

## DOWN THE BACK STRETCH

On a post card dated Vancouver, March 13th, received from Rankin McLaine, Director of the Provincial Exhibition Association, is the following: "Have been here for seven days and have not seen a horse. There are very few out here. Have met some former Islanders who were asking for you and others at home." British Columbia is not harness horse country. As far as we are aware there are only one or two harness horse tracks there, but the runners hold forth both in Victoria and Vancouver, probably due to the fact that a great many of the first settlers were Old Country people.

Dr. George Bishop was delighted a few mornings ago to greet a new arrival foaled by Calumet Mary 2.13 1-2. The sire is Josedale Hoosier 2.07. Both are owned by the Doctor. The first foal sired in this Province by that good pacing stallion Jollity 2.05 1-4, arrived early this week and according to Emmett Gallant is a very husky, fine looking youngster. He is owned by Archie Ferguson Southport.

At Grindstone, Magdalen Islands last week the valuable brood mare Rosebud 2.19 1-2 died suddenly. She was owned by Phillip F. Turnbull, who has a very likely colt from her, Murphy Britton, that he is having registered with a view to racing later. Rosebud was bred by the late George H. Reddin and sold to Harry Murphy of this city, who gave her her record and sold her to Mr. Turnbull. She was foaled in 1931 and her sire was Bud Axworthy 2.14, full brother to the former world's champion trotter Lee Axworthy 1.58 1-4. Her dam was Karsavina by Peter the Great, granddam Widow Lola by Onward, grand granddam the Widow. Karsavina was sold by the Old Glory sale in New York, passing into Mr. Reddin's ownership. She was considered at the time to be a very valuable brood mare. Her sister, Widow Maggie 4, 2.24 1-2, is the dam of eleven including the famous sire Mr. McElwain 1.59 1-4, Benelwyn 4, 2.01 1-2, Miss McElwain 2.04 1-4, Herbelwyn 2.05 3-4, etc. She is the granddam of Sister Mary 4, 2.00 3-4 and many other fast performers.

John F. Bears, Brooklyn, P.E.I. has a much admired filly sired by Real Money 2.09 1-2, dam, Dorothy Dix by Watson Peter 2.15 1-4 by Chestnut Peter 2.04 1-4. She will be two years old in July and has every appearance of being fast.

Louis G. Najac, Providence, R.I., well known to many Maritimers, particularly residents of New Glasgow, N.S., has been honored by being elected secretary of the Rhode Island Driving Club at its annual meeting last week. Mr. Najac's harness horse column which appears in the Evening Bulletin, Providence, and other papers, is widely read throughout the eastern United States.

Secretary A. D. Napke, P.O. Box 102, Newcastle, N.B., is sending out entry forms for the Miramichi Stake Races to be raced July 3rd at Chatham, N.B. No. 1 Stake is for 30 class horses and has a value of \$1,000. No. 2 is a Free For All Trot and Pace, purse \$400, and No. 3 a trot and pace class to be named at a later date, purse \$300. The nomination fee for the \$1,000 stake is \$10, payable March 31st, with a second payment of \$20 May 15th and a third payment of \$20 June 15th. This stake has been raced for several years at Chatham and has been a popular one with owners, drivers and spectators. It was won last year by Andy's Right, owned and driven by B. C. Cruickshank, Halifax, in straight heats, Skipper's Pride 3-2-2, May Josedale 2-3-3, Louise Protector 6-4-4, Nova G 4-6-6, Peter H. M. 7-7-5, Albaloma 9-8-7, Peggy Lynn 5-5-5, Bonnie Clegg 8-10-8, Major Boy 10-9-9. Time 2.13 2-5, 2.13, 2.14 2-5. Andy's Right 2.13 was a six year old gelding by David Guy D., bought at the Harrisburg sale the previous fall. In Mr. Cruickshank's hands he looked like a possible 2.10 pacer.

