Rev. W. Eric Ingraham, Minister.

Personals

Rev. E.H Bean, Kensington, is in Toronto this week attending the annual meeting of the General Board of Missions of the Presbyterian Church.

Death Yesterday Of S'side Lady

The death occurred in Summerside yesterday of Mrs. A.P. Wells at her home, 208 Duke St., in her 89th year. Mrs. Wells was born Mary Amanda Rayner, on Confederation Day, July 1, 1867, at Greenmount, P.EI, the eldest daughter of the late Mr. and Mrs. Silas Rayner.

She is survived by her husband one son Ernest, Braintree, Mass., two daughters, Irene, Mrs. H. Godkin, Summerside, Grace, Mrs. Willand Graves, Worchester Mass., Also one brother EH Rayner Mont real and two sisters, Mrs. Herbert Platts, Charlottetown and Mrs. Edwin Pomeron, Worcester, Mass., six grand children and four great grand children also survive.

The funeral will be held Sunday at 3.00 p.m from the Central Christian Church with interment in the People's Cemetery, Summerside.

Parents Day Held At Middleton

Education Week was fittingly observed in the Middleton Schools when, on Thursday afternoon, parents were invited to visit and see their children at work and to hear them examined by their teachers.

A debate by the senior pupils: "Resolved that the city life offers better opportunities for a fuller life than the country", was listened to with great interest. A spelling match, choral reading and monalogue was much enjoyed.

The parents present, expressed themselves as being well pleased with the work being done and said that they would like to come oftener and remain longer.

A vote of thanks was then extended to the teacher's. Florence Clarkin and Catherine Lockhart, who received varied appreciation of the co-operation and the interest taken by the parents in matters relating to school work.

Suggest Improvements In Island Tourist Industry

Many suggestions for the improvement of the tourist industry were forthcoming from Hon. E. P. Foley speaking on the budget in the Legislature yesterday.

Mr. Foley said there was nothing the matter with Island eats but he felt the sanitary conditions could be improved. He deplored the system of having cars line up for long distances at the ferry boats. "It would be much better if they put up a sign somewhere in the town saying there was no room on the boat."

He felt the tourist industry was bringing in great wealth into the Province each year. He said it was a wonderful source of income to students and it was an education to meet so many people from other parts of the country.

The Summerside member told the house of the recent discovery in the use of antibiotics which can be used for the preservation of meats. Not only did the antibiotic preserve the meat in first class shape but it had a tenderizing effect on it.

He thought it was a mistake not to have a supply of fresh lobsters for tourists in between fishing seasons. "These people know what good beef and good ham and eggs taste like but they would like to have a feed of our lobsters."

He suggested that some form of float be arranged that would keep the lobsters alive between seasons. "Some way should be found. I think this would be a good project for the Canadian National Railways," he added.

Mr. Foley complained of the absence of picnic grounds. He felt there were many places of scenic beauty that could be put to use for this purpose.

EDUCATION

"Some say that education is everybody's business and anything that is everybody's business is nobody's business," said Mr.

HON. E. P. FOLEY

Foley who said that the young people who receive a good education don't seem to be able to take their place in a great many forms of employment. "We are really backward in our educational system on the Island but the Government is doing everything it can to improve matters."

He noted that $2,000,000 was being spent for health and $3,000,000 for Highways. "We have a long way to go yet in the field of education though."

Mr. Foley took the part of the permit teacher stating that it was not always the person who had the university degree that made the best teacher. I believe you have to be a born teacher otherwise you will not have the ability to impart knowledge to someone else. This was quite evident in the services during the war. Everyone who was well educated was made an officer and it was found that many of these men made very poor leaders.

VOCATIONAL SCHOOL

The speaker paid tribute to the late Senator Jones for starting the Vocational School. He said boys come in there for six months and go out to earn a higher rate of pay than their instructors.

Mr. Foley said the only bright spot in agriculture at the present time was potatoes. "I don't see why the Opposition members are always advocating loans for young farmers. They won't stay on the farms that are already equipped so how are they going to stay on a place that is in debt for several thousand dollars."

Mr. Foley stated that indiscriminate cutting of pulp wood was a dangerous practice and warned the members that big pulp companies were willing to cut everything they got their axes on without regard for forest preservation.

He pointed out that pulp was big export business and that last year it brought $650,000,000 into Canada.

Mr. Foley also stated that a certain Canadian Premier set a very dangerous precedent when he interfered with newsprint prices a short time ago. He thought that newspapers should be able to pay the increase due to their increased amounts of advertising in recent years.

With reference to money loaning companies he suggested that people should stick to Credit unions and the credit unions back the people. "Then we will not have so many people in such hard straits," he stated.

He offered his congratulations to the Provincial Treasurer on his presentation of the Budget. With reference to health services he thought this province ranked very favorably with the other provinces of the Dominion.

Montreal Stocks

MONTREAL (CP)—Industrial issues held firmer ground at the close of moderate trading Thursday on the Montreal and Canadian stock exchanges.

In an active steel section, Dosco climbed a point. Algoma was off 1½ points. Base metals were stronger.

A better paper group showed Great Lakes up a point. CPR was ¼ better in the carriers.

Bell eased ⅜ in the utilities while refining oils were mixed in a ¼ point range. In a mixed bank section, Montreal and Nova Scotia were both fractions higher.

Prices were a few cents better in the mining western-oil section. Quebec Chib, Duvan, Bouzan and New Royran were all two-figure winners. Losses were recorded by Canadian Lithium, Cleveland Copper, Merrill Island and Weedon. Hollinger slipped two poins in the seniors.

Industrial volume was 88,000 shares and mines 1,287,000. Of the 285 issues traded, 92 were up, 87 down and 106 unchanged, with 28 new highs and 7 new lows established for the year.

