The Ven. Archdeacon G. R. Harrison, M. A., B. D., was the guest speaker at St. Stephen's Church, Burlington, on Sunday evening, September 24th, on the occasion of the annual Harvest Thanksgiving Service. His three-fold message referred to the significance of the cross and the need of thank-offering for all our many benefits culminating in the offering of our gifts and ourselves to the service of the Master. The beautiful gift of the Adams family, a brass altar cross, vases and alms box was decided by the archdeacon, to the glory of God, and in loving memory of Miss Gertrude Adams, who was a faithful member of this church. The church was appropriately and artistically decorated and the fruits of garden and field were offered in abundance. The service was conducted by the pastor, Rev. S. J. Davies, B. A., and Mrs. Lorne Campbell presided at the organ.

Board Discusses Store Closing Hours, Holidays

Highlighting the matters under discussion at the Summerside Board of Trade meeting held last evening was the question of store closing hours and local holidays in the Town.

Opening the discussion Mr. Alan Holman said that the larger department stores, Braces, Smallmans and Holmans, were put on the spot in this matter. They were asked to decide what special holidays should or should not be observed and also what the closing hours should be for business firms in Summerside. Mr. Holman felt that this system placed the onus on the three stores and he was of the opinion that the smaller stores and the industries should have a voice in the matter.

He made the suggestion that a special committee of the Board of Trade be formed, a committee which would be composed of representatives from the department stores, the specialty stores, the independent grocers, industries, service stations and barbers. The members of this committee would, of course, merely recommend to the Town Council through the Board regarding closing hours and holidays. Since it was composed of the representative business firms of the Town, big and small, its recommendations must carry weight with the Town Council. The present system, Mr. Holman pointed out, is not only unfair to the smaller store but to the larger stores who are forced to make the decisions.

Mr. Alan Holman was appointed chairman of a temporary committee and is to be assisted by Messrs A. G. Rogers, Harold Rodd, L. G. Gorrill, with power to add to their number and to investigate and report back at the next meeting.

Delegates to the annual meeting of the Maritime Board, which is to be held in Moncton, N. B., were appointed. They are the president, Mr. R. S. Hinton, the vice president, Mr. Fred Bell, the secretary, Mr. Harold Rodd and Mr. T. J. Inman. The tentative dates of the meeting are November 8th and 9th.

The secretary read a letter announcing that the recently elected president of the Canadian Chamber of Commerce, Mr. Francis Winspear, would visit this Province and would be in Summerside on Wednesday, October 25th. The entertainment committee was empowered to arrange for a luncheon meeting on that day in his honor. A very interesting and comprehensive report was given by the secretary, Mr. Rodd, on the course he had taken for Board secretaries this summer at McMaster University in Hamilton, Ont.
