

Hockey Panthers Win Pair In Preparation For SMU

The hockey trip to Memorial and the road to Wolfville appearing too long to consider on a rainy Friday for the purpose of seeing two non-league basketball games, we acceded to uxorious pressure and stayed home. In our wanderings around, we straggled into the library to indulge a new interest of ours...perusing old newspapers on microfilm...and came upon a most interesting sports report, a portion of which we'll pass unto you, with the thought that you, too, might find it interesting. It is from the Charlottetown Examiner of 29 August, 1864. "The Pictou Cricketeers are plucky fellows and bore their defeat well. Now that the match is over we are almost sorry that the fortunes of the day did not go their way inasmuch as it would foster a spirit of generous emulation and lead to more intimate social intercourse between their town and the people of this Island." We'd like to make two comments on this thought provoking report. 1. Who said cricket

couldn't be fun? and 2. Vive le Sport!!!

We'd also like to add we listened on radio to the Acadia - Calgary football game which, while disappointing, was pretty similar to what we had feared. We also watched, on T.V., the Montreal-Ottawa Eastern final and must admit it was a sorry day for us "Foley" fans...who are all convinced that if it wasn't for Jimmy's bad ankle....

In basketball in the opening match of the Acadia Tip-Off Tournament, the large number of Panther fans who were in attendance were very discouraged when, with six minutes to go, we trailed Mount Allison by six points. Their mein changed abruptly when newcomers Lloyd Pullen and Mark Vickers combined for eight quick and successive points to give us a lead we maintained for the duration for an 89-83 win. Dependable Art Laffin led the scoring parade with 24 points while Mark Vickers and their Don McGratton were close behind with 21 each.

In the final game against Acadia (Who had beaten X the previous night by about 25 points) we can't say too much except that we lost 96-66 and comment, hopefully, that the Axe-men had a good night while we had a bad one. Art Laffin was tops for the Panthers with 14. Encouraging was the fact that Anson McLaughlan got 6 points in the final moments and rookie Colin McAdam garnered two for his first inter-collegiate score. Acadia has a BIG fast and experienced team... we are told that they are by no means 30 points better than us and that Gary Heald is looking forward to giving them a hot reception when they visit us on 31 January.

Our ailing hockey Panthers journeyed to far-off Memorial U. in Newfoundland on Saturday morning and took on the Beothuks on Saturday night. The schedule seemed a tough one to us when we first saw it inasmuch as we are behind the other teams in the games played column but, from the way injuries have piled up, the delay is one for which we should be thankful.... unless we are harder on ourselves in practice than the other teams would be in actual play. At any rate we took the first game 8-5, leading by periods, 3-2, 5-4, and the final 8-5. Terry Devine potted three for our side with singles going to Danny Murphy, Wayne Bernard, Lennie Kelly, Joe Filiponi, and Ray O'Donnell. Dannie Lessard had three assists. Shots on goal were 46-24 with us on the cannonading advantage. Jack Kane reports that "Snags" MacInnis played well in goal, stopping several "quality" shots. Dave Murnaghan, out with a sore

leg, did not make the trip. In the second game, played Sunday afternoon, the Panthers went right to work, leading 3-1 after the first period, 6-1 after the second, and coasting to a 10-1 win. Daniel Lessard led the goal-getters with two; singles were spread among Ray O'Donnell, Terry Devine, Doug MacLean, Wayne Bernard, Joe Filiponi, Lennie Kelly, Bug Murchie, and Wilfred MacDonald. Nursing his sore knee, Gerry MacCarron sat this one out. These were two warm-up games for the big one next weekend against perennial league-winning St. Mary's...

This coming weekend, the Basketball Panthers play at X on Friday afternoon at 3:00 and at Dalhousie on Saturday night at 8:00. Their first home game will be on Friday the 28th with U.N.B. and Sunday the 30th with Moncton. The Panther hockey activity coming up will see old rival SMU at the forum on Sunday. The game is scheduled for 2:00 but because this time might detract interest from the Grey Cup final, efforts are being made to re-schedule the game...possibly to an earlier hour...or, SMU and the Forum being agreeable to a night previous. The Student Union is making an effort to have a bus make free trips to and from the Forum to accommodate those who need transportation. The bus would run during the hour previous to the game....If this service proves popular there is a possibility of having it extended...listen to CIMN or contact the Student Union for definite details. BEAT SMU...BEAT SMU...BEAT SMU...BEAT SMU...BEAT SMU!!!!!!!!!!!!!!!!!!!!

Introducing the Basketball Lady Panthers

Recently the final cuts were made for the U.P.E.I. Lady Panthers Basketball Team, so the Cadre takes this opportunity to introduce and wish the best for these great players. The Lady Panthers open their 1975-76 season on Nov. 21 when they travel to Antigonish to play St. Francis Xavier at 6:00 pm. On the following day the Varsity team will play the highly rated Dalhousie Tigerettes in Halifax at 1:00 pm. These two teams should provide top-notch competition for the Lady Panther team. However, with seven returning players, U.P.E.I. will prove tough opposition for these Collegiate Teams. Rookie Coach Lynn Crosby hopes that the team can im-

prove their 4-6 win-loss record last season that placed them fourth in the league and one point behind the final playoff spot.
