Scotsman Swims English Channel Both Directions

DOVER, England, July 30 — (AP) — A 54-year-old Scotsman swam the English Channel today, the third man to do it in two days.

Ned Barnie, an Edinburgh science teacher who made the crossing from France to England last year, did it the other and harder way yesterday.

But Philip Mickman, 20, a Briton, who followed Barnie on the England-France crossing, gave up eight miles off the French coast. Mickman had been in the water 14 hours when his handlers ordered him into a boat because of heavy seas.

Two others made the crossing yesterday, both swimming from France to England. They were Abdel Litif Abou Heif, 22, Egyptian student who made the season's first Channel swim in 15 hours and 42 minutes, and Philip Rising, 41, an Englishman who was in the water 15 hours and 35 minutes.

A total of 12 tried the Channel this week-end. Others beside Mickman who failed were six men and two women, including a mass formation of five Egyptians who accompanied Abdel Litif most of the way across but couldn't quite make it.

Billy Evans Quits With Detroit Tigers

DETROIT, July 30 — (AP) — William G. (Billy) Evans Saturday announced his resignation as executive vice-president and general manager of Detroit Tigers effective at the end of the season and the club said Charlie Gehringer, one of its all-time greats on the playing field, would be his successor.

The surprise announcement came as the Tigers were on an eastern road trip and staggering through their worst season since Evans took over nearly five years ago. The club currently is only a game ahead of sixth place Washington.

Evans, 51, said he would leave the Tigers Oct. 1, but he doesn't know if he'll retire. "I can always pull out my typewriter and return to newspaper writing," he said.

Owner Walter O. Briggs said Gehringer was the only man considered for the position. Reached on a golf course, Gehringer disclosed that Red Rolfe would be back as manager next season.

Gehringer ended a 19-year career with the Tigers in 1942 and now is a partner in a manufacturing business. Quiet, soft-spoken, Gehringer was one of the game's greatest second basemen. He had a lifetime batting average of .321 and in 1937 was named the American League's most valuable player. The holder of numerous other records, he batted .321 in three World Series and 500 in six all-star games. He was elected to Baseball's Hall of Fame at Cooperstown, N. Y., in 1949.

Evans came to the Tigers in December, 1946, after a long career in baseball. His salary was a reported \$52,000 this year.

Says U. S. Hockey League To Suspend

OMAHA, Neb., July 30 — (AP) — Floyd Oida, sports editor of the Omaha World Herald, said Saturday "it appears all but certain" that the United States Hockey League "will vote to suspend operation for one year."

League directors meet here Wednesday. Oida, in his World-Herald column, predicted the decision will be made then. "The time for the start of practice is drawing near," he explained. "No delays can be made. The league bosses will have to be ready to operate at this huddle or give up the ghost."

But he added: "The league isn't likely to throw in the sponge and disband completely. With hopes for the future, a one-year suspension would freeze the franchises and protect the territory for the future."

Members of the league are Milwaukee, Omaha, Denver, Kansas City, Tulsa and St. Paul. One difficulty Oida said, is that it costs too much to keep the clubs shuttling back and forth between those widely separated points.

SIX MONTREAL BASEBALL TEAMS ARE SUSPENDED. MONTREAL, July 30 — (CP) — City and police officials said Saturday that six baseball teams allegedly affiliated with Communist organizations have been suspended and, if proof is found, others may be suspended from playing in Montreal's parks and playgrounds. George Mantha, director of parks and playgrounds, suspended the N-Flyers more than a month ago, following arrest of three members of the National Federation of Labor Youth, which sponsored the team. They were picked up at Jeanne Mance Park for collecting funds without a permit and now are on bail awaiting trial at the September assizes. Police claim the funds were for Communist Party use and not for the baseball team. More recently five teams, comprising the entire International Softball League, were suspended. This action followed complaints that members of the teams were openly distributing Communist propaganda at Jeanne Mance Park. These teams were affiliated with the Fur and Leather Workers Union, the Association of United Ukrainian Canadians, the Slovak Sporting Club, the United Jewish Peoples Order, and the United Electrical Workers Union. Police said the purpose behind formation of the Communist teams was to attract non-Communists to the cause and obtain signatures to the Stockholm peace petition. GOOD OLD-TIMER.
