LADIES appreciate Anti-Dandruff from the fact that it not only thoroughly removes dandruff with three applications, but stops falling of the hair, restores fading hair to its original color, and makes it soft and pliable without leaving any indication of a dressing being used. Clear as crystal, clean to use, it is a valuable toilet preparation.

BIG THING IN CATTLE.—Mr. George Irving brought into town yesterday four steers, for which he obtained, from Messrs. Blake Bros., the sum of \$299.31. One of the steers weighed 1940 lbs and was sold for \$97.00. The other three steers weighed 1535 lbs, 1415 lbs and 1371 lbs, respectively. The cattle were of particularly fine quality and highly creditable to Mr. Irving.

A SUGGESTION.—Would it not be well for the managers of future trotting meetings to have the drivers of horses wear colored blouses as well as the regulation cap? The blouses would not cost very much, and they would be a great aid to spectators in following the horses as they move about the track. We feel sure the general public would appreciate the innovation.

Speculation at the recent meeting on the Driving Park, wore a colored blouse in addition to the cap, and his horse could be picked out much more easily than the other drivers of which were not so attired. Who will be the first to move in the matter?

THE MARKETS.—The market to-day was large with little brisk throughout the day. Potatoes are coming in briskly and are quickly bought up by shippers. The prevailing price for potatoes is from 24 to 26 cents per bushel, according to quality. Oats are moving fairly well at 34 to 35 cents per bushel. Hay was in good supply to-day at from 50 to 60 cents each. Inside—Eggs were very scarce at 15 to 16 cents per dozen. Butter was on sale in fair supply at 21 to 23 cents per pound for fresh and 22 cents per lb. for firkin lots. Chicken sold at from 25 to 40 cents per pair and ducks at 50 cents per pair. Geese brought from 50 to 60 cents each. Flour sold at \$2 per 100 lbs, and oatmeal at \$2.50 per 100 lbs. Wild geese were on sale at 60 cents each and broast at 90 cents per pair. Wild duck brought 50 cents to 60 cents per pair and rabbit 30 cents. A few partridge sold at 45 cents per pair. The vegetables of the season sold at the usual prices.

FIRE AT MILLVALE.—On Thursday night last the barn, stable and outbuildings of Mr. Peter McCourt, of Millvale, were destroyed by fire. In the barn was stored about 500 bushels of oats and 50 bushels of wheat, besides the winter feed of hay and straw for the stock. The fire was first discovered by one of Mr. McCourt's daughters, who saw a blaze from her room window about 10 o'clock. She alarmed the household, and on their going out it was found that a straw stack in the rear of the barn was on fire. The flames quickly spread to the barn, and thence to the stable and a shed which contained a lot of hay. In spite of all efforts these buildings were totally destroyed. The stock were saved with the exception of a pig, which was so badly burned that it had to be killed. A truck wagon and a new sleigh, which were in the stable at the time of the fire were also burned. Mr. McCourt's loss is a very severe one. There is no insurance whatever on the buildings. It is believed that the fire was deliberately started.

It may be interesting to know that when excursion rates are made to Chicago for people who live in the East, to enable them to attend the World's Fair next year, it is contemplated by the Western roads to also make excursion rates from Chicago to all principal business and tourist points in the West, Northwest and Southwest, so that those who desire to spend a few weeks among their friends in the Great West, may have an opportunity of so doing without incurring much additional expense. It may be well to consider this subject in advance of actual time of starting, and the Chicago, Milwaukee & St. Paul Railway Co. has issued maps and time tables and other instructive reading matter, which it will be glad to furnish free of expense upon application by postal card addressed to A. J. Taylor, Canadian Passenger Agent, 4 Palmer House Block, Toronto, Ont., or to Geo. H. Heaford, General Passenger Agent, Chicago, Ill. oct17 2i

COME AND SEE THE BALL ROLLING

THE STAR TAILORING ESTABLISHMENT.

TRADE has commenced to move earlier than usual, and we mean to keep it moving if BARGAINS will do it. As we have decided to run our business, on and after October 1st, for CASH, and CASH ONLY, we have determined to quote prices lower than the lowest to secure the patronage of Cash customers.

We have taken this step after an experience of years in business. We learned that those who pay cash are entitled to the full benefit derived from prompt payments; and as "pay as you go" is the only safe road to travel, we will endeavor to educate public sentiment in favor of that independence of character which is not found in those who defer credit to paying cash.

As we want money, we also want to give value for your money. We must, therefore, have you come in and see what we can do for you. The LATEST NOVELTIES in our line always on hand.
