Montreal: Market mixed; active trading.

CURRENCIES

MONTREAL (CP) — United States dollar in terms of Canada funds was up 1-32 at $1.08 1-32.

Pound sterling was down 1-16 at $3.02 3-16.

NEW YORK

NEW YORK (AP) — Stock market averages pushed to historic highs Friday on the week's most active trading. The grain was the best of 1964.

Strength in airlines, rails, aerospace issues and some chemicals was conspicuous.

The averages were helped by du Pont which advanced 8¼ to 267⅝. Du Pont's strength was ascribed to promotion of a new product, Corfam, a substitute for leather.

Pennsylvania Railroad had a new high for 1963-64 and was the second most active stock, rising ⅞ at 30⅛ on 100,100 shares.

The aerospace issues were spurred by rumors of a possible takeover of Republic Aviation, which rose ⅞.

The Dow Jones industrial average rose 5.18 to 791.59, topping its previous high of 787.78 made Jan. 28.

The Associated Press average of 60 stocks rose 1.6 to 293.5, bettering its previous record of 292.2, also made Jan. 28.

LARGEST GAIN

It was the largest gain since Dec. 31 when the average made an equal advance.

Of 1,323 issues traded, 645 advanced and 377 declined.

Volume was 4,730,000 shares compare with 4,120,000 Thursday and was the largest since Jan. 28 when turnover was about the same.

Eleven of the 15 most active stocks advanced and four declined.

Xerox was the volume leader for the fourth straight day and ended with a net loss of ½ at 79½ on 123,100 shares.

Chrysler was third most active, off ⅝ at 40⅝ on 79,700 shares.

Next came Grangy mining, a Canadian issue, up ⅞ at 16½ on 92,700 shares, of which 60,000 shares were accounted for by a single block.

Among other Canadian issues traded, Canadian Pacific gained ⅝ and International Nickel ⅛. Walker Gooderham, Distillers Seagrams and Dome Mines fell ⅛.

Prices on the American Exchange moved irregularly higher. Canadian issues were mixed with Scurry Rainbow Oil gaining ⅝, Canadian Marconi ¼ and Jupiter Corp. ½. Canadian Javelin fell ¼ and Fargo Oil 1-16.

Communication Is Restored In Prince County

SUMMERSIDE — Earl Smith, maintenance foreman, Island Telephone Company Ltd., in Summerside, yesterday reported that telephone communications are back to normal in Prince County.

More than 40 poles from Alberton to Elmsdale were blown down by Monday's sleet, snow and wind storm Mr. Smith said, but all communications were restored to normal by 4 p.m. Thursday.

Many of the blown down poles will not be replaced he said, and an additional 120 poles stretching over a three mile distance in the same area will be taken out during the next two weeks because of the telephone switchover to an underground cable that was installed last fall.

The new cable stretches from Summerside to Alberton but was constructed for use by areas between the two centres and will not be used for long distance communications.

HALIFAX (CP — The Weather office says late Friday evening the precipitation had ended in most localities in the Maritimes. Skies were cloudy throughout the district and temperatures were 10 to 15 degrees above normal.

The disturbance which caused the mixture of rain and snow over the Maritimes Friday was centered just east of Prince Edward Island late Friday evening and moving rapidly eastward towards Central Newfoundland. In its wake skies will remain cloudy today and most localities can expect a few snowflurries.

Colder air now just to the west of the Great Lakes will push into the Maritimes Sunday and keep skies generally cloudy. The disturbance which was expected to bring snow to the district on Sunday is now forecast to pass far enough south of Nova Scotia so as to have no effect on the forecast regions.

Regional forecasts:

Nova Scotia mainland, Prince Edward Island and New Brunswick: cloudy and mild with widely scattered snowflurries; west winds 15. Low-high at Halifax, Yarmouth, Kentville, New Glasgow and Goshen 28 and 35, Charlottetown 28 and 32, Moncton, Fredericton, and Saint John 24 and 32. Edmundston and Campbellton 24 and 28.

