A MARVELOUS REMEDY! FOR A MARVELOUS AFFECTION!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY. By the aid of a microscope, we see millions of little openings on the skin in the underworking, and through these, this Ointment, when rubbed on the skin, is carried to any organ or inward part. It cures the Rheum, Induration of the Lungs, Asthma, Coughs and Colic, and is in fact essentially correct. Every housewife knows that she will breathe freely through loose or moist of any thickness. This healing Ointment far more readily penetrates through any hard or crusty part of the living body, carries to the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUIC HUMOURS.

No remedy has ever done so much for the cure of disease of the skin, whatever form they may assume, as this Ointment. Scary, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, deposing the Ointment, and receiving testimonials of its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

None of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and ulcers in Africa. Holloway has dispatched to the East, large supplies of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even 20 years' standing.

PILES AND FISULAS.

These and other similar distressing complaints can be effectually cured, if the Ointment be used, not only in the parts affected, and by otherwise following the printed directions around each part.

Both the Ointment and Pills should be used in the following cases: Bad Legs, Cancer, Sore-throat, Bad Breasts, Contracted and Stiff Skin, Scars, Burns, Bunions, Elephantiasis, Sore-bumps, Bites of Insects, Piles, Sore-nipples, Itch and Sand, Pains in the Head, Pains in the Neck, Pains in the Arms, Pains in the Legs, Pains in the Feet, Pains in the Joints, Pains in the Stomach, Pains in the Bowels, Pains in the Lungs, Pains in the Liver, Pains in the Spleen, Pains in the Pancreas, Pains in the Gall-bladder, Pains in the Bladder, Pains in the Uterus, Pains in the Vagina, Pains in the Cervix, Pains in the Vagina, Pains in the Cervix, Pains in the Vagina, Pains in the Cervix.
