JOINS ARTILLERY - Neil Linkletter, son of Mr. and Mrs. Thomas E. Linkletter, Summerside, has joined the Royal Canadian Field Artillery and is now training at Shilo Camp, Manitoba.

BORDEN CHURCH SERVICE
Sunday, March 4th, in Legion Hall at 3 P.M. Bible School at 2 P.M. Mr. Prager Meeting and Bible Study each Wednesday evening at Mrs. H. MacKenzie's. You are welcome. Rev. D. M. Fraser, Minister.

SERVICES for the Parish of New London, Sunday, March 4th, 4th Sunday in Lent. St. Mark's Church, Kensington. Morning Prayer at 11 A.M. with Sunday School at 10 o'clock. Evening Prayer at St. Thomas's Church, New London at 2:30. Evening Prayer at St. Stephen's Church, Burlington at 7:30. These services will be conducted by Mr. Ross MacKenzie of Summerside.

KINETTE CLUB MEETS - The regular meeting of the Summerside Kinetite Club was held on Wednesday evening at the home of Mrs. Lawrence "Bud" Doyle, Milton Avenue, with the vice-president, Mrs. Elmer Murphy, in the chair. Lunch hostesses were Mrs. R. T. Henthorn, Mrs. J. A. Gallant and Mrs. Charles Hogan. Final plans were made for the party to be held this afternoon at Holman's store and the holding of rummage sale later on was discussed. It was decided to purchase a doll for the Kinsmen spring carnival and make a wardrobe for it. The next meeting will be at the home of Mrs. R. T. Henthorn. - S

PERSONALS
Friends of Leslie Smith, Poplar Grove, will be pleased to learn that he has returned to his home from the Prince County Hospital.
Mrs. Al. Greenan of Kinkora is spending some time in Summerside with her mother, Mrs. M. F. Driscoll and her sister, Miss Florence Driscoll, both of whom are ill with flu. - S
Miss Marie Savage, presently employed with the Bell Telephone Co. at Hamilton, Ontario, is spending two weeks vacation at the home of her parents, Capt. and Mrs. L. G. Savage, New London.

MISS GEORGIE TUPLIN has returned to her duties at Victoria General Hospital, Halifax, after spending three weeks vacation with her parents, Mr. and Mrs. George Tuplin, Conway. S

ALBERTON AND VICINITY
Miss Anne Burke has entered the Western Hospital for treatment.

MR. BRENTON RAMSEY is enjoying a visit with friends in the vicinity of Boston.

FRIENDS of Mrs. Heber Ramsey are sorry to know she is confined by illness and wish for her an early return to health.

MR. and Mrs. Herbert Hodgson, who have been very ill with influenza at the Western Hospital, are somewhat improved.

MR. and Mrs. Roderick McNevin and family left on Friday for Summerside where Mr. McNevin will be manager of the co-operative store. For the past two years he has been the efficient manager of the Alberton Farmer's Co-operative.

AT a special meeting of the Town Council on Thursday evening the following appointments were made: Town Clerk, Miss M. D. Fielding; Magistrate, Mr. Howard Clark; Board of Health, Dr. S. Sandler; Dr. W. A. Shea and members of the Town Council.

SIDE MIDGETS Defeat Alberton
In the first game of a home-and-home series, goals to count, the Summerside Legion Midgets routed the Alberton Midgets at Alberton last night by the overwhelming score of 16 to 0.

Tignish Aces Swamp Micmacs

The Tignish Aces swamped the Micmacs 9-0 in an exhibition game on Thursday at Mount Pleasant rink. A very large crowd witnessed the game and an excellent game was presented by both teams. In spite of some very hard work on the part of the Micmacs they found it impossible to score on the Tignish goalkeeper. The game was refereed by C. McTinnis.

Note Increase in Potato Diseases Here

Increases in the amounts of mosaic leaf roll, black leg and verticillium wilt in Island potatoes last year were noted by Mr. H. L. McLaren, Acting District Inspector of Seed Potato Certification, in his address to the Potato Growers Association on Thursday night.

