

Kensington Lions
To Sponsor Band

KENSINGTON — In an official communication from government house, Lieutenant-Governor F. Walter Byrdman stated he was delighted to learn that the Kensington area would have a band with the assistance of the Lions Club.

E. Locke. Instruments for the band have been ordered and will be presented to the bandmen at the lobster dinner.

The committee hopes to sell 300 tickets and they may be obtained from any Lions member.

The committee in charge of this latest Kensington Lions community project is comprised of Dr. Maurice Clark, George Casley, Rayburn Orr, Stan Moore, Ron Kennedy and Eric Jessome.

Blood Donor Clinic Set For RCAF Tomorrow

SUMMERSIDE — For the third successive year, FO Lois A. Wagner has assumed the responsibility as the co-ordinator for the Red Cross blood donor clinics to be held at the RCAF Station. She is being assisted by FO Roz. Alexander who also acted in this capacity last December.

Quota for the RCAF clinic between 9:30 and 1:00 Wednesday morning is 250 donors. This is the same number as was sought at last December's clinics which exceeded its objective for the first time in several years. FO Wagner is confident that an even better result can be achieved Wednesday as all signs point to an enthusiastic response.

The first of two clinics scheduled for the station during the current year will take place at the Drill Hall tomorrow morning, and will be one of the series of five being held this week in Prince County with an objective of at least 1,185 donors in the four days.

CO-OPERATE IN STUDY
Norwegian, Danish and West German scientists are co-operating in a geological study of the earth's crust under the Skagerak area of the North Sea.

Approximately 150 laymen and over 50 priests are expected to attend the congress, one of four to be held across Canada at the invitation of the episcopal commission of the Lay Apostolate of the Canadian Catholic Conference.

Purpose of the congress is to examine, clarify and appraise national, diocesan and parochial organizations, and to encourage the participation of the laity in the mission of the church. It will also be a preparation for national and international congresses in 1964 and 1965.

Hit-Run Case Brings Fine

SUMMERSIDE — Joseph Francis Arsenault of Summerside was fined \$50 and costs in police court yesterday, Magistrate R. S. Hinton presiding, on a charge of failing to stop at the scene of an accident.

Police Chief S. Donald A. Watanmaker presented the case before Magistrate Hinton, and said Mr. Arsenault lost control of his vehicle in Summerside on Saturday evening, running into a parked car causing estimated damage of \$301.

Mr. Arsenault said the accident scared him and he fled, leaving the vehicle.

HON. L.G. DEWAR, minister of education, laid the cornerstone of the new 7,000 square foot Miscouche Regional High School at the official opening ceremonies of the school before an audience of more than 600 persons yesterday afternoon. Watching Dr. Dewar carry out his task of cementing the stone is Ben W. DesRoches, Richmond, one of the school's trustees.

Modern Miscouche RHS Hailed As Forward Step

SUMMERSIDE BUREAU OF THE GUARDIAN — "Today's students are able to obtain a standard in life that couldn't possibly hope for if it were not for the modern schools," said Premier W. R. Shaw, addressing a large gathering at the official opening of the Miscouche Regional High School yesterday afternoon.

More than 175 students and another 200 parents and teachers were present for the opening of another of Prince Edward Island's up-to-date education centres, as Hon. L. G. Dewar, MD, minister of education, laid the building's cornerstone.

unless equipped to meet a great deal of competition". Education Minister Dewar commented on the beauty of the school and of the appropriate country site for such an institution. He said of the school, this building will be "a great step in the economic and social development of the area".

Hon. Henry Wedge, in his introduction of Dr. Dewar, previous to the laying of the cornerstone, commented on the great need of a high school education and said that there was little room in the working world today for the unskilled.

Devar carry out his task of cementing the stone is Ben W. DesRoches, Richmond, one of the school's trustees.

He congratulated the board of school trustees for its fine work and for being responsible for the construction of the school.

Ben W. DesRoches, school trustee, was the master of ceremonies. An evening of entertainment was held last night featuring high school talent and the Miscouche village band.

Kensington Veterinarian Takes Course

Dr. M. H. Clark of Kensington, has just completed an intensive refresher course in diseases of cattle at the Ontario Veterinary College.

The course, which included doctors of veterinary medicine from Ontario, Quebec, Maritime, Western Provinces, and the United States was designed to bring practitioners up-to-date on recent developments in diagnosis, treatment and disease prevention in farm livestock.

