Abbie Sisters Promoting Skate

As a conclusion to a successful winter of hockey, during which they won the Island girls open title after a rugged series with Elmadaie Sisters, the local Abegweit Sisters are sponsoring a skate at the Forum, Wednesday evening next in order to raise funds to pay for sweaters, sticks, etc., used during the past season and so not be a financial burden on the Abegweit Association. This is a fine gesture on behalf of the girls, the sale of tickets will mean a lot of work for them and so it is hoped our citizens will give them every support.

The Week At S. D. U.

In the final game of the Island Basketball League schedule, played on the P.W.C. court last Saturday, the Saints came up with a convincing 84-32 win over the Sport Lodge Trotters. This victory kept the Red and White team's winning streak intact and they closed the schedule having been unbeaten in Island League play for two years. This, in itself, is noteworthy and stands as testimony to the flawless ball the Saints have been playing over the past two years.

Chances May

But Melnikov had warned previously that an atomic war could mean the destruction of civilization. Russia's note to the western powers proposing her admission to NATO and U. S. membership in a European security system mentioned that use of atomic and hydrogen weapons in a war would mean wiping out large masses of people and destruction of world capitals. This was prominently published and broadcast in the Soviet Union.

Union Caves In

Over Thursday there was hand to hand fighting on pier 84 between police and pickets. Friday, police had everything under control as they escorted more than 100 AFL longshoremen in to work the liner Vulcania.

5,120 Back At Work

Sport Echoes From Prince County

While natural ice rinks are doing what comes naturally at this time of year, i.e., getting thinner and thinner on their diet of spring's balmy breezes and sun on the roof, Prince County is collecting a few last laughs in the realm of hockey. Summerside Aces have won the N. B.-P. E. I. Intermediate title, beating the Fredericton Merchants 11-5. There is an old recipe for rabbit stew which begins with: "First catch your rabbit." This was the Fredericton team's trouble. They were big and husky but they couldn't catch the fleet footed Aces so couldn't slow them down. As a result it was they who were in the stew.

The Kensington Midgets took a N. B.-P. E. I. title also. They defeated the Moncton Canucks in a close one by a 6-5 score. We don't think Kensington has ever done that before and Summerside hasn't done it since Pido was a pup. We were in Kensington when a juvenile team played Amherst for the Maritime title, but the Amherst boys came out on top in this sudden-death game, also played in Kensington.

Our Summerside High School boys surprised their supporters to no end by defeating Queen Square School in Charlottetown for the Provincial interscholastic title and this hasn't happened for four years. So although the minor teams who chased pucks in New Raceway Stadium didn't exactly cover themselves with glory, some of the boys participating in these minor skirmishes did make a fine dirt in this interscholastic game.

Windsor Arsenal, hustling forward on the school team scored the first goal with help from his classmate, Bill Noonan, and Garth Harris, another member of that Grade IX class fired the climber. Billy Dawson, who pores over his books just across the hall, did a fine job in the net in holding the fast Queen Square boys to a single tally.

It was with genuine regret that we learned of the unfortunate accident that injured one of Summerside's top athletes, Mark Delaney. Mark excelled, both in baseball and hockey, and it was hoped he might be on next winter's team. We pray that he still may be. Besides his athletic prowess, Mark was noted for his friendliness and his many friends down this way will be hoping for his complete recovery.