Losses from late blight amounted to about 10% of the crop," he continued. "Spindle tuber showed a decided increase, 57 fields having been rejected for this disease compared with 21 in 1949. Bacterial ring rot had not been found in the 1950 crop to date. Eleven cases of this disease were found in the 1949 crop. 35,551 bushels of potatoes, produced by 5,394 growers were inspected during 1950. 29,629 acres were passed and 5,952 rejected. Yields for all varieties were good, some growers reporting over 400 bushels to the acre. The average for graded stock was estimated at approximately 200 bushels per acre. This gives a grand total of 5,814,000 bushels graded stock from the 1950 crop as compared with 5,276,000 from the 1949 crop—a reduction of about 2,400,000 bushels.

However, our fall shipments are down as compared with last year—1,250,379 bushels to December 31st, 1950, while the figures to the same date in 1949 were 2,327,571. Up to February 24th this year shipments total 2,590,675. Of this total 1,089,000 bushels have gone by water from Island ports this season; 730,000 bushels were shipped through Halifax and 197,000 bushels through Saint John."

WASHINGTON, March 2—(AP)—The Senate appropriations committee approved plans today of the U. S. Air Force to spend \$30,000,000 to establish a B-47 air combat training base at Wichita, Kas.

WASHINGTON, March 2—(AP)—The United States Government took in \$1,087,477,624 more than it spent in the first eight months of this fiscal year, the Treasury reported today. The fiscal year ends July 1.

Sees Publicity Of Great Value To Potato Industry

"I am thoroughly convinced that publicity has brought much more money into Prince Edward Island than was ever paid into any potato levy by dealers and farmers since 1947. Mr. W. H. Shaw, Deputy Minister of Agriculture stated at the annual meeting of the Potato Growers Association on Thursday night.

He stated that a bulletin on Island potatoes had been printed in 1949 and another one last year. "The last one was done in English and Spanish. Perhaps it is on account of this Spanish bulletin that we have been receiving inquiries from Spain," he said. He stated that numerous inquiries about potatoes from distant parts had been received here and that Sebagoes were first on the list and Green Mountains next.

Trade with the United States is not a one way street, he told the meeting. I believe that last year Canada imported about 2,000,000 bushels from the U. S. A. He also said that the Secretary of Agriculture in the U. S. A., Mr. Brannan had stated that the amount of Canadian potatoes going into the U. S. A. had little influence on their market. In publicizing potatoes, he stated, that people must be told that they are not fattening. "The name and grade of the potatoes should be on the containers so that the housewife may know what she is buying and she may be sure of getting the same quality potato week after week."

He reviewed the set up of the Potato Promotion Committee in 1949 and outlined their primary functions as including: Control of diseases; extension of markets, education and publicity. Another function was to decide what compensation should be paid in the case of the outbreak of disease, he stated.

Metal Rationing Starts In Canada

OTTAWA, March 2—(CP)—Metal rationing has started in Canada, Trade Minister Howe told the Commons today. In the case of nickel, each customer is supplied on the basis of 65 per cent of his average monthly purchases during 1950.

In the case of copper, zinc, aluminum and lead, the basis is to maintain supplies at average monthly purchases last year—but no higher. This rationing plan, said Mr. Howe, is being carried out by industry itself, in consultation with the government.

New Sub-Killer Launched In U. S.

GROTON, Conn., March 2—(AP)—The United States navy's latest weapon in underwater warfare—an anti-submarine submarine—slid down the ways today at the Electric Boat Company's shipyards here. The sub killer, designed K-1, has the latest electronic and sound detection gear packed within its hull. It is 108 feet long and displaces 750 tons, small in comparison to fleet-type submarines—311 feet and 1,500 tons.

LONDON, March 2—(Reuters)—Marie Elizabeth Dickin, 81, founder of a network of animal hospitals in Britain in 1917 died here today without ever having had a pet of her own. The organization attends to more than 1,000,000 animal patients a year.