Under the leadership of Dr. J. Henderson, head of the department of medicine and surgery, the course consisted of lectures, demonstrations, and diagnostic procedures.

\$3,000 in Prize Money Is Assured For 'Swim'

BORDEN — More than \$3,000 in prize money has been assured for the Northumberland Strait swim, it was announced at a meeting of Borden citizens last night.

The meeting was called to discuss plans for activities in Borden on the day of the swim, July 27.

It was reported that four entries for the event have come from Montreal, Preston, Ont., Winnipeg and Natic, Mass. The swimmers are expected to enter the water at Cape Tormentine, N.B., at 7 a.m., July 27.

The director of the P.E.I. Travel Bureau, George Fraser, told the gathering that he hoped the town would plan "a big day" for the crowd of between 6,000 and 10,000 that he expected will be in Borden that day.

Progress of the swimmers will be broadcast over the Summerside radio station and loudspeakers will be set up in Borden. Mr. Fraser stressed that Borden should do everything possible to entertain the crowd while it is waiting for the swimmers to make the crossing.

Further meetings will be held to establish committees to take care of various activities on swim day.

It was stated that James MacCormack, Borden and Mrs. Dorothy Peters, two successful swimmers of the strait in the past will be interviewed on the CBC program Gazette, July 13. A film made at the time Mrs. Peters swam the strait may also be shown.

The Borden swim committee handed those who have contributed prize money and awards and the Red Cross and RCMP which are co-operating with the committee.

Also in attendance at last night's meeting was James Pendergast, Charlottetown.

Gulf League Opens Season

The four-team Gulf Southall League, headed by FO O'Connor, opened its 1963 league schedule May 26. The four teams registered for league competition are Bonshaw, Hope River, Hunter River and Oyster Bed Bridge.

Team representatives on the executive are: Cecil McPhail, Bonshaw; Ronnie Bolger, Hope River; George Bernard, Hunter River; and Billy Gauthier, Oyster Bed Bridge.

The league schedule is as follows:

June 9—Oyster Bed vs. Bonshaw; Hope River vs. Hunter River.

June 16—Hunter River vs. Bonshaw; Hope River vs. Oyster Bed.

June 23—Hope River vs. Bonshaw; Oyster Bed vs. Hunter River.

June 30—Bonshaw vs. Oyster Bed; Hunter River vs. Hope River.

July 7—Bonshaw vs. Hunter River; Oyster Bed vs. Hope River.

July 14—Bonshaw vs. Hope River; Hunter River vs. Oyster Bed.

July 21—Oyster Bed vs. Bonshaw; Hope River vs. Hunter River.

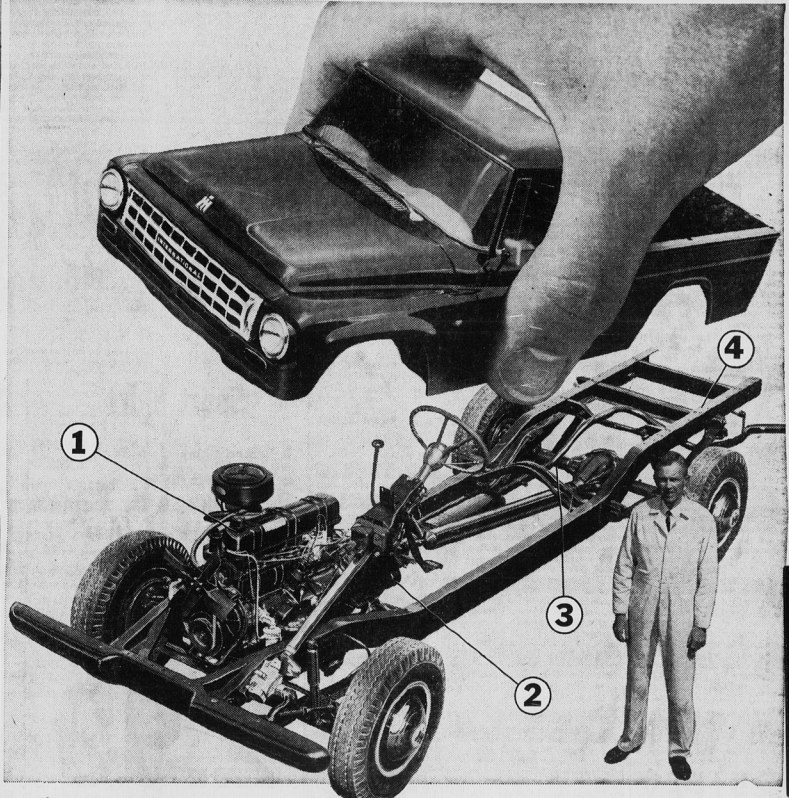

July 28—Hunter River vs. Bonshaw; Hope River vs. Oyster Bed.