There are horses racing today with ages ranging up to seventeen years but there has never been anything to compare in the annals of racing with that immortal trotting mare Goldsmith Maid. She appeared on the race track at 16 different states and on 50 different tracks in 48 different towns from 1865 to 1877, and her journeys included three transcontinental trips from California to Massachusetts. Only twice during all her racing years did she finish out of the money. In 123 starts she was 97 times first, 16 times second, 7 times third and once fourth and she won 350 heats out of 426. When she was twenty years of age she equalled her world's one mile trotting record of 2:15 and that was to high wheeled sulky. Her race winnings totalled \$208,462 and these were greatly increased by exhibitions against

The \$1,000 2.30 class trot and pace stake raced July 1st, 1948.

was won by Starlight Direct in straight heats, Billy Protector 3-2-2, Catherine Volo 2-3-4, Don Fingo 6-4-3, four other starters, best time 2:22 2-5. The winning horse was owned by H. W. S. Allingham, Gagetown, N.B., and the driver was Orin Jardine.

A Summerside horseman has requested the summary of the Josie the Great - Peter Reeper race we referred to last week in which Peter, after getting out in the lead the first heat and holding it to the three-quarter pole finished fifth. Then being tucked in the next two heats behind Josie was 2-2. Our inquirer also wants to know more about Josie's campaign that season, so here we are... Charlottetown, Aug. 17, 1938, 2.16 Pace - Josie the Great (Conroy) 1-1-1; Peter Reeper (MacKinnon) 5-2-2; McElwain the Great (F. Calbeck) 2-5-4; Killarney (McKinney) 3-4-3; Aaron L. (J. O'Brien) 4-3-5; Ann Froggson (Cummings) 4-3-5; Hime, 2.10, 2.09, 2.10. The middle heat was a new Maritime record for Maritime bred pacing mares.

Later that year at Woodstock, N.B., on September 23rd, Josie the Great (Conroy) won the 2.15 trot and pace in straight heats, John Dean 2-2-3, Harry Van 3-3-2, Time 2.10 3-4, 2.06 1-2, 2.07 1-2. The middle heat is the fastest mile ever paced by a Maritime bred mare over a Maritime track. Josie's career that year was really phenomenal. She paced four miles in 2:10 and won five other heats in 2.06, 2.07 3-4, 2.07 1-2, 2.07 1-4 and 2.06 1-2. Altogether she took part in fifteen races winning eight, was five times second and once third and divided first and second monies with Dudy Patch at Truro. She was sired by Captain Aubrey 2.07 1-4 and was owned by Lester Bickerton, Amherst, and trained and driven by Johnny Conroy. Faster times have been made by other Maritime bred pacers on State of Maine tracks. At Old Orchard mile track July 5, 1948, Janet Dale by Playdale, formerly owned by Willard Kelly, Southport, won in 2:06 2-5 and at the same mile track July 14, 1948, Ann Clegg, formerly owned and bred by George A. Calbeck, Summerside, won in 2:06 1-5. That good pacer Billy Conroy 2.12 2-5 by Calumet Budlong, is out of Josie the Great 2.06 1-2. Last year Billy won eight dashes. He is owned by Ensor Bowness, Summerside.

One of the most heroic feats of the trotting horse days in America was performed by Trustee, a son of the imported thoroughbred Trustee out of the trotting race mare Fannie Pullen. A wager was made by the owner of Trustee that his horse could trot twenty miles under saddle within sixty minutes. It was promptly taken up. He actually stepped the grueling route in 59 minutes 35 1-2 seconds, or at a rate of better than a mile in less than three minutes. Those kind of races with lots of bets on them were features of the early days before tracks were in operation. Another was turned in by the trotter John Taylor in 1857. He trotted thirty miles to harness in 1 hour 47 minutes at San Francisco. His average for the route was close to a mile in every 3 1-2 minutes.

Whether or not the boys had swapped a couple before that time this writer couldn't say, and the fray was broken up before any apparent damage had been done and both were banished to the "cooler" for five minutes apiece. But it didn't end there. Fans were just settling back in their seats again when the boys renewed hostilities amid a confusion of timekeepers and excited fans, the warriors finishing the battle on the broad of their backs in the passageway between the boards and the seats, where coaches, referees and spectators finally broke it up. It was excitement while it lasted but it is hard to say whether the players themselves received any great personal satisfaction or not, but we do know that they got an additional 10 minute misconduct and were ushered to their dressing rooms for their pains.

The Saints will now meet the Summerside Crystals in a best of three series for the Island Intermediate A Hockey title, which will see a best of three series get rolling at Summerside tonight, and will more than likely be resumed here on Monday or Tuesday of next week.

**GREEK SPORTS**  
The ancient Olympic Games were celebrated every four years at Olympia, on the bank of the river Alpheus in Greece, and records of these games begin in 776 B.C. and end in 394 B.C.