Defense Projects Bring Big Orders To Other Provinces

OTTAWA, March 2—The Government has given first details of the big defence projects construction program being launched in Canada, including the building of new and improved barracks blocks at most sea, air and army bases. In a statement by the Government's Crown agency—the Defence Construction Limited—contracts of almost \$13,000,000 were announced, including one for construction at Whitehorse, Yukon, on the important Northwest Staging Route.

Largest of the contracts—one for \$1,646,000—went to Bird Construction Ltd., Lethbridge, Alta., for barracks blocks and messes at Camp Shilo, Man., big artillery and paratroop training centre. Another big one of \$1,464,000 went to M. Sullivan and Sons of Arnprior, Ont., to build up workshops and barracks at Petawawa military camp. Sterling Construction Company of Windsor, Ont., received a \$1,142,000 contract to build up an undesignated military base at North Bay, Ont., likely spot for an R.C. A.F. fighter squadron.

The Barrfield, Ont., signals centre will be brightened with new barracks blocks to be constructed by the Sullivan Company of Arnprior at a cost of \$1,078,800. The Dartmouth naval base will get new steam generating facilities, a boiler house, tunnels and a new electrical system. While out in the West, Barrfield blocks will be built at Fort Nelson, B.C., Whitehorse and Calgary. Contracts of more than \$100,000 awarded up to Feb. 1: Construction, steam generating plant, Dartmouth, N.S.; Babcock-

Wilcox and Goldie-McCullough, Ltd., Galt, Ont.; \$279,800. Construction, boiler house and tunnels, Dartmouth; Acadia Construction Co., Ltd., Bridgewater, N.S.; \$688,000. Steam systems and steam plant auxiliaries, Dartmouth; Canadian Comstock Co., Ltd., Montreal; \$294,100.

Construction, administration building, Dartmouth; Acadia Construction Co., Ltd., Bridgewater, N.S.; \$196,950. Building, Deepbrook, N.S.; Annapolis Valley Construction Ltd., Truro, N.S.; \$409,800. Construction, mess, supply building, fire hall, bulk petroleum storage, Chatham, N.B.; Modern Construction Co., Ltd., Moncton; \$735,500. Construction, barrack block, Quebec City; Fra. Jobin Inc., Quebec City; \$233,050.

Construction, unit supply building, barrack block, combined mess, North Bay, Ont.; Sterling Construction Co., Ltd., Windsor, Ont.; \$1,142,700. Additional construction laboratory, Montreal road, Ottawa; Doran Construction Co., Ltd., Ottawa; \$568,000. Construction, barrack blocks, mess hall, workshop, Petawawa military camp; M. Sullivan and Sons, Ltd., Arnprior, Ont.; \$1,464,900. Construction, barrack block, mess hall, Camp Borden; Hill-Clark-Francis, New Liskeard, Ont.; \$47,800.

Construction, barrack blocks, Barrfield, Ont.; M. Sullivan and Sons Ltd., Arnprior, Ont.; \$1,074,800. Construction, barrack block, etc., Clinton, Ont.; Johnson Brothers Co. Ltd., Brantford, Ont.; \$337,800. Construction, barrack blocks and messes, Camp Shilo, Man.; Bird Construction, Ltd., Lethbridge, Alta.; \$1,646,000. Construction, barrack block, Chilliwack, B.C.; Bennett and White Construction Co., Ltd., Vancouver, \$434,300. Construction, permanent married quarters, Fort Nelson, B.C.; Marwell Construction Co., Ltd., Vancouver; \$400,850. Barrack block, Whitehorse; Marwell Construction Co., Ltd., Vancouver, \$619,800.

O'Leary Wins Round From Freetown Team

The O'Leary Maroons roared back from a two-goal deficit to beat the Freetown Royals in Bedeque rink last night by the score of 7 to 4 winning the round 11 to 10. Freetown had beaten them in O'Leary 4 to 4. O'Leary went at it hammer and tonges from the opening whistle and scored four counters before Freetown was able to find the net for a single tally. From then on the play was fairly even but the damage was done.

First Period
