SPECIAL DESPATCHES TO THE EXAMINER.

The Burchall Case.

WOODSTOCK, Sept. 26. The crown brought its case to a close rather more suddenly than was expected to-day, but the last witness was a very damaging one for Burchall, who still keeps up his courage wonderfully. Jas. Hayward and Henry Jones swore to the prisoner's presence alone after coming from the swamp. He got on the train at Eastwood, left at Niagara Falls, after telling a witness that his name was Smith. John Raab, the first witness for the defence, said his home was about half a mile from the spot where the body was found, and it could be seen from his home at all times by daylight. Witness remembered that on the afternoon of the 18th of February he had heard the two shots fired about six o'clock, and shortly after had seen two men come out of the swamp and go west. The defence will probably close the case to-morrow.

The Methodist Conference.

MONTREAL, Sept. 26. The most exciting debate of the session came off to-day. The subject was Dr. Sutherland's management of Indian missions in the Northwest. A number of strong speeches were made, and led to the Secretary handing in his resignation. The Conference, by a practically unanimous vote, however, refused to accept the same, and an unpleasant matter was disposed of. Ministers on domestic missions are to receive 42 per cent. on grants above those of last year. The mission board is authorized to consummate a union with the other Methodist churches in Japan when a satisfactory basis has been agreed upon.

The International Exhibition.

ST. JOHN, Sept. 26. To-day's was the largest day's attendance so far since the exhibition opened, the actual paid admissions being 10,500. The concert to-night by 250 voices was a great success, and hundreds had to go away unable to secure admission to the building. Visitors continue to arrive by hundreds on every train.

The Tariff Bill.

WASHINGTON, Sept. 26. The conference report on the tariff bill was presented to the House this afternoon. McMillan insisted upon its being read. The reading was not concluded when the House adjourned.

Breaking Records.

KANKAKEE, Ill., Sept. 26. Nelson lowered the world's stallion record to-day, time 2.11 1/2, and Faustina lowered the two year old record to 2.23 1/2.

Weather Bulletin.

TORONTO, Sept. 27.—10 a. m. Cloudy and rainy, cooler, northerly winds to-morrow.

Prayer meetings on Monday and Wednesday, at 7.30 p. m. Seats free. All are welcome. Services at Zion Church, to-morrow, will be conducted by Rev. W. A. Mason, B. A., in the morning at 11, and in the evening at 7 o'clock. Morning prayer meeting at 10.15. Sabbath school and bible classes at 2.30 p. m. Don't forget the Railway Gospel Meeting to-morrow afternoon, in McLeod's Hall, at 4 o'clock. Strangers always welcome. Lesson, Ecclesiastes, 9-10. "Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom in the grave, whither thou goest."

Personal.

Hon. Senator Montgomery arrived home last evening, after a tour of the Northwest and British Columbia. He was away about two months, greatly enjoyed his visit, and for a man eighty-three years old, is in robust health. Rev. Dr. Doyle was at the Hotel Davies yesterday, and left for his new parish at Vernon River this morning. Mr. W. A. Brennan, of the Summerside Journal, was registered at the Hotel Davies yesterday. Commander Gordon, of the Government flagship Acadia, is at the Hotel Davies. Mr. G. A. Brown, C. E., of St. John, returned from an official visit to Souris this morning. He is at the Hotel Davies.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup has been used by mothers for children teething for over fifty years with perfect success. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. apl18'90/yoodwkyly

W. M. S. Convention.

Morning session met at nine. The devotional exercises, in the absence of Mrs. Cliff, of Fredericton, were conducted by Mrs. Heard, of Charlottetown, when special prayer was made for a fuller consecration of ourselves to God and for guidance in the election of officers for the ensuing year. The minutes of the previous meeting were read and approved of, and the roll called, when further reports from delegates were heard. A paper was then read by Mrs. Dr. Johnson, "How Best to Organize," which gave us many valuable suggestions, and was listened to with great interest.

The reports from organizers were next heard which showed that they had been very successful during the past year, special reference being made to Mrs. Johnstone, who reported the organization of five new auxiliaries, and her intention of forming three more at an early date.

The election of organizers for the next year then took place, and are as follow: P. E. Island District, Mrs. Dr. Johnson, (re-elected); Sackville District, Miss Harper; St. Stephen District, Mrs. H. Gill; Fredericton District, Miss Howard; Miramichi, District, ———. Just here we were pleasantly surprised by the announcement of the President that a letter would be read from our missionary, Miss Clarke, of Chilliwack, B. C., which gave us encouraging accounts of the work done there.

Reports were then heard from the memorial and literature committees and were adopted. After a lengthy discussion as to the best kind of literature to be used in the auxiliaries, Miss Stewart of Sackville read an original paper by Miss Humphrey and the session adjourned to meet this afternoon at 2.

The afternoon session met at 2 p. m. For one hour devotional exercises were led by the President. The report of the committee on modes of work was read which was followed by a lively discussion. It was then moved and seconded that a standing committee of three be appointed to furnish auxiliaries with reading, selections of music etc., to aid them in preparing programmes for public meetings. After some further business the meeting was brought to a close to meet at 7 p. m. evening session. Met at 7 p. m., with the usual devotional exercises, conducted by Mrs. Getchell, of Centerville.

Report from the memorial committee was then read, showing a careful revision of the constitution, bye-laws, etc., of the society.

After the reading of other reports, Miss Stewart of Sackville made a motion to the effect that the sum of five dollars be paid to the janitor as a slight recognition of his services during the convention. Carried unanimously.

The delegate from Queen Square Auxiliary, St. John, extended an invitation to the meeting that they would hold their next Branch meeting at said place, which was cordially accepted.

The roll then being called, the officers for the ensuing year were elected.

This being the last order of business, the convention was brought to a close in the usual manner.

Provincial Exhibition Notes.

Now that the County Exhibitions are over, the centre of attraction is fixed upon the Charlottetown Exhibition, which opens in the general interest of the whole province on Tuesday next.

The entries in all the classes and sections of the exhibition are unusually large and varied. The horse and cattle exhibit will maintain the merited reputation of the Island Province, and will show that our stock raisers continue to hold a front rank in the Maritime Provinces. The main building of the exhibition is being well filled in the industrial classes. The ladies fancy work and fine arts display is highly creditable. The roots and vegetables will be an immense show. Exhibits will be received up to six o'clock this evening, and on Monday from 8 o'clock a. m. until 2 p. m. Roots and vegetables will be received up to six o'clock Monday evening.

Yesterday, Friday the Exhibition Secretary's office was all day crowded, receiving entry papers from exhibitors, and making entries received by mail, by telegraph, and by telephone from all sections of the province.

The decorations of the exhibition building were nearly finished this morning when we paid our inspection visit. The taste of the ladies is plainly visible. The agricultural exhibit has been made simply beautiful with flags, evergreens and natural flowers and grasses. Never before had turnips and garden vegetables such a decorative display.

The art gallery, where paintings and other work will be exhibited, is tasteful indeed. The ladies work, with the furniture and fittings kindly lent by Messrs. Mark Wright & Co., and curtains, etc., supplied by Messrs. Beer Bros., make this corner a fit place for the most beautiful works of art.

The ladies' fancy table has all a lady's taste displayed in its arrangement. It will be a perfect spot when all the exhibits are placed.

The new dynamo, which is to supply the Exhibition Building with incandescent light, arrived to-day in charge of Superintendent Waddell. It will be immediately put up, and the lamps will be lighted on the first night of the Exhibition.