**ANCIENT OCCUPATION**  
Earliest cultivation of the soil by men is believed to have begun about the year 10,000 B.C.

Battling at very close quarters to a 2-2 draw at the Forum on Thursday night, Saint Dunstan's and Abbies sune rounded off their semi-final playoff series in exciting style that gave local hockey fans plenty of smart hockey and fast, rugged action, with Saints emerging the series victors.

Ever since Saints took a close 5-3 victory over Jackie Kane's pucksters in the series opener on Monday night, we felt that the final game was going to be a close action-packed tussle, that would leave the final decision in doubt right to the final bell and that is just about how it turned out except that there was even more action and good hockey than anticipated.

By far the smartest encounter seen here in Intermediate A play this season, both squads hit a killing pace right from the opening first period, and came up with some really tricky passing attacks that should have paid off with many more goals scored than there were, except for some smart rear-guard action on the part of the defence on both teams and outstanding goaltending.

The goaltending was one of the highlight features of the game, with Hooper of Abbies and Strain of Saints at the top of their form all through the encounter. With attacking forwards hammering around their nets all evening, the boys had to stop rubber from all angles, and although performing solid all night, both came through with sensational stops at times during really hectic moments. Neither let in a soft goal all night, and were beaten cleanly on the brace apiece that did get by them.

Going into the fray trailing Saints by two goals on the series, Abbies held their opponents scoreless for two periods to pick up a goal in each for the deadlocking counters on the fourth and made the final outcome of the series as unpredictable as the weather going into the final session.

Playing determined, top-notch hockey all night, the Saints untiring efforts were rewarded in the final frame when they came through with two well-earned goals to tie up the game count and regain their two-goal advantage which they held onto grimly for the remainder of the game, and took the series by a 7-5 margin.

Although clearly played, the game was not without its little side play on the "many art of self defence" when during a particularly hot session in the closing minutes of the game, Ralph Josey and Joe Mahar tangled in a little fracas all their own, the origin of which can probably only be explained by the boys themselves. Most everybody's attention was concentrated on the play that was centered up in the Saints end of the rink, which had moved there from the Abbies zone only a few seconds before, when all eyes were suddenly turned to approximately the Abbie blue line where the fracas started. At first glance it appeared that Josey was endeavouring to disrobe Mahar by pulling the latter's sweater over his head, with Mahar objecting strongly to the treatment.

Whether or not the boys had swapped a couple before that time this writer couldn't say, and the fray was broken up before any apparent damage had been done and both were banished to the "cooler" for five minutes apiece. But it didn't end there. Fans were just settling back in their seats again when the boys renewed hostilities amid a confusion of timekeepers and excited fans, the warriors finishing the battle on the broad of their backs in the passageway between the boards and the seats, where coaches, referees and spectators finally broke it up. It was excitement while it lasted but it is hard to say whether the players themselves received any great personal satisfaction or not, but we do know that they got an additional 10 minute misconduct and were ushered to their dressing rooms for their pains.

The Saints will now meet the Summerside Crystals in a best of three series for the Island Intermediate A Hockey title, which will see a best of three series get rolling at Summerside tonight, and will more than likely be resumed here on Monday or Tuesday of next week.

## Saints Meet Crystals In Finals Opener At S'side

The Cinderella team of Island hockey, the Summerside Crystals, who after squeezing into the play-offs of the Prince Edward Island Physical Fitness Hockey League by the skin of their teeth, kept right on rolling along to enter the league finals, will play host to St. Dunstan's hockey sextet at Crystal rink tonight in the first game of a best-of-three series for the Island hockey crown. If the rejuvenated Crystals continue to show the hockey that they have shown in their last four games, they should prove a tough obstacle for the University boys to hurdle. Tonight's game is expected to be the hardest-fought game of the current season.

The S.D.U. team will probably be harder to subdue than either Prince of Wales College or the Charlottetown Vics, but the Crystals, packing their present scoring punch, should come out victors. Joe Mahar and Cliff Bernard, the sensational young player from Tignish, will be the boys to play tag with in this series, and the Crystals intend keeping a watchful eye on them. Prince County hockey fans will also see Stanley "Hammer" Deighan of Summerside, Rogers of Borden and Jim Myers of Wellington in action. It is expected that Dr. Vince Grant will, in this important contest, stick to the line-up which suddenly brought the wobbly Crystals back into the hockey picture. If the weather is right, there will probably be one of the largest crowds ever to see a hockey match in Crystal rink, assembled to see this important game between the two finalists, St. Dunstan's University and the Summerside Crystals. - S.

