

# Combines Bomb O'leary 0-4

The Summerside Combines won an easy victory over O'Leary Maroons at Civic stadium last night before a small crowd. The final score was 10-4. The Maroons seemed to lead their playmate Ron MacArthur, who was un- able to play because of the Alberta rough. George Bernard, Cole Grady, Greg Deighan and Ronnie Gallant played a large percentage of the time and scored eight of the ten goals. Gray fired 4, Deighan 3, and Gallant 1. Vance Harris and Leroy Cloy got the other two. The O'Leary goals were scored by George Bernard, Bill Cain, Glen Rogerson, and Merle Cameron.

The Maroons were badly outplayed in the first period and Combines led 5-0 at the end of it. The second was more even and ended 8-1. And O'Leary outscored the Summerside team three goals to two in the final frame.

Referees Red Gravelle and Glen Matthews handed out 11 minor penalties. The Combines collected six and the Maroons five. Coaches of Combines and Glen Rogerson of O'Leary each got 10 minute misconduct.

# New Rink Has Opened

The enterprising community of North Waterloo has come up with another splendid outdoor rink for recreation.

The rink is a strong structure of reinforced concrete and is 19 by 80 feet. Lighting is made possible by use of flood lights. Dressing, locker, and changing rooms are constructed of plywood. Last Sunday this community opened its doors to the public and all citizens of this district are looking forward to a banner season with their new rink.

# Rural High Has 1st Ice Sports

Charlottetown Rural High School presented their first annual ice sports last night at the Charlottetown Forum and it proved to be a huge success.

The feature event of the evening was the hockey game between the male and female students of Charlottetown Rural High School and Queen Charlotte High School. The game was a draw, 1-1. The girls' team brought the large crowd in attendance to their feet. The first one was a brownish game between the male and female students of the school. This game proved extremely funny as both teams were slipping all over the ice in an effort to score. The men finally broke the scoreless tie with a few seconds left in the game to win 1-0.

The girls' hockey game provided the fans with lots of excitement as the two teams played to a 1-1 tie. Cheryl Sheffton scored for the Regional Centre and Barbara MacIe scored for the Parkdale-Sherwood squad.

Queen Charlotte came out on top in the boys' hockey game as they potted two goals in the final period to take a 2-0 decision. Wayne MacIe, Doherty and Brown picked up the winners goals while David MacIe and O'Brien scored for the Rural High team.

Following are the officials: Judges—Dawson MacIe, Eugene Gorman, Bennett Carr, Announcer—Wesley Carmody, Timer—John Norton, Starter—Dave Boswell, Patrol Judges—Barry Clark, Robert MacIe.

# Moncton Juniors Coming

Summerside Junior League will play with the Moncton Junior Canucks at civic stadium on Thursday night, Boxing Day. We could stop right there and many fans, who are in the habit of coming to the rink, would want to be present. The Summerside branch of the Canadian Amateur Hockey Association has something for which they will have many occasions to feel proud. It is the fact that we have a junior team in Moncton from year to year, and looked at the hospital care in Moncton. We have had many players who have caught the imagination of the fans. Now we're going yourself. Talk about frosting!

# THESE MAN DAY

THANE Man Day will be observed at Summerside's Civic Stadium, Thursday, December 26. On this occasion Moncton Juniors will be in the western capital to play exhibition hockey with Summerside Legionnaires, a junior entry in the Prince County League.

These Island juniors will have a good chance of raving notice later and their performances before Civic Stadium fans will have the bulk of their heads off for them.

This meeting of the Moncton Juniors will give them some idea how they stack up against mainland competition. The western juniors should be favorites this season to represent this province in a Moncton junior tournament.

HOWEVER, all these things are unimportant right now. We are expected to see exhibition hockey with Summerside Legionnaires, a junior entry in the Prince County League.

This fine little goalkeeping was seriously injured in an auto accident last 04 Home Week and has had a long period of recovery. The injury was in the back and Thane was forced to spend a long period in bed. Because of this long layoff, he has not been kept up his speed recently and looked at the brightest side of the picture.

# Sandy Plans Action

We talked with Sandy Fritzell about Thane and Sandy, as well as the prospects of this season's game. Thane's plans are to go to a great little hockey competitor, Thane's Man Day. The fine little goalkeeping was seriously injured in an auto accident last 04 Home Week and has had a long period of recovery. The injury was in the back and Thane was forced to spend a long period in bed. Because of this long layoff, he has not been kept up his speed recently and looked at the brightest side of the picture.

# Lets Make It Big

SINCE this is the season of peace and goodwill, we are confident that the Moncton Juniors will have a very successful season. Charles Hogan will work his heart out to see that things go good and all assisting Charlie will be doing the same. Thane's Man Day will have plenty of good moments. This diminutive netminder, playing for Summerside and Cape Traverse outfits, always has shown a great deal of ability and that performance you really appreciate. After this accident, Thane's hockey days seem at an end and his fans will surely want to prove to him that they appreciate his efforts.

# Royals Going Senior

It seems pretty definite that Sandy's Royals will enter senior playdowns this season. The Royals, a Moncton Intermediate 'A' crown last spring, were not able to get much kick out of it. Being Fredrickson and Bridgewater was an easy job and fans didn't get much out of it. The Royals will have a bit of a change in senior play. The Island winter will meet the Cape Breton winter this season and that performance you really appreciate. The clubs and rinks might be able to make a dollar out of such a series.
