## R. E. Campbell To Stand For Nomination

ALBERTON — Robert E. Campbell of Alberton has decided to let his name stand for nomination as a Liberal candidate in the First District of Prince.

Mr. Campbell, who has had the matter under consideration for some time, made his final decision yesterday and revealed it to The Guardian last evening. A farmer and livestock dealer, Mr. Campbell is well and favorably known through the West Prince area.

The First Prince Liberal nomination convention will be held in Alberton Tuesday evening.

**PURINA**

**ON HOW TO MARKET YOUR PIGS EARLY**

Cutting down on time to market and feed to market means greater hog profits. One of the surest ways to cut down your total feed cost is to creep feed your baby pigs with Purina Baby Pig Chow and Purina Pig Startena.

Get your baby pigs away to a flying start without setback with these "Fast-Start Twins." They supplement the sow's milk and contain built-in vitamins, minerals, and antibiotic fortification needed for fast, sturdy growth.

Creep feeding your baby pigs with Purina's "Fast-Start Twins" takes advantage of their early urge-to-grow. This is important to you because it lets you take advantage of their early feed converting efficiency. It takes less than 2 pounds of feed to put on a pound of gain when they're young. As your pig grows older, they just can't make as efficient gains at such low cost. Give your baby pigs a quick start on the road to market by creep feeding Purina Baby Pig Chow and Purina Pig Startena. You'll increase your profits by sending more pigs per litter to market, and you'll keep up the sow's condition, too.

See us about the complete Purina Hog Program—the Program which helps the hog growers produce more Grade A pork at low cost—at the Store with the Checkerboard Sign.

for fast, efficient feed service call