## Curlers Home From Vancouver

The Prince Edward Island representatives to the Dominion Curling Championship competitions arrived yesterday from Vancouver.

The rink consisted of David "Tud" MacLeod, Danny O'Rourke, Doug Saunders and Heath Saunders, and all team members report a wonderful trip with unrivaled hospitality. While in Vancouver they met numerous Islanders including Lloyd Manuel who is a student at the University of British Columbia, and is articulated to a chartered accountant.

Although the local curlers ran into a streak of bad luck in their matches, they did make the Vancouver newspapers in another capacity, that of being the best-dressed men on the ice. The Vancouver Daily Province refers to them as follows: "The Talk of the Town tiny tankard for best-dressed honors went to the Prince Edward Island competitors, but only after much weighing of evidence and due to the fact their lead man, David MacLeod, took off his sweater. The Charlottetown gang wears royal blue shawl cardigans, trimmed in red and white. They affect the solid dark blue Glen-gary with red nob. Very neat; but matched by several rinks. But they go the extra mile. Underneath they wear yellow tartan shirts and ties of the same clan."

## Sussex Juniors Defeat O'Leary In Semi-Final Opener

SUSSEX, N.B., March 17 (CP) - A Maritime junior hockey semi-final series opened tonight with Sussex Rangers defeating O'Leary, P.E.I., 11-6. The second, deciding game will be played here tomorrow night.

Rangers took command from the start and banged home five first period goals against one for the Islanders, who shot only another single in the middle frame while Sussex counted three times for an 8-2 lead.

LeBlanc and A. Rogerson both scored a brace for O'Leary. Bernard and L. Harris were the other visiting scorers.

**Milton Hornets Win Trophy**  
Milton Hornets won the S.R. Johnston cup in the North River Hockey League last night when they defeated Cornwall Meteors 6-2 at North River rink. The victory was the third straight for Meteors in the best of five series. After the game, Fulton Warren presented the cup on behalf of Mr. Johnston.

## Q. S. S. Ties P. S. S. For City Ch'ship

Lead by the sharpshooting of young Charles "Whiff" MacDonald, who notched up three goals, Queens Square School sent the Prince Street School pucksters down to a lopsided 9-1 defeat at the Forum last night and earn a league leadership tie with the P. S. S. boys in City Interscholastic Hockey championship competition.

It was the final game in the league schedule and now forces the two teams into an extra play off series which will get underway here next week for the city title.

With the exception of the early part of the first period, when Brian Lewis broke away on a solo effort from behind his own blue line to notch up Prince Street's lone tally for a very smart play, the Queen Square pucksters had everything pretty much their own way and skated circles around their opponents.

Breaking into the scoring only 38 seconds after Lewis' opening goal, the Q.S.S. squad banged in three in a row to take a 3-1 edge by the end of the period, and continuing the pressure in the second added three more to run their count to 6-1. Going wide open on the play to score three more without a reply from the opposition in the final session, their opener coming in the first 30 seconds of play, they wrapped up the game going away in style for a decided eight-goal margin.

Other goalgetters for Queen Square were MacLeod, C. Ready, C. Carroll, W. Burke, R. Trainor and Gillis, all garnering one each, the latter also chalking up three assists.

The following are the lineups and Summary:

Lineups:  
Q.S.S.: Goal, R. Carroll; defence, C. Ready, J. MacLeod, R. Kelly, McGuigan; forwards, C. Gillis, W. Burke, C. MacDonald, R. Trainor, B. Trainor, B. Kelly, C. Carroll, Richard, Duffy, Kays, LeClair.  
P.S.S.: Goal, Douglas; defence, MacDougall, Taylor, Tanton, Cudmore; forwards, Lewis, Turner, McFadyen, Leitch, Boswell, Carson, MacLeod, Hood, Whitehead.  
Referees: Jack Kane, Walter Lawlor.

