Potash Soap to Prevent Dimming of Eye-Glasses

Constant wearers of eye-glasses, spectacles, etc., are much annoyed by the dimming of the glasses upon entering a warm room from a cooler place. It will greatly interest them to know that this evil can be obviated by rubbing the glasses with soft soap. All that is necessary is to rub every morning or before going out a little so-called green soap (washing soap, potash soap) over the whole surface of the glass, polishing it until it is bright again. The preparations, "Glasolin" and "Oculastro," offered for the same purpose at high prices, are nothing else than pure potash soap.—Die Werkstatt.

The mother who would be horrified at the thought of letting her daughter wander away to a strange country without guide or counsel, yet permits her to enter that unknown land of womanhood without counsel or caution. Then, in utter ignorance, the maiden must meet physical problems whose solution will affect her whole future life. Dr. Pierce's Favorite Prescription has been well named a "God-send to women." It corrects irregularities and imparts such vigorous vitality to the delicate womanly organs, as fits them for their important functions. Many a nervous, hysterical, peevish girl has been changed to a happy young woman after the use of "Favorite Prescription" has established the sound health of the organs peculiarly feminine.

You pay the postage. Dr. Pierce gives you the book. The people's Common Sense Medical Adviser 1008 pages, 700 illustrations, is sent free on receipt of stamps to defray cost of mailing and customs. Send 11 one-cent stamps for the paper-bound book, or 50 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

SOLDIERS BANQUETTED.

A Good time at Revere Hotel last Night.

The banquet at the Revere Hotel last night in honor of the soldiers recently returned from South Africa was a very pleasant affair. The tables were well filled with good things, and reflected credit upon Mrs. Brown.

About forty guests sat down. Colonel Moore presided, and Col. Longworth acted as vice chairman. A letter regretting his unavoidable absence was read from Mr. Farquharson.

The first toast to be honored was "The Queen," which was followed by the singing of the National Anthem.

Then Mayor Warburton read an address of welcome to the men in the course of which reference was made to the highly creditable part taken by Canadians in the war in South Africa.

This was followed by the toast of "Our Guests, the heroes of Paardberg," to which Messrs. McLean, Harris, Proud, McDonald, Coombs, Cameron and Kennedy responded.

"The non-combatants," the next toast to be honored, called up Rev. Mr. Fullerton and Major Hodgson.

"The Royal Canadian Regiment" came next. It was responded to by Rev. Mr. Fullerton who spoke of the good work done by Messrs Brown and McLean while with the Red Cross, of the bravery displayed by Captain Weeks on all occasions, of the coolness of Lieut. Macdonald and the kindness of Orderly Dillon.

"The historian of the War" was responded to by Mr. H. V. McKinnon.

"Officers and men of the Militia who remained at home" called forth responses from Col. Longworth, Major Stewart, Captain Bartlett, Captain Morris, Lieut. Leigh and Lieut. Lordly.

After addresses had been made by Mr. George E. Hughes, M. L. A., Dr. Bagnall, Councillor Horne and Mr. J. F. Whear, M. L. A., "Auld Lang Syne" and "God Save the Queen" brought the proceedings to a close.

After addresses had been made by Mr. George E. Hughes, M. L. A., Dr. Bagnall, Councillor Horne and Mr. J. F. Whear, M. L. A., "Auld Lang Syne" and "God Save the Queen" brought the proceedings to a close.

COUNTY COURT.

Before Judge Warburton, Georgetown. Dec. 18, 1900.
McDonald vs. McKenzie.—This case was tried in Souris and judgment reserved to this court. His Honor gave a written decision in which he sustained the contention of the defendant's counsel that the defendant was not liable for damage done to a buggy hired from the plaintiff, the keeper of a livery stable, there being no negligence on the defendant's part.
Arthur Mellish for defendant.

—The Stanley left Summerside for Cape Tormentine this morning and is returning this afternoon.

—A few days ago a ten year old lad entered the house of a well known resident of Upper Queen Street, and abstracted \$40 in cash from the clothing of one of the inmates. Under pressure he acknowledged his guilt and refunded the money.

—The Christmas entertainment in Central Christian Church last night was very well attended. The programme was a capital one and was thoroughly appreciated. An address of welcome was given by Rev. Mr. Whiston. Candy was served at the close of the programme.

—Stipendiary Magistrate Hazzard, in giving judgment in the prosecution against Power and McAttee today, commented strongly upon the prevalence of fast driving on the streets, especially on Sunday last and on Christmas Day, and expressed his determination to put a stop to the practice.

—We have received from Mr. Louson, traveller for S. Greenshields & Co. of Montreal, a very well got up card, the whole plan of which does credit to Mr. Louson's inventiveness in the advertising line. Not the least valuable feature is a fine photo of the popular traveller by Westlake Bros.

—Nearly all the leading business men of Sydney have subscribed to a requisition now circulated calling for the installation of a new electric light company, and the charter is now being drawn up looking to the formation of a company with a capital of \$40,000. The capital will be obtained in Sydney, Halifax and Charlottetown.

—At the police court this forenoon Edward White, Joseph McPhail and Joseph Welsh were each fined \$2 or 10 days for drunkenness. Frank Power and Richard McAttee, for disorderly driving on the streets on Sunday were each fined \$5 or 20 days. The Liquor Regulation summons against George Offer was dismissed.

—A grand concert will be held in Emerald Hall, on Monday evening January 7, under the direction of St. James Church, Freetown. A special feature of the programme will be an address: "Father Ryan, Poet, Priest," by Rev. J. C. McMillan, D. D., also choruses that will "raise the roof" etc. Admission 15c, reserved seats 20c. Concert at 7 p. m. Children half price.

—A meeting of the Liberal members of the Provincial Legislature is called for this afternoon and will probably be largely attended. The formation of the cabinet and the allotment of the departmental offices will be the principal business transacted. Mr. J. H. Cumiskey is running for the portfolio of Public Works, and is said to have an excellent chance for the office, as Mr. Peters' probable appointment as Attorney-General will operate against Mr. McLaughlin, who has been after the position for a long time.

—Mr. Hubert F. Clements, a son of Mr. Frank Clements, formerly of Charlottetown but for some years a resident of Boston, is one of Uncle Sam's soldiers. Mr. Clements is now on service in the Philippines, having gone to that place from China where he saw considerable active service, participating in the battle of Tien Tsin and other "scraps." From Tien Tsin he went to Pekin and from there to Taku, from which place his company proceeded to Cavite on the troopship Indiana. Mr. Clements was in Pekin for about a month. Cavite, he says, seems like home after being in China.

—The Dramatic Review, a Boston publication of the higher class, has an excellent likeness and well-written biographical sketch of Mr. M. J. Keating, press representative at Keith's Boston theatre. Mr. Keating is, as the Dramatic Review puts it, one of the most widely known as well as one of the most popular press agents in the theatrical business. He is a native of Halifax and was for a time connected with the press of that city. Some years ago Mr. Keating went to Boston where he did valuable work for the Globe, Herald and Traveller. He was also connected with the Plant Steamship line as advertising manager. It was while Mr. Keating was working for the Boston Herald that he attracted the attention of Mr. Keith, who lost no time in securing his services. Much of the phenomenal success attending Mr. Keith's Boston theatre is to be attributed to the excellent work done by Mr. Keating.

Dyspepsia is difficult digestion, due to the absence of natural digestive fluids. Hood's Sarsaparilla restores the digestive powers.