Outlook for Sunday—cloudy and a little colder.

High tide today at Charlottetown 7. a.m. and 5.50 p.m. and Sunday 8.24 a.m. and 6.48 p.m. At Rustico, 1.42 p. m. and Sunday 2.32 a.m. Summerside tide eighteen minutes later than Charlottetown.

National Convention To Have Island Theme

President of the provincial association, Edward McCabe, Charlottetown, left for Toronto Thursday where he will attend the 57th annual meeting of the Life Underwriters Association of Canada.

Some 11,700 life insurance salesmen in 77 groups across Canada, of which the Island group has 40 members, devote a considerable amount of time to the training and education of life underwriters to raise their professional status.

The Toronto meeting is being held in the Royal York Hotel, Feb. 10 to 14.

Also attending the meetings will be John Morris, Fred Pound and Blair MacDonald, who will promote Prince Edward Island as the "theme" of the convention.

For the past few years it has been customary at the annual meeting of the national association to have one province featured as the theme, and due to the historical significance of the P.E.I. 1964 Centennial, the provincial association has been granted the honor and responsibility of promoting the theme this year.

Also in Toronto during the meetings will be Hon. F. Walter Hyndman, who will have the honor of officially opening the new building recently erected by the association. The late J. O. Hyndman was a founder and charter member of the national body, and it is appropriate that his nephew, F. Walter Hyndman, prominent in the work of the association, be chosen to officiate at this important occasion.

Among the plans of the Island group will be the presentment in costume of the meeting of the Confederation Founding Fathers in Charlottetown in 1864. This will take place at a special luncheon meeting at which Dr. Frank MacKinnon will be the guest speaker.

Other items of interest will be the featuring of Island foods at the various dinners and luncheons, a display of Island products throughout the hotel, and a display by the Ryerson Press of The "Anne" books of Lucy Maud Montgomery.

Wellington Meeting Plans For Centennial

WELLINGTON — A centennial committee chaired by C.F. Gallant, Wellington, and consisting of representatives from wellington, Egmont Bay, Mt. Carmel, Richmond, Grand River and Wellington parish, met Thursday night at Wellington to plan this year's area centennial celebrations.

Plans were announced for the official opening of the winter ecentennial celebrations, slated to get underway in mid-Lent or as the French-Acadians say, "Mi-careme".

The official opening will be at 8 p.m., March 4, in the Evangeline Regional High School at Abram's Village. The opening will consist of a social evening which will include musical entertainment, dancing and singsongs in both French and English.

Acadian dishes such a rapure, frico and shiard will also be served during the evening.

Celebrations will be held in every village and parish named earlier during the winter celebrations and another feature will be the staging of ice sports.

The committee is seeking a special speaker for opening from. Also included are full the opening night and it is hoped that a member of the provincial government may be on hand.

The committees and their chairmen are as follows: sports committee, Raiph MacLellan, Richmond: community affairs, Charles Bourgeois, Wellington; catering, Mrs. Hiem McWade, Richmond; decorations, Mrs. Raymond Reid, Wellington; children's events, J. Albert Gallant, Egmont Bay; publicity, Cyrus J. Gallant, Egmont Bay; religious committee, Rev. Jean Eudte, parish priest at Mt Carmel.

River Pollution Causes Concern

SUMMERSIDE BUREAU OF THE GUARDIAN

Earl Hayes was elected president of the East Prince Fish and Game Association at the annual meeting held Thursday night.

Other officers are, vice-president Ron MacArthur; secretary-treasurer, Earl Banks; directors, Pat Martin, Fred Foland and Ernest MacQuarrie.

Considerable concern was shown over the water pollution problem in the Barbara Weit River. Pat Martin suggested that a representative go to the health authorities and request that a lagoon at Seeman Bros., frozen food plant at New Annan be built at once to stop the pollution.

It was stated that the waste from the plant runs into the river and out into Malpeque Bay. One member mentioned that already one bed of oysters close to the mouth of the river is reported contaminated.

