18 Students Graduate At St. Mary's Convent In Summerside Last Night

—Eighteen students of St. Mary's Convent comprised this year's graduating class and received their prizes and the congratulations of their pastor, Rt. Rev. G. J. MacLellan, V.G., at the closing exercises held in St. Paul's Church last evening.

Assisted by Rev. Joseph LeClair and Rev. Joseph MacLeod, Monsignor MacLellan presented prizes and certificates to the children of all the grades. In addressing the students he congratulated in a special manner the graduates of grade ten. He told them that while they might not have appreciated many of the things in connection with their school days, as time went on they would recognize the importance of those things and as the years roll by they would retain many happy memories of their days in the convent. He told them that while they may have made sacrifices at times in order to go on with their studies, that that was the kind of education that was really worth while. He expressed the hope that their vacation would be pleasant and that they would return in the fall strong in body and mind and ready to take up their studies again.

Fathers LeClair and MacLeod added their congratulations also and wished them a happy holiday also.

On behalf of the Summerside Rotary Club, Mr. T. Earle Hickey C.A., past president of the club, presented certificates of service and theatre pases to the girls of the safety patrol, whose duties had been to protect the children at street intersections while coming and going to school. Mr. Hickey extended the appreciation of the Rotary Club, which had sponsored the patrols at both schools as well as equipping them, and thanked the leaders and workers for the splendid way they had carried out their duties during the school year.

At the conclusion of the exercises Rosary and Benediction of the Blessed Sacrament was held.

Prior to the graduating exercises the graduates of grade ten were tendered a banquet at Mrs. Small's Tourist Home, Summerside East, by the Catholic Women's League. It was indeed a most enjoyable function and at the conclusion of a very enjoyable lobster supper the graduates were addressed by Mrs. Carrol Delaney, president of the league. In enumerating the various projects of the league, Mrs. Delaney said that it contributed to a scholarship fund which had already been won by two Summerside girls.

She said "Your graduation from grade ten is really the first step in your education. Now you must go out into the world and there you must live up to the high ideals you have learned."

Congratulatory remarks were made also by Rev. J. LeClair and Rev. J MacLeod and Mayor Henry W. Wedge, all of whom expressed the hope that the girls would not consider graduation from grade ten as the end of their education but would continue their studies in higher grades and obtain for themselves as much education as possible.

A graduation dance was held in the evening in the Council Chamber of the Knights of Columbus Home. S

Schurman's School

the first place winner in the quiz competition was the Upper Freetown School with the Freetown School placing in 2nd position. In the spelling competition the Sea View School was awarded first position and the Ellerslie-Bideford School took home the bronze shield indicative of second place.

In the 4-and-over classroom division quiz competition, the O'Leary School team defeated all comers and their rival was the Kensington School who placed 2nd. In the spelling competition the Kensington School this time moved into 1st position being very closely followed in 2nd place by the Miriam Academy in Miscouche.

A number of special programs were presented during the season, when at Christmas time the St. Mary's Academy Girls Choir rendered a very enjoyable program with their songs and stories of Christmas.

On Christmas eve the Kensington High School, Summerside Junior High School and Summerside Baptist Junior choir as well as the girls trio from the Summerside High School told the stories of Christmas with their vocal selections. On Good Friday again this year, the M. F. Schurman Co. presented the Messiah by Handel.

Since the inception of the School Parade the M. F. Schurman Co. Ltd. has tried to give audience to as many boys and girls in Prince Edward Island as could possibly be handled on this program.

This year the program was extended two weeks longer in an effort to include some 50 extra boys and girls who would not otherwise have had the opportunity to be on the program this year.

TRIBUTE TO TEACHERS

In his remarks to both the visual and listening audiences, the master-of-cermonies, Mr. Charles Linkletter, paid particular tribute to the teachers, parents and other interested men and women who have taken the time to prepare these boys and girls who have appeared on the program, and he referred to the endless hours of work spent by the teachers in preparing these boys and girls and in travelling with them to Summerside on many different occasions.

Trophies and awards last evening were presented to the first second, and third place winners, by Mrs. Harold Schurman, wife of the president of the M. F. Schurman Co., and Mrs. Schurman was assisted in making the presentations by Mr. Clarence Mercer, supervisor of Summerside High School, who, with Mr. Linkletter, acts as quiz-master on the school parade programs.

Following the presentations, Mr. Allison MacLean, president of the Summerside Home and School Association, and a member of the executive of the P. E. I. Music Festival, made an address of appreciation on behalf of the parents and contestants to the M. F. Schurman Co. for making possible these programs which he said had done so much towards the development of the boys and girls in making them both publicly useful and privately happy.

At the conclusion of the program a beautiful basket of flowers was presented by David Mercer on behalf of the contestants, to be delivered to Mrs. M. F. Schurman.

Let's Talk It Over

by "d"

Last year when results of grade X examinations appeared in the press, we in Summerside were proud to note that pupils of our High School had made a very creditable showing as compared with other schools. To cite one example, Summerside High had ten pupils with an average of 75 percent or better, and no other school had more than four. This would seem to indicate that pupils in this area are of average ability, to say the very least. Wouldn't you say so, folks?

• • •

Yet when these same Summerside pupils take up the studies of Grade XI, it requires more than a whole extra month for them to complete their year's work than is the case in Prince of Wales College, and similar mainland institutions. At P.W.C. the school year ends about the middle of May, while students at Summerside High go right on studying until close to the end of June. Very few, however, would object to a little extra schooling, were it not for the fact that the students who get through school in May grab up all the best summer jobs, and by the time summer vacation arrives for the others, they find it difficult to obtain employment.

• • •

Why do some pupils finish in May, and others in June? For the same reason that one man votes for a dozen provincial candidates for MP. For the same reason that the Chinese bound the feet of their women for many centuries. Because it has always been done. It's tradition—and hands off, you meddling radicals!

I.O.D.E. Bursary Is Awarded

—Miss Audrey Gaudet, a pupil at Summerside High School has been awarded the Abegweit Chapter I.O.D.E. Bursary of $50.00, it was announced at the chapter's final meeting for the 1954-55 season Thursday afternoon. Miss Gaudet intends to enter the Prince County Hospital School of Nursing in September.

The chapter also announced that the sum of $15.00 was voted for the Girl Guides camp and that a new flag had been presented to Summerside High School.

The closing meeting was held at the summer home of Mrs. R. S. Hinton at Stanley Bridge and presided over by the regent, Miss Wanda Wyatt.

MONTREAL (CP)—C. E. Cameron, assistant general passenger agent for the Canadian Pacific Railway Company will retire July 1 after 47 years of service, it was announced Friday. Mr. Cameron joined the company in Saint John, N. B.
