GOOD TIME.—On Monday the 9th inst., a special train having on board Lewis Carvell, Esq., and J. E. Thomson, Esq., President of the Pennsylvania Central Railway, made the distance from Annapolis to Shediack—forty six miles—in one hour.

THE INTERCOLONIAL.—The St. John Freeman says that the point at which the Railroad will cross the Miramichi has at length been decided, and that it is some little distance above the Town of Newcastle.

SCHOOL VISITOR'S REPORT.—A copy of the Reports of the Visitors of Schools, for 1868-69, has been received. It was printed at the Examiner's office. Whoever conferred the favor will please receive our thanks. We shall have some remarks to make upon them next week.

PERSONAL.—Our old friend, Mr. Lawson, Teacher of the Normal School, paid us a visit during the past week. We were glad to see him. We failed to observe in his appearance anything like the living and ungentlemanly report given of him by the Herald.

MR. DAVID MONTGOMERY has been appointed Clerk of the Small Debt Court, in Summerside. Office in the Court Room.

ERATUM.—In D. Archibald's letter, published last week, for "he was much obliged," read "he was much vexed." If those who send manuscripts to the printer would only write anything like a decent hand, these errors would not be so apt to occur. The writer is often to blame, and not the compositor.

FIRE.—About 1 o'clock Sunday morning the row of buildings in the rear of the Officers' Quarters at the Victoria Barracks, were discovered to be on fire, and before the flames were subdued the entire row of Officers' Quarters were destroyed. At one time there appeared to be little hope of the Army escaping the same fate, and Major Cropley gave orders for the removal of the arms and accoutrements, but at the close of the day they were replaced. Much credit is due to Major Cropley for his exertions to save public property when so much of his own fell a prey to the flames. There can be little doubt that this fire like the former one was the work of incendiaries.—North Star

SOUND LOGIC.—Economy is no disgrace. It is better to live on little than to outlive a great deal. A word to the wise is sufficient. Buy your English Breakfast Congou Tea at Wright's City Tea Store, and save twenty-five per centum.

N. B.—I warrant my Tea superior to any in the market.