Aug. 4—Hope River vs. Bonshaw; Oyster Bed vs. Hunter River.

Aug. 11—Bonshaw vs. Oyster Bed; Hunter River vs. Hope River.

Aug. 18—Bonshaw vs. Hunter River; Oyster Bed vs. Hope River.

Double-header games will be played on June 23, July 21, and August 18.

Here's why INTERNATIONAL pickups outlast all others!

- 1 Bigger, stronger International engines are truck-built to last! The 144 hp engine with 264 cu. in. displacement is the most powerful in-line six offered as standard equipment in any pickup. This bonus of usable horsepower carries your heavy truck loads without strain!
- 2 Transmissions match the big truck engine. International Pickups are all truck all the way. Heavy-duty transmissions are built to take the strain of tough trucking operations. Yet for all their truck endurance, they're quiet and shift smoothly. Automatic available, too.
- 3 Axles are extra-tough too. Hypoid 3 years provide maximum tooth contact for longer, trouble-free performance. Shafts are induction-hardened for greater strength. Most important of all—these are truck axles! An extra margin of strength and endurance is built into every axle.
- 4 Strain-resisting truck frames built on heavy-duty rigid chassis give exceptional stamina and rigidity. Drop-center frame provides lower profile and protects vital components from damage on rough terrain. P.S. International truck bodies last longer too—thanks to more rugged construction, and special rust preventative!

Interment in the Roman Catholic cemetery.

Liberals Believe Divided Farm Portfolio Will Work

BY JAMES NELSON
OTTAWA (CP) — Liberal party planners believe that a division of agriculture department responsibility between two ministers can be accomplished.

They discount a good part of the complaints since the Prairie provinces — that the Eastern provinces have not had proper attention from ministers of agriculture traditionally named from the West.

The last Easterner named to the post — Sydney A. Fisher from Quebec's Eastern Townships — took office in 1956 before the great expansion of Prairie farming.

DEFENCE HAS TWO
The only other department headed by two ministers is national defence, and the two ministers have never been regarded as co-equals though at times they have tried to create that appearance.

Defence ministers, after they have left office, have been frank in describing the division of responsibility between themselves and an associate defence minister as an impossible situation, bound to lead to conflicting instructions to the department.

Four Cases Are Heard In Appeal Ct.

FOUR cases were brought before Chief Justice Thome A. Campbell, Mr. Justice Tweedy and Mr. Justice McGruddan in Appeal Court yesterday in Charlottetown.

Barry Gas, 17, appealing a penitentiary sentence on a charge of theft had his case adjourned to Nov. 14, when a report would be heard by the magistrate who heard the case originally and passed sentence.

Maurice Williams was discharged from custody after serving four months and 14 days of a nine month sentence on a charge of possession of stolen goods. He was to remain on good behavior for the next four months and post a recognizance of \$50.

Two appeal cases involving Barry Gas and Maurice Williams were dismissed as the appeal is now serving a term in Dorchester Penitentiary.

Cigarettes Taken In S'ide Break

SUMMERSIDE — A break at Timmy's Meat Market was disrupted yesterday afternoon by a proprietor, Mr. Arsenault after they had entered his Market Street store.

The rear door had been jammed with a bar of some sort and 12 cameras and cutters in one hundred and twenty five packages of cigarettes were stolen.

Summerside police are investigating the break.

Livestock

MONTREAL (CP) — Demand was fairly good and prices were steady on the Montreal livestock markets Sunday.

Receipts were: 450 cattle, 245 calves, 85 hogs and eight sheep Steers.

Good cows were 17.50, 19.50, medium 18.50-18.75, common 13-12 and canners and cutters 8-15.25.

Choice steers were 25.55, good 24.50, medium 21.25, 20.75, and common 14.25-21. A few food heaters were 20-23.25.

Good wasters were 25-27 and medium 20-23.

Priem were not established for the week.

Too few sheep and lambs were offered to set a price level.
