IN THE HANDS OF THE SHERIFF--A despatch from Halifax to the St. John Sun says the steamer Premier is in charge of the sheriff, the Maritime Securities Corporation having brought suit for \$25,000.

LEAGUE OF THE CROSS--The League of the Cross entertainment in St. Patrick's Hall this evening should be largely attended. The boys have prepared an excellent programme. Admission only 15 cents all over the house.

AGAINST HIGH RENTS--The tenant farmers in the neighbourhood of Brantford, Ont., have, it is said, started an agitation with a view to securing the reduction of rents. The low prices, they say, make the present rates unendurable.

JOURNALISTIC--The Journal says it is reported about Summerside that Mr. John L. McKinnon, founder of the Pioneer, contemplates resuming the journalistic harness, and that he will start a new paper at that place, about the first of January next.

OBITUARY--The death is announced at New Glasgow, N. S., of one of the Senior Past Grand Masters of the Independent Order of Oddfellows in this jurisdiction and was present and conducted the organization of St. Lawrence Lodge in this city twenty-three years ago.

POTATOES FOR THE STATES--As intimated in The Sun some little time ago, the American market is seeking potatoes from the provinces, and the movement has begun in earnest. The I. S. S. Co. are daily receiving large lots to be sent forward. The largest portion came from P. E. Island. Fourteen hundred bags were received at the warehouse yesterday.--St. John Sun.

LADY TO REST--The body of the late Howard M. Churchill was removed from Reston, yesterday, and interred in the People's Cemetery. The funeral cortege was very large. The pall-bearers were Senator Howland, I. C. Hill, United States Consul, John Macdonald, W. B. Aitken, W. W. Clarke and John Brown. The services at the house were conducted by the Rev. Mr. Archibald, of Cavendish. Many floral offerings and letters of sympathy were received by the bereaved family.

LARGE FREIGHTS--On Saturday last the No. 1000 freighter took from Summerside to Point du Chene the largest freight, in bulk at least, that she ever carried across the Straits up to that date. It included, besides a large quantity of smaller consignments, 514 barrels of oats; 30 barrels of round, shipped by Messrs. Prosser Bros., Murray Harbor; 3 very fine horses, shipped to Maine by Mr. Irving; and 1,249 sacks of potatoes. Yesterday she had a considerably larger freight to Point du Chene.--Journal.

THE LYCEUM--Mr. Bengough gave his second entertainment in the Lyceum last evening to a crowded house. The cartoons included several sketches dealing with the lighter side of life, and the company business, the "Davies House Cow," Rev. Mr. Brewer and the Harbor Light scheme, and last but by no means least, "DeCourcy and his filly." The musical and literary part of the programme consisted of several good selections, and Mr. McCoy's address on current events. Mr. Earle played the accompaniment on the occasion. The entertainment was very enjoyable throughout.

SOCIAL LAW FOR GIRLS--When a woman of such unquestionably high position in New York society as that occupied by Mrs. Burton Harrison consents to define the best and most careful social laws for girls, our young women will be well advised to listen and remember. There is every indication for a most agreeable interest in the series of articles on "The Well-Bred Girl in Society," which Mrs. Harrison will begin in the November issue of the Ladies' Home Journal. Mrs. Harrison will, in this series, take up every phase of a girl's life in society, and point out to her principally the mistakes it is wisest for her to avoid.

POLICE COURT--This morning, four doctored lads, ranging in age from 9 to 12 years, were arraigned on complaint of Margaret Newbery, a resident of the neighborhood, on a charge of annoying her in her dwelling. The other two lads were discharged there being no evidence against them. One drunk, a sailor, was fined \$2 for 8 days, and Ellsworth and McCornack, the two boys arrested for larceny, were further remanded for 8 days.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER. They Want a Fight.

DUBLIN, Oct. 19. The Independent of this city says that a dangerous spirit of dissatisfaction exists among the Thirteenth Hussars, stationed at Ballincellig. The trouble, it is said, is similar to that which caused the recent mutiny among the members of the regiment of Guards at Windsor. The Independent says that the relation between the officers and men of the Thirteenth Hussars are much strained. A few nights ago, serious disturbances in the barracks were barely averted. The men complain that they are seriously overworked, and threaten to mutiny unless a change is made.

The Sheriff Levies. BOSTON, Oct. 19. The Sheriff has received an attachment for \$4000 against the Boston, Halifax and P. E. Island Steamship Line in favor of Robt. F. Gardner, administrator of Prin. Gardner of Nantucket, for the balance due on a loan of \$6000, made June 8, 1891. The Sheriff levied on the money here belonging to the Company.

General Telegraphic News. LONDON, Oct. 18--Kinloch Cloke, formerly Lord Dunraven's private secretary, and more recently editor of the Observer, has been appointed editor of the Pall Mall Gazette, the sale of which was recently announced. It is rumored that Baron Hirsch backs the Lewentfeld syndicate, which tried to buy the News and the Gazette and made an offer for the Times before acquiring the Pall Mall Gazette. The sum paid for the Pall Mall Gazette--£50,000--is regarded as being far above the actual value of the paper. The anxiety displayed by the Hebrew community to obtain control of the paper occasions considerable comment.

HAMBURG, October 18.--The authorities report six new cases of cholera and one death here on Sunday. According to official figures there have been 17,962 cases of cholera and 7,598 deaths since the outbreak of the disease in Hamburg.

HONG KONG, October 17.--The steamer Bokhara, which sailed from Shanghai, Oct. 8th for Hong Kong, has been wrecked in a typhoon in the channel of Fukien, between the island of Formosa and the Chinese mainland. Only 20 persons on board were saved. The lost includes the commander and the greater portion of the officers and crew. The number of passengers on board is not known. Mails were also lost. QUEBEC, Oct. 18.--The grand jury in the case of the Queen against Mercer for malfeasance in office, have found no bill and a like decision in the case of the Queen vs. Pascaud for bribery. These indictments against Mercer and Pascaud were in connection with the Herford railway. A like indictment against Hon. MONTREAL, Oct. 18.--St. Martin's Anglican church is somewhat excited over a little affair which took place on Sunday. At the morning service Rev. Mr. Garth, curate, took occasion to remark that some persons in the church misbehaved themselves by talking and otherwise during the lessons, and referred particularly to choir members as being the chief offenders. In the evening, Rev. G. Osborne Troop, rector, formerly of St. Paul's Church, Halifax, upheld his curate in the stand he had taken. He, however, exonerated the organist, and added that one young lady in particular, a communicant, was the chief offender, and that in consequence he had refused to administer the holy sacraments of the church to her, and would continue to do so until there was a change for the better.

WILKESBARRE, Pa., Oct. 18.--James Mining, of Butler Valley, committed suicide by shooting himself in the head because his wife would not let him go to see James Corbett, who was giving an exhibition in this city.

TOPEKA, Kansas, Oct. 18.--All telegraph operators on the Santa Fe system, 900 in all, struck yesterday morning out of sympathy with the operators on the Colorado and Santa Fe railway in Texas, operated by the Santa Fe, whose demand for increased wages had not been allowed. No trains are moving in Texas. Train dispatchers on the Santa Fe proper will go out soon. The telegraph operators on the Missouri Pacific will, it is learned on good authority, go out this afternoon.
