

Local and Other Items.

STIPENDIARY MAGISTRATE'S COURT.—No business to-day.

SUNDAY SERVICES.—Rev. A. B. McLeod will preach at Marie on Sabbath, 12th inst., at 6 p. m.

THE REGATTA.—Boats to take part in the races on Charlottetown harbor to-morrow should be at Connelly's Wharf at 10 o'clock a. m.

DRAMATIC.—Hearne's "Hearts of Oak" Company, one of the strongest dramatic organizations on the road, contemplates visiting Charlottetown.

BIG GUNS.—The Canadian Government has purchased two 40-pounder guns for the use of the battery at Charlottetown, P. E. I. The battery is at present using smooth bores. The guns are believed to be on their way.

THE MEDICAL ASSOCIATION.—The Dominion Medical Association will meet at Ottawa on the 12th, 13th and 14th of September. A large attendance of representative medical men from the States and Canada is assured.

MEETING.—The regular monthly meeting of the Benevolent Irish Society will be held in their hall, Prince Street, this (Friday) evening, the 10th, at 8 o'clock. A full attendance is requested.—FRANCIS CURRAN, Secretary.

FROM HALIFAX.—The steamer M. A. Starr, Captain Ferguson, arrived from Halifax via intermediate ports at eight o'clock last evening, bringing the usual miscellaneous cargo. Mr. Joseph McCarey, of the Post Office, was the only passenger. She sailed on return early this morning.

ELECTRIC LIGHT ACCIDENT.—One of the belts on the store dynamo in the Electric Light Station broke about nine o'clock last evening, and as a result the lubricator of the engine was broken, the dynamo damaged and the shop lights were extinguished somewhat ahead of time.

FOR BOSTON.—The steamer Worcester, Captain Nickerson, sailed for Boston last evening with a general cargo and the following passengers:—P. H. Mellick, M. Anson, J. Patheon, A. McKenzie, Jos J. Bernard, M. McPhee, D. Mullin, A. McCormack, Mrs. Livingston, Barber Linthletter, G. Peardon, Sarah Holeman.

A GIANTESS DEAD.—A Wadsworth, O., despatch of the 7th inst., says: "The wife of Capt. Bates died at their home near this place yesterday. Capt. Bates is 8 feet tall, and his wife was 7 feet 9 inches. They have exhibited in almost every museum in this country and in Europe." Mrs. Bates is a native of Nova Scotia.

A BRICK OF GOLD.—Says the Halifax Chronicle:—Lieut. Dimock, of Windsor, brought to the city yesterday from the new mine at Middle Rawdon a bar of gold weighing nearly 150 ounces, and worth nearly \$3,000. This is the result of the first crushing at the mine, of which Lieut. Dimock is one of the owners.

BE CAREFUL.—The waterworks contractors should be more careful where they lay their pipes. Last night, while the electric lights were extinguished for a short time, owing to the accident in the station, pedestrians were stumbling over the pipes left lying about near the crossings along Grant Street. A little more care might prevent serious accident.

A DAILY MARKET.—The "crush" at the Market House, to-day, again suggests the expediency of having a daily market. Up-stairs the market was literally packed with buyers and sellers, and the heat and close warm air were unpleasing. The supply of fruit was large and excellent, but neither seller nor buyer had fair play; and quantities were unsold. Were the market house open every day during the fruit season, all parties would be advantaged.

MORE SPECIAL PRIZES.—James Guard, Esq., of Mount Roseland Farm, Lot 45, offers \$27 in cash prizes, for foals sired by his imported shire horse "Liberty"—to be competed for at the Provincial Exhibition, on the 3rd and 4th of October next, at Charlottetown, as follows: For the best foal (colt or filly), \$10; second best, \$8; third best, \$5; fourth best, \$4. We trust others of our enterprising horse breeders will follow the example thus placed before them by Mr. Guard.

NO CHANGE SMALL ENOUGH.—Tuesday about 9 a. m., a lady named Mrs. Harris, belonging to Truro, dropped her purse on the Spring Garden Road, Halifax, containing \$93 in notes and \$4.80 in silver. A young lad named Hunt, who saw the lady drop it, picked it up and ran after her. He returned it to the woman. She took a five-cent piece from her purse, and asked the boy to get it changed, which he did at Hoggood's store. She then handed him two cents as a reward for his honesty.—Herald.

MORTALITY STATISTICS.—We are indebted to Dr. Johnson for the following mortality statistics of the City of Charlottetown, for the month of July, 1888:—Number of deaths, 8, as compared with July, 1887, 13; 1886, 14; 1885, 19; 1884, 10. Causes of death—Catarrh of stomach, 1; fatty degeneration of heart, 1; consumption, 5; inflammation of bowels, 1. Age at death—Under 1 year, 1; from 20 to 40, 5; from 55 to 74, 2. Average age at death—33.3 years. Religion—Protestants, 3; Catholics, 5. Nationality—English, 3; Irish, 4; French, 1. Sex—Males, 6; females, 2.

A MEAN ROBBERY.—A correspondent at Ten Mile House furnishes the following account of a dastardly robbery, which he vouchers for as true in every particular:—"While John Creighton, an honest, inoffensive old man, who lives by himself on the St. Peter's Road, was working in his field not a hundred yards from his dwelling, some sneak thief entered the house, opened the old man's box, and made off with a bag of money, amounting to about ten dollars in all. We understand that Mr. Creighton had a clew to the robbers and is endeavoring to trace them out. It is to be hoped that he will succeed in recovering his money, as he is now an old man nearly past his labor."

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88]

New Rockford watches received to-day. Will be ready for delivery in a few days, as soon as we have tested them.—E. W. Taylor, Cameron Block.

Mr. F. M. Murray, representing the United States Mercantile Protective Association, is visiting Charlottetown for the purpose of introducing the Association's system for the collection of bad debts. We wish him success. The Marquis of Lansdowne, viceroy of India, has selected Capt. H. Streetfield and Lieut. H. A. Paekham, of the Grenadier Guards, and Capt. the Hon. C. Harbord, of the Scots Guards, to serve on his personal staff.

Lieut. Col. Irwin, Inspector of Artillery, will proceed to the Maritime Provinces in a week or two, to inspect the various batteries. Col. Irwin has received a letter from Capt.
