford got an assist on the play.

Joe Maxim To Defend Title Dec. 17

ST. LOUIS, Nov. 6 (AP)—Joe Maxim of Cleveland will defend his world's light-heavyweight boxing crown in St. Louis against Archie Moore Dec. 17.

Managers of both boxers, officials of the International Boxing Club and the St. Louis Arena set the date at a meeting here today.

Jack Kearns, Maxim's manager, said Maxim was guaranteed 45 percent of the net gate receipts.

It was estimated here the bout will have to draw a \$100,000 gate to be financially successful.

Canadiens Defeat Leafs But Richard Scoreless

MONTREAL, Nov. 6 (CP)—Montreal Canadiens defeated Toronto Maple Leafs 3-1 tonight with Maurice (Rocket) Richard lead scoreless in his third straight game in trying to set a scoring record—and created a triple tie for leadership in the National Hockey League.

A crowd of 14,547 saw the Rocket balked once more in trying for goal No. 325 but had the satisfaction of seeing Canadiens move into a tie with Leafs and Chicago Black Hawks.

Doug Harvey's long blooper shot from the red line in the opening period sent Canadiens ahead and Bert Olmstead made it 2-0 in the second period but Max Bentley scored a minute later with the Leafs' only goal. Bernie (Boom Boom) Geoffrion gave Canadiens a safer working margin midway through the last period.

Richard had only three clear shots on the net. In the second period, his drive for a corner was kicked out by goalie Harry Lumley.

In the third period, Richard had a dead-on shot and hit Lumley's pads. With less than half a minute to go, he fell as he whirled around Tim Horton on the Leaf defence, but got away a 'sliding shot. The puck missed the net by two or three inches, with Lumley out of position.

Elmer Lach, also held scoreless, was trying for the 200th goal of his N. H. L. career.

Paul Masnick, who had an assist on Geoffrion's goal, made his first appearance of the season with Canadiens, brought up from Montreal Royals of the Quebec Senior League.

Goalie Jacques Plante, brought up by Canadiens on a three-game, lend-lease from Royals, made his last appearance tonight. His place, pending return of injured Gerry McNeil, will be taken by Hal Murphy, a Royal farmhand with St. Therese of the Provincial League.