**SUMMARY**

1-P.S.S., Lewis	2.20
2-Q.S.S., MacLeod (Gillis)	2.58
3-Q.S.S., MacLeod (B. Kelly)	5.42
4-Q.S.S., C. Ready	6.35
5-Q.S.S., Carroll	7.30
6-Q.S.S., MacDonald (MacLeod)	12.05
7-Q.S.S., W. Burke (Gillis)	30
8-Q.S.S., R. Trainor (B. Kelly)	3.50
9-P.S.S., Gillis	8.48
10-Q.S.S., MacDonald (Gillis)	13.50

Penalties: MacDougall, B. Kelly

**THE STANDINGS**

The following are the final league standings:

Teams	GP	W	L	T	P
P. S. S.	4	3	1	0	6
Q. S. S.	4	3	1	0	6
W. K. S.	4	0	4	0	0

The sportsmen's meeting held in the City Hall, Charlottetown, on Friday, March 10th for the purpose of re-organizing the Queens County branch of the P.E.I. Fish and Game Protection Association saw a large number of sportsmen in attendance. Farmers from outlying districts filled many seats in the Hall and displayed marked enthusiasm. The number present at the meeting crowded the one hundred mark.

The balloting resulted in a swing from urban to rural control. The Queens County Association may now be called a farmer game association. Out of twelve executive members nine are from the county and three are from the city. The vice president is a farmer sportsman from Pownal, Vernon, Mt. Herbert, Pownal, Bunbury, Mount Stewart, Winslow, Rocky Point, Victoria and Brackley are represented on the Executive Board.

Just how this setup will work out remains to be seen. The great bulk of Queens County hunters live in Charlottetown and yet have only three representatives on the Executive. When Executive meetings are called, it may be difficult to form a quorum and thus be able to transact business. During periods of bad roads and stormy weather it will be quite a chore for Executive members living a long distance from the city to attend.

The timely thaw gave our upland game birds a much needed breather. If the icy crust had lasted much longer, casualties would have occurred at an alarming rate. As it was only a small percentage died. It is Nature's law that the older and weaker members of a species go first, thus the weeding out process may have been a blessing in disguise as we will be assured of a harder and healthier breeding stock this spring. In some sections west of Summerside the losses among Hungarian partridge was heavier than in east Prince and Queens and Kings counties. The western sections experienced a much heavier fall of snow this winter.

Reports coming in from outlying districts indicate that the Hunters are sustaining losses from the Vernon River area has been cut down to four by a large Goshawk (locally called hen hawk). In the Hermitage district a pair of ravens were seen to swoop down on a covey of Huns in a field. One partridge that was slow on the take-off was cornered by the ravens and when last seen they were having a tug of war with the luckless bird. The observer who reported the incident to me said he was too far away to be of any assistance and it was only a matter of minutes before their victim was pulled apart.

Early in the week an engineer on the train running west noticed that a covey of 20 Huns located a mile or so west of Freetown was losing some of its members. They kept going until there were five missing. They seemed in good shape and starvation was out of the question. One morning when making the run he observed a large white bird, surred, with black feathers eating something between the rails. When the engine got within 10 or 20 yards, he saw by the big round head and yellow eyes that it was a Snowy owl. Only

(Continued on page 15)

## Halifax Retains Big Four Championship With 6-1 Win Over Beavers

HALIFAX, March 17 - (CP) - Halifax St. Mary's retained their Maritime Senior Hockey League title tonight, defeating Saint John Beavers 6-1 in the best-of-seven series 4-3.

Saints now meet Sydney Millionaires, champions of the Cape Breton Senior League, for the Maritime crown and the right to advance along the Allan Cup trail. First games of the series will be played here Monday and Tuesday with the next two games in Sydney Thursday and Friday. Other games, if necessary in the best-of-seven series, will be in Sydney Saturday and in Halifax the following week.

Beavers had the lead only once - on the first goal of the game - in tonight's tilt. Lorne Smith took a pass from Dick Wray to flip it past Saints goaltender Jack Donley at the 10:14 mark of the first period.

Saints tied it at 19:16 on a shot by Joe Schmidt and then went on a rampage in the second and third frames to cop the title. Winger Goedic Armstrong with two goals and an assist was high scorer for Saints with Bill Ford in second with two goals.

Smith, by virtue of his sole counter and his outstanding defensive game, was about the best man for Beavers.

Both netminders - Donley and Floyd Perras - were outstanding, especially Perras in the opening period when he pulled off spectacular saves. Perras saved 25 shots and Donley 27.

