The bidding:

West	North	East	South
4♥	Pass	Pass	6♠

Opening lead—king of hearts.

It must be granted South's blind shot at the slam wasn't very scientific, but all the same it was a sound gambling bid that figured to win the chips most of the time.

The best tactics, sometimes, are to go all out without knowing exactly where you're going to land. South thought this was one of those hands where he could afford to throw science overboard and contract for the slam single-handed. About all he needed from partner was the jack of clubs.

And the slam would have been a cinch to make, even with the relatively poor dummy he found, if the trumps had just broken normally.

If they had been divided 2-1, it would have been an easy matter to draw two rounds of trumps, cash the A-K of diamonds, enter dummy with a trump, and get rid of two club losers on the Q-J of diamonds.

But when South ruffed the opening heart lead and led the trump ace, West showed out, and what had seemed to be a routine hand to play took on a new aspect.

The unlucky development stumped South only temporarily. With no ready entry in dummy to utilize the high diamonds for discards, he decided to force his way into dummy by sacrificing a trump trick.

He first cashed the A-K of diamonds. Next he played a low trump to the eight in order to establish contact with dummy. East won with the jack, somewhat to his surprise, and could do no better than return a heart.

Declarer ruffed and led a low trump to dummy's ten. The two high diamonds were cashed and South disposed of two of his club losers.

One more hurdle remained to be passed—a club finesse. When he took the finesse, it succedd. So South made the hard-fought slam.

The slam, it turned out, was an excellent contract. Even after the trumps had broken badly, South still had a club finesse to fall back on to make the contract.

All's well that ends well.

Miners Wind Up Meetings

TRURO —— (CP) — After 18 days of meetings district 26 of the United Mine Workers of America (Ind) wound up its 27th annual convention here Wednesday.

The highlight of the convention was a decision to demand a 20-cent hourly wage increase, and incorporation into the basic rate of a present $1-a-day production bonus. Basic daily rate is now $11.64.

A non-contributary pension plan was urged and officers were given authority to extend contracts with employers pending negotiations for a new agreement.

The convention asked for legislative action regarding industrial diseases and called for special examinations of miners trapped in the 1956 Springhill explosion. About 300 resolutions were considered during the three-week convention.

LITTLE SANDS

Dr. Stewart MacDonald, Eldon who has been named to the Post of Senior medical Examiner for the Canadian Pension Commission on P. E. Island is receiving congratulations from his many friends.

Dr. MacDonald is a Little Sands boy and the residents here are proud of his achievement. His services will be sorely missed in these parts.

The Hurricane Helene of Sept. 29, left its mark along the shores here. Older residents claim it was one of the highest tides (with one or two exceptions) that they can remember. At Wood Island break water the water was almost coming over the wharf.

Friends extend congratulations and best wishes to Mr. and Mrs. Malcolm MacLean, Little Sands, (who were married on Sept., 30, 1958) The Bride was Miss Betty Stewart, daughter of Mrs. Norman and the late Mr. Norman Stewart, High Bank.

Mr. and Mrs. Grab, Vancouver, B. C., were guests of Mrs. Stewart's parents, Mr. and Mrs. John Bruce, High Bank, for a week this summer. Mrs. Grab was formerly Anna Belle Bruce.

There is today (Oct. 6) considerable harvest in Little Sands to be stored. The frequent heavy rains delayed the storing of the grain.

Miss Marion Hume, who is employed in Charlottetown, was a guest at her home in Little Sands over the week-end.

Misses Saundra and Glenda Stewart of Charlottetown visited at their grandmother, Mrs. A. D. MacNeill, Little Sands over the weekend.

Friends here are sorry to hear that Mrs. Lemuel MacLean, Little Sands, has entered the P. E. Island Hospital for treatment. All wish her a speedy recovery.

Mr. William Ford, Charlottetown, with some men are working on a bridge in Wood Islands, known as Bone Creek Bridge.

Relatives and friends here were sorry to hear of the passing on Sept. 30 in Pictou, of Mrs. Jessie Campbell. Mrs. Campbell was Jessie MacLean from Little Sands. One brother Mr. John Dan MacLean resides in Little Sands. Other relatives, are a niece and several nephews who reside here, and at Murray River and other parts. Several of whom attended her funeral in Pictou on Oct. 12. To her family and brother, and all other relatives, sincere sympathy is extended.

Mrs. Howard White, Wood Islands East, has returned from a few days visit with her daughter, Mrs. Donnie Ross, of Rosebarress.