The stock exchange's closing averages show banks off 0.16 at 54.11, utilities up 0.1 at 135.9, industrials up 0.2 at 314.1, combined up 0.1 at 254.7, papers up 6.41 at 1506.88 and golds off 3.40 at 83.64

N. Y. Stocks

NEW YORK (AP)—Strong pivotal stocks sent the market up Thursday to a record high.

The Associated Press average of 60 stocks gained $1.70, best in a couple of weeks. It closed at $190.20, another record high. The industrial component of the average was up $1.50 at $271.30, rails were ahead $2.70 at a high since 1929 of $146.80 and utilities were up 30 cents at $74.90.

There were 61 new highs and nine lows for 1955-56.

Volume at 2,650,000 shares was well under Wednesday's 2,930,000 shares.

Standard Oil (NJ), at the head of the most active list for the third straight time, was up ⅝ at 58 on 42,600 shares.

Canadian issues were mostly higher on the New York exchange. McIntyre was up 1, Aluminium Ltd. advanced ¾, Hudson Bay Mining gained ½, Canadian Pacific and Distillers Seagram both moved up ⅜, Dome Mines added ¼ and Granby Mining was up ⅛.

International Nickel fell ¼.

On the American stock exchange Canadian issues were mostly unchanged to lower. Shawinigan added ½. Great Sweet Grass Oil and Jupiter Oils both lost 1-16 and Preston East Dome fell ⅛.

S'side Wing R.C.A.F. Ass'n Annual Meeting

Mr. William Young was elected president of the No. 200 Wing, R.C.A.F Association at the annual meeting Wednesday evening held in the club rooms, Summerside, retiring president Bill Hickey presiding.

Other members of the new executive are: 1st. vice president, Errol Laughlin; 2nd vice president, Russell Phaneuf; secretary, Derek Hughes; treasurer, Ralph Degrasse.

The outgoing president thanked the members for their untiring support during the past year and presented the chair to Mr. Young. The new president expressed the hope that he could uphold the confidence the members have placed in him and capably fulfill the shoes of his predecessor who did a magnificent job during the past year.

Annual reports were given by the various committee chairmen.

Directors elected are: George Hogg, George Chappell, Wendall Muttart and Claude White.

Retail Merchants Ass'n Plans Show Of Merchandise

At a meeting of the Directors of the Retail Merchants Association hed in Summerside at the Clifton Hotel on Wednesday night the members discussed the possibility of holding a merchandise show in this province, possibly in Summerside during the coming summer.

This show, which will be held in cooperation with a large number of Canadian manufacturers, will be given further consideration. It is hoped with the combined efforts of the large membership of the R.MA that this project can be brought to a reality.

A variety of matters pertaining to the association were freely discussed, such as the matter of concealed damage and breakage, due to careless handling in transit. This was handed over to the committee concerned to investiagte and take action on.

Arrangements were made to place an order for American table glassware for spring delivery and it was announced that two car lots of wire will arrive this coming week for R.MA stores. The president Mr. R.M MacCaull, presided at the meeting.

Variety Show

Two of "the girls" in the Trinity Mr. and Mrs. Club Variety Show at Summerside are seen above with youthful dancer Coleen MacNeill, making her stage debut at the age of six, in a solo singing and dancing role.

250 Pheasants Arriving For Release Early Next Month

Upwards of fify members and interested sportsmen were in attendance at the regular monthly meeting of the Prince County Branch of the P.E.I. Fish and Game Association held last evening in the Summerside Armouries, president B.I. Rayner presiding.

Much of the meeting centered around a discussion on pheasants, 250 of which are due to arrive on the Island from Wisconsin, U.SA. during the first week of April. The majority of these will be released in Prince County, which has a much smaller population of these birds than the other two counties. The order for the pheasants, consisting of 210 hens and 40 cock birds was placed by the parent organization with the sanction of all three county branches.

Messrs. Ralph Jenkins, Tam Gillies and Sidney Green of the Queens County Branch were in attendance and provided the meeting with much useful information concerning the forthcoming pheasant shipment and subsequent plans for the game birds after their arrival.

Mr. Gillies also outlined plans for the proposed sportsmen's show this summer, which is to include various types of animals from the other Maritime Provinces. the meeting approved a motion endorsing this show with the hope of having it presented in Summerside for two days. A motion was also approved for the Prince County Branch to make an effort through the parent body to have a short open season in the spring on wild geese.

Mr. Walter Bernard, game warden for Prince County reported on activities in West Prince during the winter months and stated that there has been evidence of fishing in practically all streams west of Coleman, although no offenders were apprehended. He said one apprehension resulted from illegal muskrat trapping. Mr. Bernard stressed the fact that game birds had suffered severely since early in February due to the sleet and crust and that their numbers are greatly depleted.

Before adjournment an enthusiastic vote of thanks was extended to the three members from Charlottetown. Interesting films on fishing followed.

500 Debutantes Are Presented To The Queen

LONDON (AP) — Five hundred debutantes were presented to the Queen at a stately ceremony in Buckinghan Palace Thursday. Each got a smile from the Duke of Edinburgh, resplendent in the uniform of a field marshal.

Most of the girls were Britons. Included were 11 American girls. There were no Canadians.

Seated on the dais in the white and gold state ballroom, a little behind the Queen, were other members of the royal family, including Princess Margaret, the Duchess of Kent and her 19-year-old daughter, Princess Alexandra.

The Queen wore a dress of peacock blue paper taffeta with a small petal hat of matching shade. Princess Margaret wore yellow. The palace resounded with the chatter of the young girls whose bright new frocks made a colorful spectacle of the royal tea party whch followed the presentations.
