GIRL GUIDES COLUMN

BOOK WEEK

CHARLOTTETOWN COMPANY

The 1st and 3rd Co. held their meeting on Thursday evening at St. James Hall, where they will meet from now on. There were a large number of Guides present, and Mrs. John Harris introduced Miss Hannah Turner and Miss Betty Houston who are the two new leaders. Mrs. Bill Wood, District Captain was present, and will be there for the next two or three meetings giving instruction and help when needed. Mrs. Smith also displayed the book fair.

Mrs. W.J. Rodd, District Commissioner for South, and Mrs. Smith visited Trinity Co. recently the event being the enrolment of Miss Catherine Shepherd and Virginia Coffin, who along with Miss Jean Campbell will direct the paths of Trinity Guides this winter. Mrs. Wood District Captain, has been meeting with the company for the past few meetings helping the new Guiders and getting the company off to a first class start.

FLY UP

Two bright and smiling brownies of the 15th Charlottetown Pack were presented with their well earned wings by Mrs. Smith and have flown up to Guides. Virginia Gallagher and Nancy Myers. They were welcomed into the Company by Mrs. Mitton Caplan and Mrs. Scales, Lieutenant. The Brownie Pack has really grown, and getting along splendidly under the fine leadership of Mrs. Johnstone and Mrs. Blakney.

Mrs. Tatarchuck writes that her girls of the 1st Slemon Co. completed their B-P Project and are now ready for their B-P stars. On reading over their leaflets telling what they had done to complete this project, I feel that these girls have really tried to help in their small way to make this world a better place to live in.

AT TIGNISH

Mrs. William Wood, District Captain and Mrs. W. Smith visited Tignish Brownie Pack in the afternoon. There were 22 Brownies present, and Mrs. Wood sorted them out into sixes, and helped the leader present Eva Perry, who has only just begun being a leader. Then in the evening Guides—we thought that they could never stop coming, no less than eight patrols. Miss Freda Hogan Captain, Jean Arsenault and Thelma DesRoches are Lieutenants. The company had already been put into patrols, and were off to a fine start.

Mrs. Wood went through a meeting with them and answered all questions, helping them to no end. It was an extremely pleasant day, and the enthusiasm shown by both Guides and Brownies was very fine to see. On the way through Alberton we picked up Mrs. Alfred Gillis, District Commissioner for West Prince, who is always so helpful and willing to "Lend a Hand".

SUNSPOTS HIT RECORD

LONDON (Reuters) — Sunspot activity in September and October was the greatest in two centuries of available records, the Royal Society announced Tuesday. The sunspot number, which measures the number and size of disturbed areas on the sun was 264 for September and 263 for October. The previous highest recorded figure was 259 in May, 1778.

POSTERS TOO SEXY

LONDON (Reuters) — British movie posters are often crude, vulgar and too sexy, a special committee reported Tuesday. Besides, they're poorly drawn. The committee of five women and one man, appointed by the women's group on public welfare, also criticized advertisements for ladies' undies for being offensive and objectionable.