Ron MacArthur felt the citizens of the area should make the move in regards to a solution and that the association would support them 100 per cent. A suggestion was made that a delegation from the area should travel to Charlottetown and meet with the provincial government in an effort to clear the problem.

PRESIDENT REPORTS

Outgoing president Howard Branch project for the past two fiectors was the biggest project accomplished by the branch in some years and said he hoped that this year would see further developments on the river.

The game warden situation, he said, had been another branch project for the past two years but as yet nothing has been accomplished. He said that two wardens were necessary in P.E.I.

The Dunk River causeway is not yet a reality due to the size of the project, he continued, but the branch has made some headway through letters to government officials and contact with local members.

ONLY ONE HUN

Speaking on the hun and pheasant program, Waldron Heffel said he had run into a streak of bad luck over the past few months and as a result, has only one hun left. He added that nearly all the pheasants released last fall were shot.

To continue this program, he said, the area would have to be closed for shooting.

Guest speaker was Charles Bartlett, recently named fish and wildlife director. Mr. Bartlett gave his views on the future of the fishing and hunting sports on P.E.I.

Alan Crue, president of the newly formed Summerside civilian rifle club, spoke on the progress of the club. He said that two organizational meetings had been held and the club is waiting for school board authorization to use rooms and the gallery at the Vocational School.

REVERSES TREND

BERLIN (Reuters)—A young man scaled the Communist border wall from the western side Thursday night and—despite appeals of West Berlin police—jumped into East Berlin. West Berlin police reported he was apparently drunk. They also said a 14-year-old boy climbed triple barbed-wire fences into West Berlin without attracting the attention of East German border guards during the night.

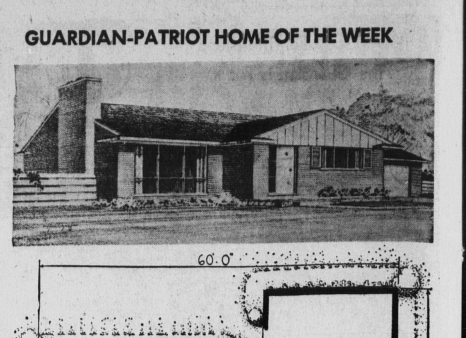
GUARDIAN-PATRIOT HOME OF THE WEEK



HOW TO OBTAIN DESIGN BOOK

The latest design book entitled "Canadian Guide to Home Planning and Design" is now available at the offices of The Guardian and The Evening Patriot for $1, tax free. This new edition includes information on financing in Canada building construction details, landscaping, color selection, etc., plus over 100 popular new designs to choose from. Also included are full details on how to order blueprints.

This Home is not only pleasing to the eye but has a special appeal in that it will blend harmoniously in any wall space, bottom vented picture window plus sliding doors to kitchen and hall are some of the items that help make this home comfortable. The lavatory between two of the bedrooms is accessible to both by sliding doors. This location gives you actual "bedroom with bath" convenience for all three bedrooms. The kitchen is almost square with ideal work room arrangement. Side entrance is convenient to both basement and Kitchen. As shown, a 75 foot lot would be required but with a single garage 60 feet is sufficient. Design is brick veneer but details for building in Frame or Solid Brick are supplied.

Pick Guide Leader For Mexican Tour

SUMMERSIDE — Mrs. B.B. Dewar, division commissioner of Girl Guides for Prince County has been advised by Mrs. Neil Matheson, Southport, provincial international commissioner, that Mrs. L. Phaneuf, blue guider, RCAF Station Summerside has been selected to head a group of Rangers going to Cabana, Mexico, in June.

Mrs. Donald MacMillan, skipper of SRS Buckingham was originally selected to make the trip, but she deemed the commissioner that she would be unable to do so.

Mrs. George Warner, Montague, will be the assistant leader.

DEPUTY 'FAIR'

OTTAWA (CP)—Norman A. Robertson, 60, deputy minister of external affairs, was reported in fair condition in hospital Friday after removal of a lung the day before.