**First Period**

1-Saint John, Smith (Wray)	10:14
2-Halifax, Schmidt (Steel, Armstrong)	19:16

**Penalties -** McLaughlin, Sullivan, Heon.

**Second Period**

3-Halifax, Ford (McGregor, McLaughlin)	4:14
4-Halifax, Armstrong (Steel, Hannon)	6:49
5-Halifax, Gaudet (Schmidt, Hannon)	13:41

**Penalty -** Croucher

**Third Period**

6-Halifax, Armstrong (Schmidt)	7:25
7-Halifax, Ford (Brennan, Steel)	10:30

**Penalties -** None.

## Willie Pep Retains Crown

NEW YORK, March 17 - (AP) - Featherweight champion Willie Pep successfully defended his crown tonight by gaining a lopsided 15-round decision victory over Ray Farnochon of France in a bout that drew a crowd of 12,106 fans in Madison Square Garden. Pep weighed 124 1/2 lbs., Farnochon 126 lbs.

The decision was unanimous, but the little champion's holding tactics drew a storm of jeers from the crowd.

Referee Ruby Goldstein scored it 10-3-2 and judge Jack O'Sullivan voted 9-3-3. The Associated Press score card had Willie the winner 11-3-1.

The Department also announced that the first games in the Paperweight, Fee Wee and Bantam hockey playdowns for Island titles will be played at North River rink on Tuesday night commencing at seven o'clock.

The semi-final playoffs in the Provincial girls interscholastic competition will also take place at North River the same evening when Prince Street School cross sticks with the Summerside Convent girls team.

**LOST-BLACK LEATHER BILL** fold, identification inside. Finder please leave at Guardian Office. Reward.

**FLYING CURLERS RETURN HOME**  
Curling fans who travelled by chartered Maritime Central Airways plane to the Dominion championships at Vancouver last week, returned to Charlottetown about 4.30 yesterday afternoon. They had left Vancouver Sunday at 9 a.m. and spent some time at Calgary, Winnipeg, Fort William, Toronto and Montreal en route.

Several of the group of some 26 were from Charlottetown, with the remainder from Summerside and points in Nova Scotia and New Brunswick. Brief stops were made at Moncton and Summerside to discharge passengers. A very successful trip was reported. The plane left here March 8 and reached Vancouver March 5.

## Intercollegiate Hoop Series To Open Today

Prince of Wales College Basketball team tangle this afternoon in the first game of the Intercollegiate Basketball Series at the P.W.C. auditorium. Game time is set at 4 p.m.

The series is an annual affair between the two teams and in the past year has come up with good basketball. Today's game should prove to be no exception to the past.

A large crowd of fans are expected to sit in on the encounter with cheering sections from both colleges adding a bit to the contest with their cheering. Both teams have participated in the recently concluded Island Basketball League and both have given a good show. The Saints finished third in the League but were edged out of the finals in their semi-finals by Ray's Millionaires in a close series. The Welshmen on the other hand finished fifth in the league but had gained many admirers in their last three or four games when they gave the leaders of the league many exciting moments. Just previous to the semi-final round they walloped the Millionaires in an exhibition game. Today's game should prove to be a natural between the two teams. Saints will go into the fray with a little edge but the city scholars have a habit of upsetting the applecart in sporting circles and will not be counted out until the final whistle.

## Mercurys Win Opening Game

LONDON, March 17 - (CP) - The favored Edmonton Mercurys swamped Switzerland 11-1 today in their first game of the final round-robin in the world hockey championships, but a vastly improved United States team moved in as dark horse contender by upsetting highly-rated Sweden 4-2. In the third game played today Britain squeaked to a 4-3 win over Norway. Britain fired the tie-breaking goal two seconds before the final whistle.

## Announce Dates For Hockey Finals

It was announced last night by the Department of Physical Fitness that the home and home series between Summerside Kinsmen and the Charlottetown Victorias for the Provincial Midget hockey championship will take place next week with the opening game scheduled for the Western Capital on Monday night at eight o'clock and the second game at North River rink on Thursday night at the same hour.

The Department also announced that the first games in the Paperweight, Fee Wee and Bantam hockey playdowns for Island titles will be played at North River rink on Tuesday night commencing at seven o'clock.

The semi-final playoffs in the Provincial girls interscholastic competition will also take place at North River the same evening when Prince Street School cross sticks with the Summerside Convent girls team.
